Production Yield of Muon-Induced Neutrons in Lead Holger Kluck,2015-07-28 The work presented in this book is a major step towards understanding and eventually suppressing background in the direct search for dark matter particles scattering off germanium detectors Although the flux of cosmic muons is reduced by many orders of magnitude in underground laboratories the remaining energetic muons induce neutrons through various processes neutrons that can potentially mimic a dark matter signal This thesis describes the measurement of muon induced neutrons over more than 3 years in the Modane underground laboratory The data are complemented by a thorough modeling of the neutron signal using the GEANT4 simulation package demonstrating the appropriateness of this tool to model these rare processes As a result a precise neutron production yield can be presented Thus future underground experiments will be able to reliably model the expected rate of muon induced neutrons making it possible to develop the necessary shielding concept to suppress this background component **Lloyd's Register of Yachts 1979** Lloyd's Register Foundation,1979-01-01 The Lloyd s Register of Yachts was first issued in 1878 and was issued annually until 1980 except during the years 1916 18 and 1940 46 Two supplements containing additions and corrections were also issued annually The Register contains the names details and characters of Yachts classed by the Society together with the particulars of other Yachts which are considered to be of interest illustrates plates of the Flags of Yacht and Sailing Clubs together with a List of Club Officers an illustrated List of the Distinguishing Flags of Yachtsmen a List of the Names and Addresses of Yacht Owners and much other information For more information on the Lloyd s Register of Yachts please click here <https://hec.lrfoundation.org.uk/archive/library/lloyds-register-of-yachts-online> **The Concise Encyclopedia of World War II** Cathal J. Nolan,2010-04-22 A comprehensive and integrated military political and strategic history of World War II ranging from the daily life of conscripts and civilians to operational and strategic decision making at the highest levels Filled with up to date scholarship yet supremely manageable and accessible The Concise Encyclopedia of World War II offers the opportunity to explore a conflict that remains a source of

fascination for scholars students and general readers alike From the battlefields to the corridors of power from the barracks to the home front The Concise Encyclopedia of World War II provides a complete portrait of the war Entries not only address major battles and campaigns but political economic and cultural issues as well plus brief portraits of the conflict s commanding personalities Its global perspective notably corrects the usual Western focus of World War II studies incorporating a wealth of information on often underreported topics such as the Eastern Front and the Sino Japanese War
