**ONSET: Blood of the Innocent** Glynn Stewart, 2018-10-19 A war older than the nation An enemy with agents at every turn An ancient foe with an offer of peace The alliance with the Elfin Warriors has allowed the United States Government s supernatural forces the Omicron Branch to hold the line against the demons and take the war to the Vampire Familias defeating them in battle and reclaiming their resources Victory against the vampires however leaves David White with a moral dilemma as he captures an entire convoy of freshly turned vampires beyond saving but innocent of their species crimes Duty only allows one fate for them but then an ancient vampire arrives to negotiate for their freedom Letting them go drags David into the middle of a political nightmare as the Omicron branch must decide which is more important Omicron s authority and revenge for their dead or the very Constitution and people they are sworn to defend

[Bullets and Blood](#) TJ Nichols, Vampire Nix Hadley wants nothing more than for everyone to forget he exists He s created a new life for himself far away from the bloody streets of the Melbourne feud that claimed the life of his family Now a cellar door sales rep for a winery he loves serving the tourists who visit and he can always talk them into buying more than they planned with a little magic This is the new start he needed but he still sleeps badly and he s wary of trusting anyone Lance Orlan has spent the last six months tracking down the male heir of the

Hadley family If he fails he ll never be blooded and turned into a full vampire When Lance turns up at the winery where Nix works he doesn t recognize the man he s been hunting All he sees is a cute hipster Where is the cold blooded killer The enemy has finally caught up with Nix His life is about to come crashing down if he doesn t do something So Nix requests a truce He s tired of fighting and running and killing but he needs time to make a new plan For two weeks he plans to keep Lance close very close And Lance agrees because he s enjoyed the time away from the demands of his family But the past is catching up and the old feud demands blood As Lance gets to know Nix though he starts to question what he s been told Lance will have to choose between hate and love and Nix will have to fight or surrender For readers who love enemies to lovers assassins and vampires Keywords mm vampire romance gay vampire romance mafia romance assassin in love on the run feuding families Renee Rose Joe Satoria Adara Wolf April Jade Aja Foxx Colbie Dunbar Joel Abernathy Civil Blood Amanda G. Madden,2025-11-15 Civil Blood is a study of the practice of vendetta among the civic elites in sixteenth century Italy and illustrates the complex and integral role that vendetta violence played in civic life and state formation on the winding path to state centralization At many temporal geographic and political points in early modern Italy vendetta appears to have not only disrupted but also constituted the processes by which the modern state emerged Amanda G Madden examines vendetta as both central to politics and as an engine of change and illustrates the degree to which key phenomena of the period state centralization growing bureaucracies institutional reforms and the process of state formation were interpenetrated by and not simply opposed to ongoing factional violence among civic elites Madden further illuminates in Civil Blood how elites utilized violent enmities to maintain a grip on political control and negotiated with the duke concerning political power and civic prerogatives As a result ruling elites not only defined their own place in governance but also shaped the function and definition of government Blood Passion Scott Martelle,2008 On April 20 1914 in the small railroad town of Ludlow Colorado striking coalminers and state National Guardsmen waged a day long battle that ended with the burning of a strikers tent colony The Ludlow Massacre as it is known was only part of a seven month war in which at least seventy five people were killed In Blood Passion journalist Scott Martelle explores this largely forgotten American saga of coalminers rising against political and economic corruption a fight that embraced some of the most volatile social movements of the early twentieth century Cover **Dragon's Blood** Adrienne Woods,2019-12-29 Three short stories derived from the Dragonian Series Dragon s Blood Lucian s Ascending The Claiming of Brian Cooper *Seth and Samson Blair* John R. Carden,2010-12-01 Seth and Samson Blair continues the saga of an Old West lawman Seth Blair Sam had honorably served in the army as a cattle drover for Shanghai Pierce had worked undercover for the Texas Rangers and finally he had been a United States Marshal It was while he was serving Los Angeles that an Event happened that was unique in the History of the Cosmic All From the Old West Sam was somehow transported though Time to modern day Los Angeles Electric lights automobiles jet planes cell phones and a thousand other sights and sounds were entirely new to his senses Amid all the new

The Blood of Free Men Michael Neiberg,2012-10-02 As the Allies struggled inland from Normandy in August of 1944 the fate of Paris hung in the balance Other jewels of Europe sites like Warsaw Antwerp and Monte Cassino were or would soon be reduced to rubble during attempts to liberate them But Paris endured thanks to a fractious cast of characters from Resistance cells to Free French operatives to an unlikely assortment of diplomats Allied generals and governmental officials Their efforts and those of the German forces fighting to maintain control of the city would shape the course of the battle for Europe and color popular memory of the conflict for generations to come In The Blood of Free Men celebrated historian Michael Neiberg deftly tracks the forces vying for Paris providing a revealing new look at the city s dramatic and triumphant resistance against the Nazis The salvation of Paris was not a foregone conclusion Neiberg shows and the liberation was a chaotic operation that could have easily ended in the city s ruin The Allies were intent on bypassing Paris so as to strike the heart of the Third Reich in Germany and the French themselves were deeply divided feuding political cells fought for control of the Resistance within Paris as did Charles de Gaulle and his Free French Forces outside the city Although many of Paris s citizens initially chose a tenuous stability over outright resistance to the German occupation they were forced to act when the approaching fighting pushed the city to the brink of starvation In a desperate bid to save their city ordinary Parisians took to the streets and through a combination of valiant fighting shrewd diplomacy and last minute aid from the Allies managed to save the City of Lights A groundbreaking arresting narrative of the liberation The Blood of Free Men tells the full story of one of the war s defining moments when a tortured city and its inhabitants narrowly survived the deadliest conflict in human history

**Iron and Blood** Peter H. Wilson,2023-02-14 Peter Wilson looks to 500 years of history to contest rigid assumptions about German militarism Historically German speaking states have had complex that is typical politics surrounding militarization strategy and civilian control The belief in German military genius arose only in 1871 and was soon dashed by the two world wars

**Colors and Blood** Robert E. Bonner,2018-06-05 As rancorous debates over Confederate symbols continue Robert Bonner explores how the rebel flag gained its enormous power to inspire and repel In the process he shows how the Confederacy sustained itself for as long as it did by cultivating the allegiances of countless ordinary citizens Bonner also comments more broadly on flag passions those intense emotional reactions to waving pieces of cloth that inflame patriots to kill and die Colors and Blood depicts a pervasive flag culture that set the emotional tone of the Civil War in the Union as well as the Confederacy Northerners and southerners alike devoted incredible energy to flags but the Confederate project was unique in creating a set of national symbols from scratch In describing the activities of white southerners who designed sewed celebrated sang about and bled for their new country s most visible symbols the book charts the emergence of Confederate nationalism Theatrical flag performances that cast secession in a melodramatic mode

both amplified and contained patriotic emotions contributing to a flag centered popular patriotism that motivated true believers to defy and sacrifice This wartime flag culture nourished Confederate nationalism for four years but flags martial associations ultimately eclipsed their expression of political independence After 1865 conquered banners evoked valor and heroism while obscuring the ideology of a slaveholders rebellion and white southerners recast the totems of Confederate nationalism as relics of the Lost Cause At the heart of this story is the tremendous capacity of bloodshed to infuse symbols with emotional power Confederate flag culture black southerners charged relationship to the Stars and Stripes contemporary efforts to banish the Southern Cross and arguments over burning the Star Spangled Banner have this in common all demonstrate Americans passionate relationship with symbols that have been imaginatively soaked in blood M.G. Ramachandran, *My Blood Brother* Attar Chand,1988 The sudden demise of one of modern Indias most beloved sons the Tamil Nadu Chief Minister MGR who wars part of the national mainstream for many long years creates a void difficult to fill not only in the State but also in the ocuntry's political scene Blood, Sweat, and Toil Geoffrey G. Field,2011-11-03 Blood Sweat and Toil is the first scholarly history of the British working class in the Second World War It integrates social political and labour history and reflects the most recent scholarship and debates on social class gender and the forging of identities Geoffrey G Field examines the war s impact on workers in the varied contexts of the family military service the workplace local communities and the nation Previous studies of the Home Front have analysed the lives of civilians but they have neglected the importance of social class in defining popular experience and its centrality in public attitudes official policy and the politics of the war years Contrary to accounts that view the war as eroding class divisions and creating a new sense of social unity in Britain Field argues that the 1940s was a crucial decade in which the deeply fragmented working class of the interwar decades was remade achieving new collective status power and solidarity He criticizes recent revisionist scholarship that has downplayed the significance of class in British society Extensively researched using official documents diaries and letters the records of trade unions and numerous other institutions Blood Sweat and Toil traces the rapid growth of trade unionism joint consultation and strike actions in the war years It also analyses the mobilization of women into factories and the uniformed services and the lives of men conscripted into the army showing how these experiences shaped their social attitudes and aspirations Using opinion polls and other evidence Field traces the evolution of popular political attitudes from the evacuation of 1939 and the desperate months of late 1940 to the election of 1945 opposing recent claims that the electorate was indifferent or apathetic at the war s end but also eschewing blanket assumptions about popular radicalization Labour was an active agent in fashioning itself as both a national progressive party and the representative of working class interests in 1945 far from a mere passive beneficiary of anti Tory feeling it gave organizational form to the idealism and the demand for significant change that the war had generated Love, Honour and Royal Blood Carol Sargeant,2010-09 This is the story of John of Gaunt and the impact that he had not only on his own times but on the history of

the western world as well Seldom does one man impact so much It is the time when parliamentary democracy was being forged in the Good Parliament against the duke of Lancaster s strenuous opposition When the Back to the Bible philosophy that would lead to the Protestant Reformation was being shaped by John Wycliffe and spread under the sheltering influence of John of Gaunt s arm Fourteenth century England was where a man took a stand and the world changed directions It was also the time when Katharine Swynford s brother in law Geoffrey Chaucer was painting the word pictures of his times that endure to this day Although Book Two in the trilogy is about John of Gaunt and covers the years of his separation from Katharine I never lost Katharine I always knew where Katherine Swynford was and what she was thinking Readers Focus Group In many ways the history of both England and America has depended on the decisions John of Gaunt made and the actions John of Gaunt took during his life time For more than six centuries the royal families of England Lancaster York Tudor Stuart have descended from him and no fewer than six U S presidents including George Washington and James Monroe would descend from the love affair John of Gaunt had with his beautiful enigmatic mistress Katherine Swynford the woman history has forgotten The love affair that changed the world has largely been overlooked even though not only kings and presidents can be traced back to John of Gaunt and Katharine Swynford but also the very first seeds of the Protestant Reformation can be tracked to John of Gaunt s door and the support the mighty Duke of Lancaster gave to John Wycliffe This is the story of what happened behind the scenes It covers the actions of a small group of men who formed a Lollard Protestant underground which changed both the history of the western world and Church History It was a period in history where the Wycliffe Bible the Blackfriar s Council and the formation of a Lollard underground involved both John of Gaunt and Katharine Swynford in extremely dangerous times Love Honour and Royal Blood also brings to light John of Gaunt s relationship with the two principal players in this great drama of church history John Wycliffe and William Courtenay Archbishop of Canterbury The cultural revolution which swirled around John of Gaunt his relative Geoffrey Chaucer his friend John Wycliffe and the love of his life Katharine Swynford is the untold story of the Back to the Bible theology which changed the world and started the Protestant Reformation This is John of Gaunt s story
