**The Blindfold Horse** Shusha Guppy, 2004-06-18 In this eloquent memoir Shusha Guppy recreates the lost world of her childhood in Tehran before the oil boom and the eventual overthrow of the Shah Long before the momentous Iranian Revolution of 1979 which placed the country under strict religious rule Shusha Guppy grew up in a Persia delicately balanced between traditional Islamic society and the transforming forces of westernisation Guppy's magical tales about relatives and friends music and drama religious holidays and celebrations are interwoven with myth and legend poetry and anecdote and provide a rare and optimistic portrayal of Iran quite at odds with prevailing views of the country today Through these glimpses of everyday life she makes subtle yet astute social and political observations at a significant time in Iran's history when the country was caught between the oppressive but stable disciplines of the past and the unsettling freedoms of the future This is an enlightening and moving testimony of a vanished world a story as vibrant as Iran itself Care and Management of Horses Heather Smith Thomas, 2024-08-06 Equine authority Heather Smith Thomas provides a commonsense approach to keeping a horse healthy sound comfortable and happy Intended for the serious horse person *Care and Management of Horses* emphasizes the whole horse mental and physical and encourages the owner to center horsekeeping practices around the horse's needs Topics include nutrition seasonal care safe handling and foot care *Juba this and Juba that* Darlene Powell Hopson, Derek S. Hopson, Thomas Clavin, 1996 100 African American Games for Children Fraser's The Behaviour and Welfare of the Horse Christopher B. Riley, Sharon E. Cregier, Andrew F. Fraser, 2022-05-10 This book continues to provide a comprehensive overview of equine behaviour and an outline of current advances in our understanding as well as offering insights into contemporary and future challenges for improving horse welfare and safety Completely updated and revised a new international expert editorial team builds on Andrew Fraser's decades of work as an ethologist veterinarian historian horseman breeder trainer conservationist and field scientist sharing essential knowledge to improve horse behaviour and welfare This classic text remains an essential resource for veterinarians animal scientists equine professionals and horse owners **Spirit Blending Foals Before and After Birth** Harold Wadley, 2003 This book is a reflection of my heritage with horses It comes from both sides of the saddle so to speak because both of my grandfathers were excellent horsemen One grandpa was Cherokee and rode with the Kiowa horsemen in the early days of Indian Territory They call it Oklahoma today He gave credit to the Kiowa people for our unique way of working with a mare in foal in order to blend our spirit with the foal My other grandpa was an early day cattleman in Indian Territory and was known for his good minded cutting and roping horses I was blessed to have been born into this rich mix of horse and cow savvy As a kid I was careful to take the best of both worlds the Indian World and the Cowboy World and develop my way of working with horses The horses and mules like it The day to day steps of working with the foal and mare ensured a lifetime of harmony with that horse Each of the 37 chapters takes the reader or rider through each progressive training phase emphasizing the easy

patient way the movements should be presented to the horse The spirit blending starts with the mare first then progresses to the unborn foal This special attention is continued right through the birthing process with the highlight coming at two years of age when the young horse is ridden for the first time The foal is first taught to lead and soft tie at one and two days old By the time it reaches two years of age it has been taught to readily load into a trailer stand tied yield to rope pressure from each leg stand tied with a snubbed down head back on voice and body cues and to be ground led across country as well as ponyied from the mare I term the essential ingredient of my technique once the foal is born assurance pressure It creates a sound foundation and willing mind in a horse It is the glue that holds the spiritual blend together It lasts for a lifetime with your horse Praise for Spirit Blending Foals Before and After Birth An Old Way Continued Dear Mr Wadley I LOVE your book Spirit Blending Foals Before and After Birth An Old Way Continued It is a priceless bit of Western History and horsemanship and equine behavior Robert M Miller D V M Thousand Oaks CA

*Needle's Eye* Wieslaw Mysliwski, 2025-10-21 A rich polyphonic novel from one of the leading voices of contemporary Polish literature encompassing a half century of history and memory In a Polish village a young man watches an old man trip and fall down a flight of stairs From this singular event arises a cascade of memories regrets and longings the buried sensations of a whole lifetime condensed and released We hear of life during occupation the scarcities of a childhood lived

under the sign of war and fragments of a home's sounds and scents the private speech of mothers and fathers the treasures of coffee raisins almonds and plums There are loves unrequited and fulfilled landscapes of winter and spring old jobs and old friends all flowing together Wiesław Myliński's latest novel is a personal epic written on the smallest scale Its narrator a medieval historian in his latter years lives surrounded by images of the past From within this wandering mind Myliński has composed his own ode to lost time a nonlinear chameleonic meditation on a half century of Polish life as it does not appear in the historical record Part autobiography part dreambook *Needle's Eye* is both a writer's farewell to the Poland of his youth and an extended address like the final lecture prepared by its narrator on the persistence and necessity of memory
