McCusker,2016-02-08 Country music boasts a long tradition of rich contradictory gender dynamics creating a world where Kitty Wells could play the demure housewife and the honky tonk angel simultaneously Dolly Parton could move from traditionalist girl singer to outspoken trans rights advocate and current radio playlists can alternate between the reckless masculinity of bro country and the adolescent girlishness of Taylor Swift In this follow up volume to *A Boy Named Sue* some of the leading authors in the field of country music studies reexamine the place of gender in country music considering the ways country artists and listeners have negotiated gender and sexuality through their music and how gender has shaped the way that music is made and heard In addition to shedding new light on such legends as Wells Parton Loretta Lynn and Charley Pride it traces more recent shifts in gender politics through the performances of such contemporary luminaries as Swift Gretchen Wilson and Blake Shelton The book also explores the intersections of gender race class and nationality in a host of less expected contexts including the prisons of WWII era Texas where the members of the Goree All Girl String Band became the unlikeliest of radio stars the studios and offices of Plantation Records where Jeannie C Riley and Linda Martell challenged the social hierarchies of a changing South in the 1960s and the burgeoning cities of present day Brazil where college country has become one way of negotiating masculinity in an age of economic and social instability **Redneck Country...Black Letter Law** John Russell Smith,2010-07-13 Criminal defense attorney J R Cuttler begins his Sunday with thoughts of flying his airplane around the East Texas area and later watching his Dallas Cowboys play the hated Washington Redskins That thought is shattered in an instant when the local radio station reports the abduction and rapes of a twenty nine year old woman and her twelve year old cousin from the local Walmart parking lot The identity of the victims and the initial allegations as to their assailant would draw Cuttler into a capital murder case that would forever change his life and his practice of law This small deep East Texas town located on the Texas Louisiana border still lives in times we would all like to forget times most of us have fought to forget Therefore when two White women are allegedly abducted beaten raped and sodomized by an uppity young Black man the county digresses into the mindset of Coloreds use back door After his arrest in another jurisdiction Lincoln Johnson is beaten beyond recognition by two deputies returning him to the local jail It is this senseless barbarity that raises Cuttlers ire to the degree that he agrees to represent the accused The development of pre trial tactics the trial and hypnotic conclusion pits modern scientific methodology and old time trial theatrics **Miles to Go** Brennen Matthews,2022-10-01 *Miles to Go* is the story of a family from Africa in search of authentic America along the country s most famous highway Route 66 Traveling the scenic byway from Illinois to California they come across a fascinating assortment of historical landmarks partake in

wife Jan The result is a gruff endearing and remarkably human scale portrait set against the larger than life backdrop of professional wrestling Ross's ascent in WWE mirrors the rise of professional wrestling itself from a DIY sideshow to a billion dollar business Under the Black Hat traces all the highs and lows of that wild ride in which Jim served not only as on air commentator but talent manager payroll master and even occasional in ring foil to threats like Paul Triple H Levesque and Undertaker While his role brought him riches and exposure he had never dreamed of he chafed against the strictures of a fickle corporate culture and what he saw as a narrow vision of what makes great wrestlers and great story lines When suddenly stricken with Bell's palsy a form of facial paralysis that makes it impossible to smile he started down his greatest fear being cast out of the announcing booth for good Picking up where Slobberknocker left off and ending on the cusp of a new career in a reimagined industry Under the Black Hat is the triumphant tale of a country boy who made it to the top took a few knocks and stuck around just where his fans like him Not only being one of the greatest wrestlers of the WWE Ross is also a master storyteller and this book is the perfect forum for his forty years worth of tales Chris Jericho former WWE champion
