faith makes blind Klaus Pinkas, 2024-07-15 Humanity has alienated itself from its own nature and is heading towards the abyss with its eyes wide open For while Christianity failed to give rationality a place alongside faith and thus to be credible the Enlightenment failed to place spirituality alongside pure rationality The result is a Euro American culture that has no appreciation for nature and suffers from the illusion of the infinity of the world However society is more than just the sum of the people currently alive Only if we honor the intergenerational contract will humanity have a chance of survival in this finite world Yoga philosophy with contemplation at its core offers a way out of this impasse
