Microwave Cooking Claremont Staff,1995-02    *Books* ,1989-04    **Cakes** Claremont Staff,1995-06    Subject Guide to Books in Print ,1975    *Public Library Buildings* Lisa Charbonnet,2015-10-05 This go to guide covers the entire process of building or renovating a public library from initial planning to maintaining the completed space to measuring success In light of current social and technological shifts libraries are reinventing themselves Meeting place makerspace community center cultural hub multimedia lender today s public library is all of these and more Whether your library is undertaking a simple renovation or redesign or looking at a full blown building project the voice of the librarian is important to the project and you need to understand both the processes involved and the questions to ask Beginning with the development of a pre construction vision the book guides you through the entire process It covers everything from making a case for the project to the authorities and the community through fundraising budgeting and site and team selection You ll read about space programming the design phase pre construction preparation staff management and moving the library as well as about post construction management and maintenance Measures of success are included as are helpful forms and an invaluable glossary of relevant construction terms With this guide in hand you and your team can plan efficiently avoid common pitfalls and create a library you and your community will love for many years to come    The Library as Playground Dale Leorke,Danielle Wyatt,2022-04-13 Digital and analog games have long served modern public libraries as educational tools and as drawcards for new patrons from dedicated gaming zones and children s spaces to Minecraft gaming days makerspaces and virtual reality collections Much has been written about the role of games and play in libraries programming and collections But their wider role in transforming libraries as public institutions remains unexplored In this book the authors draw on ethnographic research to provide a rich portrait of the intersection between games play and public libraries They look at how games and play are increasingly spilling out of designated zones within libraries and beyond their walls as part of a broader reconfiguration and reimagining of libraries in the digital era The library s association with play has historically been understood through its classification as a third place somewhere to relax socialise and experiment outside of the utilitarian demands of work and home But far from just offering patrons an opportunity for detached leisure this book illustrates how libraries are connecting games and play to policies agendas around their municipality s economic and cultural development Attending to the institutionalisation of play the book sheds new light both on the contradictions at the heart of play as a theoretical concept and what libraries are in contemporary public life    Public Library Core Collection John Greenfieldt,Patrice Bartell,2008 Wilson s Public Library Core Collection Nonfiction 13th Edition 2008 recommends reference and nonfiction books for the general adult audience It is a guide to over 9 000 books over 6 500 titles are new to this edition plus review sources and other professional aids for librarians and media specialists Acquisitions librarians reference librarians and cataloguers can all use this reliable guide to building and maintaining a well rounded collection of the most

highly recommended reference and nonfiction books for adults All titles are selected by librarians editors advisors and nominators all of them experts in public library services The collection is a valuable tool for collection development and maintenance reader s advisory weeding your collection and curriculum support Richly enhanced records provide a wealth of useful information All entries include complete bibliographic data as well as price subject headings annotations grade level Dewey classification cover art and quotations from reviews Many entries also list awards best book lists and starred reviews Save Time Efficiently organised and includes Starred titles Save Money Allocate your resources to the best materials available Stay Relevant Discover the best in important contemporary categories Complete Coverage Includes recommendations on periodicals and electronic resources too Four Year Subscription This Core Collection was originally sold as a four year subscription The core edition published in 2008 delivers a library bound volume with an extensive selective list of recommended books From 2009 to 2011 Wilson published extensive paperback supplements to the 2008 edition A new cycle of materials will begin in 2012 However the 2008 to 2011 materials are currently available Buyers of them will receive all these materials immediately All four years are only 420 Uniquely Valuable There is nothing quite like Wilson Core Collections The accumulated expertise of our selectors and the unquestioned reputation of these collections is invaluable Wilson Core Collections are universally recognised as impartial and expert aids to collection development that assist and reinforce the judgement of librarians everywhere Selection to a Wilson Core Collection is strong support to any challenged purchase Contemporary Relevance This Core Collection includes broad updates in the areas of crafts terrorism and international security environment and global warming diseases and medicine and religion plus other contemporary topics that keep the library s collection as current as today s headlines Other Key Features Classified Catalogue A list arranged by Dewey Decimal Classification with complete cataloguing information for each book Author Title Subject and Analytical Index An in depth key to the information in Classified Catalogue including author and title analytics for works contained in anthologies and collections Richly enhanced records provide complete bibliographic data price subject headings descriptive annotations grade level Dewey classification evaluative quotations from a review when available Listing works published in the United States or published in Canada or the United Kingdom and distributed in the United States Public Library Core Collection Nonfiction features extensive revisions in the areas of health science and technology personal finance sports cooking and gardening and handicrafts Biography poetry and literary criticism continue to receive comprehensive treatment Reference works in all subject fields are included

**50 Fantastic Ideas for Exploring Food** Judit Horvath,2017-01-12 The 50 Fantastic Ideas series is packed full of fun original skills based activities for Early Years practitioners to use with children aged 0 5 Each activity features step by step guidance a list of resources and a detailed explanation of the skills children will learn Creative simple and highly effective this series is a must have for every Early Years setting Children have a natural curiosity towards real life procedures and being involved in cooking and all of its preparation activities has proven to

stimulate young minds throughout history By preparing simple meals together from scratch children will naturally develop the love of good healthy food whilst it can also tackle the issue of fussy eaters who are far more likely to try something they've prepared themselves Based on Judith's sound practice as a qualified teacher and baker having taken part in local and national conferences she has gathered together a varied collection of activity ideas around cooking and baking from different cultures with some added simple recipes too

**The Maker Cookbook** Cindy Wall,Lynn Pawloski,2014-08-28 The Maker Movement is hot and librarians are eager to participate Even if you feel restricted by budget staff or space this step by step guide will help you turn your library into a creativity center The Maker Movement is sweeping the nation because it is creative and educational and a lot of fun Nonetheless some librarians have hesitated to incorporate the movement into their programming because their libraries do not have dedicated makerspaces If that describes you then take heart Written by librarians for librarians this cookbook proves that every library is already a MakerPlace and provides you with recipes to make your library come alive with creativity Easy to use step by step guidance helps you create engaging K 8 programs in science and technology arts and crafts and home skills that are perfect for the library setting The menu of ideas is broken into four types of programming Appetizers add a taste of the Maker movement to existing library programs Entrees present full programs for a lengthy one day event or a short series Side Dishes are programs you can use if you have limited staff budget space or any combination of those Desserts are low tech programs suitable for young children Each recipe includes extensions variations and curriculum tie ins that give you even more ways to present the program ideas whether to a different audience or as part of other related activities Programs that involve creating a Balloon Zip Line a Zen Garden or a Maker Marketplace will delight library users and generate activity and excitement in your library

**Teen Programs with Punch** Valerie Ott,2006-06-30 Looking for some fresh program ideas for your teen patrons Want to change those bored expressions on teen faces to eager smiles This guide offers a stimulating selection of program ideas that will appeal to teens between the ages of 12 and 18 throughout the year Recognizing that there is no such thing as a typical teenager the programs represent a broad range of interests from arts and crafts workshops to educational programs to purely recreational activities from serious to serious fun Programs for all seasons include Goth Gathering Intolerance Forum Night at the Oscars Library Fear Factor Find Your Future and Cyber Safety Everything you need to get started is here from the nitty gritty details like supply lists and approximate costs to practical step by step instructions Collection connections and ideas for promotion enhance the guide And there are also suggestions for those times when time is short and money is tight A wonderful combination of inspiration and practicality and of start to finish guidance for successful teen programming Grades 6 12

**Whitaker's Book List** ,1991 **American Home Cooking** Tim Miller,2017-07-01 American Home Cooking provides an answer to the question of why in the face of all the modern technology we have for saving time Americans still spend time in their kitchens cooking Americans eat four to five meals per week in a restaurant and buy millions of dollars

worth of convenience foods Cooking especially from scratch is clearly on its way out However if this is true why do we spend so much money on kitchen appliances both large and small Why are so many cooking shows and cookbooks published each year if so few people actually cook In *American Home Cooking* Timothy Miller argues that there are historical reasons behind the reality of American cooking There are some factors that over the past two hundred years have kept us close to our kitchens while there are other factors that have worked to push us away from our kitchens At one end of the cooking and eating continuum is preparing meals from scratch all ingredients are raw and unprocessed and in extreme cases grown at the home On the other end of the spectrum is dining out at a restaurant where no cooking is done but the family is still fed All dining experiences exist along this continuum and Miller considers how American dining has moved along the continuum He looks at a number of different groups and trends that have affected the state of the American kitchen stretching back to the early 1800s These include food and appliance companies the restaurant industry the home economics movement of the early 20th century and reform movements such as the counterculture of the 1960s and the religious reform movements of the 1800s And yet the kitchen is still most often the center of the home and the place where most people expect to cook and eat even if they don't

**Food Safety** Nina E. Redman, Michele Morrone, 2017-02-13 Presenting compelling and current information about some of the most important food safety issues this book is an invaluable reference for anyone interested in avoiding foodborne disease or understanding how food safety standards could be improved Food safety affects everyone For citizens who live in industrialized nations it is easy to assume that our foods are always rigorously inspected and assessed for safety While food safety standards and regulations are in place to protect the consumer public food safety problems do exist according to the Centers for Disease Control and Prevention each year 48 million Americans are sickened by food 128 000 people are sick enough that they are hospitalized as a result and 3 000 people die from foodborne pathogens This third edition of *Food Safety A Reference Handbook* examines the history of food safety and describes in detail key events and trends that have created the food safety issues of today It explores the many controversies concerning food consumption including contaminants in food GMOs factory farm produced meat and standards regarding the labeling of food products as well as the ways that these issues have been handled by authorities Readers will find this book's overview of food safety topics informative and highly accessible Additionally the perspectives chapter provides varying viewpoints from food safety professionals and researchers on key issues

**The Nasty Bits** Anthony Bourdain, 2007-05-01 The best selling author of *Kitchen Confidential* and *A Cook's Tour* shares a candid and outrageous collection of his worldwide culinary misadventures from scrounging for eel in backstreet Hanoi to quarreling with raw food activist Woody Harrelson to revealing the less than glamorous aspects of making television Reprint

**Building an ESL Collection for Young Adults** Laura McCaffery, 1998-10-28 This annotated bibliography of more than 500 recommended books meets the needs of teachers and librarians for reading materials for young adults for whom English is a second language Laura McCaffery who has many years of experience with

collection development of ESL materials for young adults has selected the best books on a variety of topics to meet curriculum and personal interest needs of young adults Most of the books selected were published between 1992 and 1998 The bibliography is organized by topic adventure mystery and suspense biographies career workplace life skills and parenting folktales myths poetry and classics ethnic diversity history and geography nature and science and sports Indexes by author subject title and ethnic group make searching easy Mainstreamed ESL students can use these books to better understand and make use of regular textbooks Special ESL classes can use the recommended books as part of regular instruction Most of the books recommended are for the intermediate or advanced beginner reading level in English but some very easy books are also included Most of the books are suitable for all learners from grades five through adult Each entry contains a complete bibliographical citation Fry Reading Level Interest Level Library of Congress subjects for cataloging and a 50 to 200 word annotation describing the book and how it can be used by the librarian or teacher who is working with patrons or students A list of distributors of print and nonprint ESL materials completes the work [This Business of Words](#) Amanda Golden, 2018-11-02 One of America's most influential women writers Anne Sexton has long been overshadowed by fellow confessional poets Sylvia Plath and Robert Lowell and is seldom featured in literary criticism This volume reassesses Sexton and her poetry for the first time in two decades and offers directions for future Sexton scholarship Mapping Sexton's influence on twenty first century cultural contexts these essays emphasize her continuing vitality Contributors Jeanne Marie Beaumont Jeffery Conway Jo Gill Amanda Golden Christopher Grobe Anita Helle Kamran Javadizadeh Dorothea Lasky Kathleen Ossip David Trinidad Victoria Van Hyning **Second Helpings** Robin Currie, Jan Irving, 1994-06-15 Silly foods sweets and foods from other countries are some of the features of this delicious resource Building on the concepts offered in the acclaimed *Mudluscious Libraries Unlimited* 1986 this delightful volume focuses on the ever popular topic of food with an emphasis on activities that span the curriculum and offer opportunities for both written and oral expression Original stories songs chants and other learning activities are provided Grades K 3 *American Prisons and Jails* Vidisha Barua Worley, Robert M. Worley, 2018-12-07 This two volume encyclopedia provides a comprehensive and authoritative examination of the history and current character of American prisons and jails and their place in the U S corrections system This encyclopedia provides a rigorous and comprehensive summary of correctional systems and practices and their evolution throughout US history Topics include sentencing norms and contemporary developments differences between local jails and prisons and regional state and federal systems violent and nonviolent inmate populations operations of state and federal prisons including well known prisons such as ADX Florence Alcatraz Attica Leavenworth and San Quentin privately run for profit prisons as well as the companies that run them inmate culture including prisoner generated social hierarchies prisoner slang gangs drug use and violence prison trends and statistics including racial ethnic age gender and educational breakdowns the death penalty and post incarceration outcomes including recidivism The set showcases contributions from

some of the leading scholars in the fields of correctional systems and practices and will be a valuable resource for anyone interested in learning more about American prisons jails and community corrections      **Makerspaces** John J.

Burke,2018-01-23 **Makerspaces A Practical Guide for Librarians Second Edition** is an A Z guidebook jam packed with resources advice and information to help you develop and fund your own makerspace from the ground up Learn what other libraries are making building and doing in their makerspaces and how you can too Readers are introduced to makerspace equipment new technologies models for planning and assessing projects and useful case studies that will equip them with the knowledge to implement their own library makerspaces This expanded second edition features eighteen brand new library makerspace profiles providing advice and inspiration for how to create your own library makerspace over twenty new images and figures illustrating maker tools and trends as well as library makerspaces in action and new lists of actual grant and funding sources for library makerspaces      Radical Reads 2 Joni Richards Bodart,2009-11-25 In **Radical Reads** Joni Richards Bodart identified 101 young adult books that featured gritty complex plots focused on multidimensional characters and tackled such difficult subjects as teenage pregnancy dysfunctional families gangs prejudice violence drugs or other provocative issues Teen readers were drawn to such books because they could identify with both the characters and the situations depicted in these raw and edgy works of fiction In **Radical Reads 2 Working with the Newest Edgy Titles for Teens** Bodart continues where the first book left off examining more than a hundred titles published since the previous edition The books featured here are engaging and tough yet well written and accessible to readers For each novel Bodart lists the main characters major themes and subject areas and offers a brief summary Along with providing book report ideas she cites the strengths of each work excerpts important reviews and lists any awards the book has received Indexed by author title subject curriculum area reading level interest level and genre **Radical Reads 2** is an indispensable tool for librarians teachers and parents alike and will appeal especially to teens looking for relevant and topical fiction
