Knudsen, 2016-07-27 The book is a tribute to Johan Jorgen Holst Norway's late Minister of Foreign Affairs It considers the outstanding issues of our time the high politics of East West confrontation and the post Cold War readjustment in Europe Holst contributed significant ideas to the handling of these issues Though representing merely a small state Johan Holst's mastery of the subject matter and authoritative personal presence gave him an influential voice in high level discourse on Western policy during more than two decades *Special Bibliography Series* United States Air Force Academy. and reconstruction in this region requires a long term military and financial commitment on the part of the Alliance Failure in Afghanistan may diminish the effectiveness of NATO and undermine allied unity perhaps pushing the United States to question the purpose of NATO itself The Bucharest Summit will have to address a number of issues in respect of Afghanistan including the need to generate sufficient military forces to carry out operations NATO faces broader questions about its role and relevance in the 21st century and the Defence Committee believes it needs to launch a far reaching review of its strategic concept setting forth a future role and purpose NATO s willingness to fulfil a global role is critical to the continued support of the United States NATO has shortfalls across a range of specific military capabilities which are seen as compromising its ability to mount and sustain the expeditionary operations that underpin the Alliance The creation of the NATO Response Force is seen as representing a significant achievement but it needs to be financed out of NATO Common Funding The Committee states that NATO s biggest shortfall is a lack of political will where a large and growing gap exists between the United States and the European members in defence spending The Committee further states that the relationship between NATO and the EU is plagued by mistrust and characterised by unhealthy competition Improving communication and coordination between the two is seen as essential The Committee views NATO as indispensable to the Alliance
