the state of such historical works The Waste of Sin W. W. Melton,2015-08-22 The parable of the Prodigal Son is made the basis of the discussion found in this little book It is no attempt to spiritualize every word and line of the parable but because the author seemed to see in it the clear outline of a dozen cardinal principles of Christian theology it seemed good to him to set them forth in the relation they bear to each other in the parable Neither is it a series of sermons While such a series was preached from the pulpit of the Seventh and James Street Baptist Church there is no attempt here to reproduce them Neither do we claim to set forth a compendium of theology for there are some vital matters not hinted at in the little passage but it is a brief discussion of the fundamentals found in this the most natural of all stories And as such doctrines as are found here play such a large part in the average life and as they sweep the field from the highest note to the lowest dirge and lead the reader along the trail which many a soul has passed to his ruin it is the plan to point them out in their relation to the parable then to enlarge upon them in a way that will meet the danger or the need of some wanderer along life s path There is no special merit claimed for the little volume but it is sent forth with a prayer that it shall bless some life that a danger signal shall be swung across the path of a reckless or careless one that a light of hope shall be held high for some honest enquirer feeling his way back to God and peace that a call shall be sent out that shall pierce the almost impenetrable chasm of despair and find some soul ready to die and shall plant hope and courage in the heart and turn his eyes back to a God of compassion and mercy W W M Waco Texas *The Prodigal Son Or the Sinner's Guide to God* Michael Müller,2017-08-30 The author of this excellent book *The Prodigal Son or the Sinner s Guide to God* was Michael M ller a priest of the Congregation of the Most Holy Redeemer It is based on the parable of The Prodigal Son Luke 15 11 32 the story of that son that wanted his father s estate to spend it loosely and for that purpose he went on a journey to a distant country far away from his father That story is illustrated in this volume and as its illustrations are but chapters in our own lives it is hoped that their perusal will prove as pleasant as it may be profitable to those prodigal children most deeply concerned in the narrative who have abandoned their Father s household taken up their abode in a strange and far off land squandered their heavenly inheritance and instead of the Bread of Life find their only sustenance in the husks of swine This is the same journey full of difficulties and sorrows that the soul undertakes when it strays away from God from the true religion The soul starts wandering about in darkness and doubt and sinks into blank despair but at last the light of truth flashes upon the mind This book can be this light for the sinner that wants to be guide back to God It is a guide for those who feel lost and abandoned in this world and looking for a light that brings hope and joy to their tired souls For this purpose the author goes deepens in subjects like sin contrition prayer the final judgement heaven and hell **Up From Sin** Len G. Broughton,2016-04-11 There are many lessons to be learned from a careful study of the parable of the prodigal son the fatherhood of God man s proneness to sin and stray away from God the nature and consequences of sin return to God a voluntary act and God s willingness to forgive These points will all consume a portion of our consideration as we proceed **The Prodigal Son** ,1827 **The Penitent Pardon'd, Or, A**

Discourse of the Nature of Sin and the Efficacy of Repentance Under the Parable of the Prodigal Son John Goodman, 1694 The Prodigal Son ... To which is Added a Discourse of Repentance. Eighth Edition John Hayward (D.D.), 1730 The Prodigal Son Georges Chevrot, 2000 The Prodigal Son by Georges Chevrot adds light to one of the most important parables in the New Testament the parable of the prodigal son Brief and succinct in its text its subject is one that provides the foundation for Christian life Repent Be converted Begin again In a straightforward and candid style Georges Chevrot leads the reader into a deeper understanding of this most important lesson A perfect example of how to live real mercy *The Prodigal Son* Ebenezer Platt Rogers, 1862 *The Pursuing Father, the Prodigal Son, and the Pridelful Son* Jason Pfladderer, 2023-02-12 Almost all Christians know the story of the prodigal son The problem is that some might not remember it correctly Jesus told this parable in order to communicate truth about our relationship with God the Father Jesus was being questioned about why He spent much of His time hanging out with sinners To answer this question Jesus told a few parables including the parable of the prodigal son and his return to the pursuing father The truth is that in one sense we are all prodigal sons We all fall short and we all sin Mankind is doomed to fall short As this parable teaches us however that doesn't mean that we can't be saved By reading this parable we learn important truth about the character of God the Father and His Son Jesus so we can learn how to return to our Father too **The Prodigal Son: a Series of Sermons** William Robinson Clark, 1860
