Celebrity Culture and the Myth of Oceania in Britain Ruth Scobie,2019 An intriguing case study on how popular images of Oceania mediated through a developing culture of celebrity contributed to the formation of British identity both

domestically and as a nascent imperial power in the eighteenth century The Eighteenth Century ,1996 **The 1797 Naval Mutinies and Popular Protest in Britain** Callum Easton,2025-09-02 This book offers a holistic re evaluation of the Spithead and Nore mutinies of 1797 which immobilised the two Royal Navy fleets responsible for Britain s defence at a time when invasion seemed likely The mutinies represent two of the most serious manifestations of collective resistance in eighteenth century Britain yet they have received relatively little attention in recent historiography This book challenges the predominant view that the mutinies represented attempts at revolutionary uprising arguing that the mutineers were instead focused on the mutineers understanding of fairness and focused on securing appropriate wages In doing so it presents an opportunity to scrutinise foundational elements of British society from notions of reciprocal rights and responsibilities to relations between the state and individuals **Bibliotheca Cornubiensis: A-O** George Clement Boase,William Prideaux Courtney,1874 **Bibliography of Australia** John Alexander Ferguson,1975
