The Spirit of the Appalachian Trail Susan Power Bratton, 2012-05-30 Want to know what wilderness means to people who live it for over two thousand miles Then read this extremely interesting informative intelligent and thoughtful book Roger S Gottlieb author of Engaging Voices Tales of Morality and Meaning in an Age of Global Warming There is no doubt that Bratton's book will be of value to students and scholars of leisure studies recreation and religion Those who are familiar with the Appalachian Trail sense intuitively that a journey along its length kindles spiritual awakening this book provides the hard data to prove it's true David Brill author of As Far as the Eye Can See Reflections of an Appalachian Trail Hiker The Appalachian Trail covers 2 180 miles passing through fourteen states from Georgia to Maine Each year an estimated 2 3 million people visit the trail and almost two thousand attempt a thru hike walking the entire distance of the path For many the journey transcends a mere walk in the woods and becomes a modern day pilgrimage In The Spirit of the Appalachian Trail Community Environment and Belief Susan Power Bratton addresses the spiritual dimensions of hiking the Appalachian Trail AT Hikers often comment on how

their experience as thru hikers changes them spiritually forever but this is the first study to evaluate these religious or quasireligious claims critically Rather than ask if wilderness and outdoor recreation have benefits for the soul this volume investigates specifically how long distance walking might enhance both body and mind Most who are familiar with the AT sense intuitively that a trek along its length kindles spiritual awakening Using both a quantitative and qualitative approach this book provides the hard data to support this notion Bratton bases her work on five sources an exhaustive survey of long distance AT hikers published trail diaries and memoirs hikers own logs and postings her own personal observations from many years on the trail and conversations with numerous members of the AT community including the trail angels residents of small towns along the path who attend to hikers need for food shelter or medical attention The abundant photographs reinforce the text and enable visualization of the cultural and natural context This volume is fully indexed with extensive reference and notes sections and detailed appendixes Written in an engaging and accessible style The Spirit of the Appalachian Trail presents a full picture of the spirituality of the AT Susan Power Bratton is professor of environmental studies She is the author of Six Billion and More Human Population Regulation and Christian Ethics Environmental Values in Christian Art and Christianity Wilderness and Wildlife The Original Desert Solitaire *The Appalachian Trail Backpacker* Victoria Logue, Frank Logue, 1994 The essential guide for preparing a hike along the A T Lets hikers know what to expect from animals weather and other hikers **Traveling Blind** Susan Krieger, 2010 TRAVELING BLIND is a deeply reflective description of coming to terms with lack of sight It reveals the invisible work of navigating with a guide dog while learning to perceive the world in new ways The author travels with Teela her lively golden dog through airports city streets and Southwest desert landscapes exploring these surroundings with changed sight *Subject Guide to Books in Print*, 1971

Encyclopedia of Sports & Recreation for People with Visual Impairments Andrew Leibs, 2012-12-01 Not long ago most blind and visually impaired people grew up without ever playing sports they sat on the sidelines and kept score during gym protected rather than included In the 1980s few people had ever heard of the Paralympic Games or accessible recreation Today promising blind athletes can receive residency at the US Olympic Training Center runners compete for prize money and national championships and most ski resorts offer adaptive programs throughout the year where blind people can ski cycle and kayak often for free The Paralympic movement the Americans with Disabilities Act of 1990 and ever increasing expectation for inclusion among the disabled have inspired an explosion of accessible sports fitness and recreation programs that accommodate the blind The Encyclopedia of Sports Recreation for People with Visual Impairments is the first consumer focused action oriented guide to this new world of accessible activity profiling the people programs and products that are helping move blind and visually impaired people from the sidelines into the game This groundbreaking guide profiles every accessible blind sport and recreation activity with entries that outline how athletes both novice and elite got involved in the sport and how participation has shaped their life The book also profiles major blind sports organizations and includes

chapter and resource listings on camps and accessible recreation providers Through this book blind people will be inspired to embrace sports as the rest of society does as a vital component of personal expression and human interaction that opens paths to adventure confidence and lifelong health and fitness
