SMITH, 2019 Feast of Excess George Cotkin, 2016 Feast of Excess is an engaging and accessible portrait of The New Sensibility as it was named by Susan Sontag in 1965 The New Sensibility sought to push culture in extreme directions either towards stark minimalism or gaudy maximalism Through vignette profiles of prominent figures John Cage Patricia Highsmith Allen Ginsberg Andy Warhol Anne Sexton John Coltrane Bob Dylan Erica Jong and Thomas Pynchon to name a few George Cotkin presents their bold headline grabbing performances and places them within the historical moment **The Quintessential Cat** Roberta Altman, 1995 **Unconquered** J.D. Davis, 2012-05-01 Engaging a biography of three men bound by blood music and a lifelong struggle to strike a balance between the sacred and secular Publishers Weekly Three cousins inseparably bonded through music Each became a star their story would become a legend J D Davis s enthralling new biography of famous cousins Jerry Lee Lewis Jimmy Swaggart and Mickey Gilley born within a twelve month span in small town Louisiana during the Great Depression draws from exhaustive research and personal connections with friends and family Davis recreates the irresistible and life changing power of music that surrounded the cousins as boys and shaped their engagingly distinct paths to fame With three personal journeys set alongside important landmarks in pop culture history Davis presents a unique tale of American music centered on the trials tribulations and achievements of three men who remain truly Unconquered A ForeWord Reviews Book of the Year Award Honorable Mention for Biography This is a good read and not just for the hard core fan It will appeal to anyone interested in the dynamics of rock n roll country music and evangelical Christianity and what happens when the aesthetics and lifestyles of those three worlds collide Highly recommended Library Journal God the devil and everything in between This book is a great representation of the duality plane on which we exist Leon Russell legendary musician Rock and Roll Hall of Fame member Unconquered clearly depicts the fascinating story of three great musical artists who were cousins in

Just Remember This Colin Bratkovich,2014-05-08 I have completed this manuscript *Just Remember This* or as American Pop Singers 1900 1950 about music before the 1950s in America It perhaps offers knowledge and insights not previously found in other musical reference books I have moreover been working on this book very meticulously over the past twelve plus years It started as a bit of fun and gradually became serious as I began to listen along with the vocalists of popular music of the era before 1950 essentially just before the dawn of rock and roll If you can call it that Indeed genre and labeling
