Blue Jelly Love Lost And The Lessons Of Canning

Christian G. Meyer

Blue Jelly Love Lost And The Lessons Of Canning:

Blue Jelly Debby Bull,1997-04 Writing in a witty and distinctive voice that mingles the ingredients of canning with the ingredients for recovery Debby Bull relates discovering the cure for a broken heart when she makes jam out of her ex boyfriend s berries and miraculously it turns out right

Kitchen Culture in America Sherrie A. Inness,2015-08-31 At supermarkets across the nation customers waiting in line mostly female flip through magazines displayed at the checkout stand What we find on those magazine racks are countless images of food and in particular women moms preparing lunch for the team college roommates baking together working women whipping up a meal in under an hour dieters happy to find a lowfat ice cream that tastes great In everything from billboards and product packaging to cooking shows movies and even sex guides food has a presence that conveys powerful gender coded messages that shape our society Kitchen Culture in America is a collection of essays that examine how women s roles have been shaped by the principles and practice of consuming and preparing food Exploring popular representations of food and gender in American society from 1895 to 1970 these essays argue that kitchen culture accomplishes more than just passing down cooking skills and well loved recipes from generation to generation Kitchen culture instructs women about how to behave like correctly gendered beings One chapter reveals how juvenile cookbooks a popular genre for over a century have taught boys and girls not only the basics of cooking but also the fine distinctions between their expected roles as grown men and women Several essays illuminate the ways in which food manufacturers have used gender imagery to define women first and foremost as consumers Other essays informed by current debates in the field of material culture investigate how certain commodities like candy which in the early twentieth century was advertised primarily as a feminine pleasure have been culturally constructed The book also takes a look at the complex relationships among food gender class and race or ethnicity as represented for example in the popular Southern black Mammy figure In all of the essays Kitchen Culture in America seeks to show how food serves as a marker of identity in American society

America Fred Setterberg,1999 A portrait of the nation through tales of travelers who have traversed the breadth and depth of America the beautiful

The Bigger the Hair, the Closer to God Sue Buchanan,2007-10-01 For every woman with a big haired lady buried inside them it s time to live large and unleash the authentic person God created you to be Sue Buchanan everybody s favorite cheerleader tells it like it is as she exhorts her beloved readers to look at their life story through a new and different viewfinder come to grips with the past that has shaped them and then with God s help move on to live a more enriched life Sue can relate to women who deal with the difficulties of daily life nasty people weight and image concerns aging God issues and parenting as well as the bigger crises of life hers was surviving breast cancer And yet in the midst of it all Sue reminds readers to take hold of their thinking and give themselves permission to laugh and unleash the cute witty delightful intelligent passionate authentic interesting life of the party person they always dreamed they would be

Women Of Design Bryony Gomez-Palacio,Armin Vit,2008-12-08 This book explores

the work ideals and ventures that have helped define the last fifty years of the graphic design profession Learn about the women who helped establish design s relevance importance and impact Back cover *New Books on Women and Feminism* ,1998 *Communication Arts* ,2002 **Media Review Digest** C.
