Blowback 911 And Coverups:

Phoenix Rising Donald G. Lett, Donald G Lett Jr, 2008-02 In an age when the supply of gasoline to feed this modern American society has become both more expensive and more scarce questions are being pondered Inquires like How can a modern society scale back its dependence on gasoline as a motive source Are there genuine alternative power sources Are they the answer to a growing crisis Recent announcements of hybrids like those from Honda Toyota and Ford have really brought attention to this issue Hybrids that use both gasoline engines and electric motors Really though alternative power sources have been around for as long as the automobile has been The battle between and among the steam car the electric and the gas car was fought out in the first couple of decades of the twentieth century This book explores the ins and outs of that battle A struggle from which the gasoline car emerged completely victorious To such an extent that steam cars and electric cars virtually disappeared from the scene for many decades We will look over all three alternatives exploring their advantages and disadvantages We will also look over the obstacles to the steamers and the electrics Barriers that still exist to a certain extent Handicaps that caused their disappearance in the first place

Blowback, 9/11, and Cover-Ups Rodney Stich, 2005-05-10 Blowback 9 11 and Cover ups is a detailed and documented description of behind the scene misconduct that caused the conditions to exist that enabled terrorists to hijack four airliners on September 11 2001 The author Rodney Stich held a key air safety position with the Federal Aviation Administration and was given the assignment to correct the conditions responsible for the worst series of airline disasters in the nation s history In this position he discovered the culture and misconduct that enabled decades of preventable airline disasters to occur His heroic attempts to expose this deadly misconduct is described in the pages including the cover ups the retaliation seeking to silence him and the deadly consequences Stich had appeared on over 3 000 radio and television shows since 1978 seeking to inform the people of the endemic misconduct in the three branches of government seeking to motivate some to show some degree of outrage which could have changed the culture and to have changed the conditions that led to many airline disasters including those of 9 11
