Blindsided Planet X Passes In 2003 Earthchanges:

Ephod of God Joan Angley, 2020-06-18 Teach them the difference between the holy and the profane between the clean and unclean Teach them all the word God has given Leviticus 10 10 Emeralds sapphires diamonds What do precious gems have to do with God Everything if you study the high priest breastplate and decode the message Proverbs 25 2 says It is the glory of God to conceal a thing but the glory of kings is to search a thing out There is much more buried deep in the scriptures than we know It is a deep well of treasure waiting to be mined and just as precious as sapphires and diamonds How does God see these jewels Does the Hebrew name for ruby written three thousand years ago mean flaming sword of light and does it hint at the laser hidden inside its depths Do these gems represent anything important and of great value Absolutely Is there a secret and mysterious meaning imbedded in the fact that God assigned a jewel to each tribe of Israel accompanied by two very specific blessings and a tribal banner which surprisingly has an astronomical significance Jesus said that before He comes back there will be signs in the sun moon and stars Do these constellations depicted in the tribal banners tell us something of great import for the world Are there warnings broadcast in the stars that we should be paying attention to them now Buckle up and begin one of the most fascinating journeys into the mysteries of God **The Return of Planet-X** Jaysen Q. Rand, 2007 The Return of Planet X is an educational informational source examining all aspects of this controversial subject including the record of X s Ancient Science of Prophecy its Phantom Astronomy Forbidden Archaeology and the Signs Of Its Approach This book examines the history and prophecy of Earth s many cultures throughout the millennia and their voluminous references to the reality of X s periodic passages The most current hypothesis used to examine X s next return through the solar system centers around the fact that X s extended orbit approximately every 3 600 years first passing through the solar system then back out again suggests that its destructive cycle occurs in two phases The first phase begins with X s initial pass through in 2009 separated by three years until its second phase This passage marks X s return leg back into deep space beginning again its 3 600 year long trek through the heavens X s last return visit through the solar system most likely coincided with the Hebrew s exodus from Egypt estimated around 1447 BC roughly 3 459 years ago Did God somehow come to Moses aid by staging a cosmic event that no one today understands The Mayan Celestial Calendar Codex inexplicably ends 21 December 2012 According to ancient Mayan cosmology time as we know it on Earth will reach its climax on that date Written across the scroll of time and space the author believes Planet X will first return in 2009 and again in 2012 **Alien Arrival** Michael Fitzgerald, 2015-02-28 Aliens are among us already and their activities have increased enormously with the arrival of the new millennium Journey with the author as he examines human extraterrestrial interaction from ancient times to the present Sightings contact and abduction cases are all considered as well as a detailed study of the evidence for life on other planets especially on Mars and the Moon Become part of the search for extraterrestrial life and attempts to communicate with it Explore the coverups and conspiracies doomsday scenarios and the

possibility that the increase in UFO activity represents an attempt by extraterrestrials to encourage us to change direction and work together for the salvation of our planet Or is there a much more sinister plan afoot Prediction By the year 2030 we will have definite proof of the existence of intelligent life on other planets Mysteries beckon **Blindsided** Mark
