Blood On The Snow:

Blood on the Snow Robert Service, 2023-11-09 A terrific book about a terrifying subject by the best historian of Russia working today Michael Burleigh author of *The Third Reich In Blood* on the Snow Robert Service returns to the subject that has formed the backbone of his long and distinguished career the Russian Revolution For Service the great unanswered question is how to reconcile the two vital narratives that underpin the extraordinary but troubled events of 1917 One puts the blame squarely on Tsar Nicholas II and on Alexander Kerensky's provisional government that deposed him The other is the view from the bottom that of the workers and peasants who wanted democratic socialism not the Bolshevik dictatorship imposed by Vladimir Ilyich Lenin and his successors Service's vivid and revisionist account spans the period from the outbreak of the First World War to Lenin's death in 1924 In it he reveals that key seeds of the revolution were sown by the Tsar's decision to join the war against Germany in 1914 He shows with brutal clarity how those events played out eventually leading to the establishment of the totalitarian Soviet regime which would endure for the next seven decades Nicholas II Kerensky and Lenin are to the fore but Service enriches his narrative by drawing on little known diaries of those such as the Vologda peasant Alexander Zamaraev the NCO Alexei Shtukaturv and the Moscow accounts clerk Nikita Okunev Through the testimony of these ordinary people Service traces the tortuous path that Russia took through war revolution and civil war This authoritative detailed account shows how Lenin won control of Russia and caused untold misery **The Times**

Blood on the Snow Jan Bondeson, 2005 An investigative account of the still unsolved assassination of Swedish Prime Minister Olof Palme a major figure in world politics and an ardent opponent of apartheid shot dead on the streets of Stockholm in February 1986

Blood on the Snow Jan Bondeson, 2014-01-31 The Swedish Prime Minister Olof Palme a major figure in world politics and an ardent opponent of apartheid was shot dead on the streets of Stockholm in February 1986 At the time of his death Palme was deeply involved in Middle East diplomacy and was working under UN auspices to end the Iran Iraq war Across Scandinavia Palme's killing had an impact similar to that of the Kennedy assassinations in the United States and it ignited nearly as many conspiracy theories Interest in the Palme slaying was most recently stirred by reports of the death of Christer Pettersson who was tried for the murder twice convicted the first time and then acquitted on appeal In his investigative account of Palme's still unsolved murder the historian Jan Bondeson meticulously recreates the assassination and its aftermath Like the best works of crime fiction this book puts the victim and his death into social context Bondeson's work however is noteworthy for its dispassionate treatment of police incompetence the police did not answer a witness's phone call reporting the murder just 45 seconds after it occurred and further time was lost as the police sought to confirm that someone had actually been shot When the police arrived on the scene they did not even recognize the victim as the Prime Minister This early confusion was emblematic of the errors that were to follow Bondeson demolishes the various conspiracy theories that have been devised to make sense of the killing before suggesting a convincing explanation of his

own A brilliant piece of investigative journalism **Blood on the Snow** Nigel Mackenzie,1966 Perceval, Or, The Story of the Grail Chrétien de Troyes,Chrétien (de Troyes),1985-01-01 In this verse translation of Perceval or The Story of the Grail Ruth Harwood Cline restores to life the thematically crucial Arthurian tale of the education of a knight in his search for the Holy Grail Cline s translation faithful to the highly synthetic deliberately ornate nature of medieval French follows Perceval from his home in Wales through his rich and raucous adventures as a member of the fraternity of knights to his climactic meeting with the Fisher King Paralyzed by his first glimpse of the Grail Perceval fails to save the ailing king Distraught the knight begins a new quest for the Grail a journey on the road of penitence and faith Perceval s venture the true test of his knighthood ends without conclusion the death of author Chr tien de Troyes left unsaid and undetermined the success of Perceval s quest **Folk and Hero Tales** Donald McInnes,1890 **Waifs and Strays of Celtic Tradition** Lord Archibald Campbell,1890 **Blood in the Snow** Tom Henderson,2011-04-26 Vivid characters carry the action in latest book about grisly Metro Detroit murder a page turner from the true crime author of Darker Than Night The Detroit News Washington Township Michigan Valentine s Day 2007 Stephen Grant filed a missing person s report on his beloved wife Tara The stay at home father of two was beside himself with despair Why would Tara abandon him and their family Was she involved with another man Stephen s frantic emotional search for Tara made national headlines and the case was featured on Dateline among other television shows and news outlets But key elements in Stephen s story still weren t adding up Why did he wait five days to go to police What was the nature of his relationship with his children s beautiful nineteen year old babysitter Why did Stephen have cuts on his hands and random bruises Then the police made a gruesome discovery Parts of Tara Grant s body started turning up around the woods near the Grant s home The truth was finally coming to light and after a two day manhunt Stephen admitted to having killed Tara first strangling her then cutting her body into fourteen pieces before burying them This is the shocking true story about a bitter cheating husband whose crimes were revealed by the Blood in the Snow Please note that the photos that appear in the print edition of the title do not appear in the e book Blood in the Snow is the third book about the case but it s also the only one that had police cooperation And that makes all the difference a wild ride of a read that s still compelling Metro Times

Bird Blood Snow Cynan Jones,2012-11-01 Hoping to give him a better start in life Peredur s mother takes him from the estates But when local kids cycle into his life he heads off after them accompanied by the notion of finding Arthur an absent imaginary guardian And that s when the trouble really starts The original Peredur fights for recognition in Arthur s court Cynan Jones turns this into a modern Quixotian romp **Secrets of The White Snow: Fated Mate Werewolf Romance (Rejecting The Alpha Book 3 The End)** eyesink,2023-02-21 Snow Faye never wanted a mate But everything turned differently when she met the Alpha of their own pack She had no idea that he was the Alpha because she was kept hidden

since she was born He is her mate but she trusts no one thinking that everyone is a potential killer of White werewolves like her Thus she rejected and abandoned Alpha Cohen and went to live with the humans to hide But what happens if the Alpha learned that she is a White and found her in the city Will her death be on the hand of her mate or will she live and fight beside him What will happen if the love Alpha Cohen once had for Snow will turn into hatred making her live in bleak and misery Three fairy princesses: Snow-white, the sleeping beauty, Cinderella. Chloroform, and the Science of Medicine Peter Vinten-Johansen,2003 The product of six years of collaborative research this fine biography offers new interpretations of a pioneering figure in anesthesiology epidemiology medical cartography and public health It modifies the conventional rags to riches portrait of John Snow by synthesizing fresh information about his early life from archival research and recent studies It explores the intellectual roots of his commitments to vegetarianism temperance and pure drinking water first developed when he was a medical apprentice and assistant in the north of England The authors argue that all of Snow s later contributions are traceable to the medical paradigm he imbibed as a medical student in London and put into practice early in his career as a clinician that medicine as a science required the incorporation of recent developments in its collateral sciences chiefly anatomy chemistry and physiology in order to understand the causes of disease Snow s theoretical breakthroughs in anesthesia were extensions of his experimental

research in respiratory physiology and the properties of inhaled gases Shortly thereafter his understanding of gas laws led him to reject miasmatic explanations for the spread of cholera and to develop an alternative theory in consonance with what was then known about chemistry and the physiology of digestion Using all of Snow's writings the authors follow him when working in his home laboratory visiting patients throughout London attending medical society meetings and conducting studies during the cholera epidemics of 1849 and 1854 The result is a book that demythologizes some overly heroic views of Snow by providing a fairer measure of his actual contributions It will have an impact not only on the understanding of the man but also on the history of epidemiology and medical science

BLOOD FOR BLOOD Mark Schuckert, 2012-11-16 It is fictional yet deals with two of the greatest of all American governmental frauds the Vietnam War the drug war and their effects on ordinary Americans and patriotic soldiers It opens in prologue with a deputy police chief examining a crime scene A U S senator and four others have been shot down on the front steps of a county courthouse in a small city in northern California The deputy chief believes the senator was the primary target because he is shot in the back dead center between the shoulder blades Officers find where the shots came from and the deputy chief arrives and is led to a small empty room still smelling of burnt gunpowder The chief finds an empty cartridge case in the caliber 300 Winchester Magnum With this he remembers many years before where a similar rifle cartridge was used not in defense but to deliberately ambush law enforcement personnel on a marijuana plantation raid

The Legend of Snow and Little Rose D.C. Townsend, 2019-09-14 This is a legend of a time long ago retold many times to many generations It is of love and adventure and of good versus evil Growing up Snow was a shy boy and Little Rose was a skinny pesky girl They lived in a village next to a river that flowed through the beautiful peaceful valley that was their world Their valley had all that their people needed and wanted fish to catch in the river game in the woods to hunt and berries roots grain and herbs to be gathered All in their village worked together making life good Their peace and harmony are shattered Challenges are forced on Snow Little Rose and their people Courageous deeds define a hero Legends are created by people that are much more than heroes Legends are created by those that inspire their people with great virtues Snow and Little Rose are thrust into many situations not of their making or desires With a good heart determination and a lot of good luck they become much more than they thought they could be The great spirits created men and women to bond together to become more than the sum of them as individuals
