Studying God's Word Darrel Trulson, 1993 Book D is an introduction to the main stories and events of the life of Christ

The Gospel According to Mark George Martin, 2005 At the heart of this book is a verse by verse exposition of the New American Bible text of Mark's Gospel Interspersed throughout the text are dozens of short essays giving the social political economic and religious background and questions for reflection Black Lives Matter to Jesus Marcus Jenkins, 2021-10-12 The third evangelist makes Black skinned people central to his claim in Luke and Acts that the gospel of Jesus is restoring the children of God Within Luke's literary environment the identity of the children of God was linked to national ethnic identity Many Jewish texts argued for the Jews position as God's children because they are bound to God by covenant they are God's firstborn But there is also a more general sense within this tradition that all human beings are made in the image of God and are thus the children of God through Adam In the Gospel Luke asserts that all nations and all ethnicities including Israel have questionable filial status vis vis God Both Israel and the nations are restored in status as God's children through Jesus the

Son of God In Acts Luke explores the initial return of Israel and all ethnicities to God through the witness of the church empowered by the Spirit To epitomize the return of all nations to God Luke narrates the salvation of Black skinned Africans These Black lives are emphasized to signify that their representation in the church demonstrates the universal extent to which the salvation of Jesus Christ will reach Their presence in the church is also meant to dignify their Black skin against an aesthetic bias that was prevalent in Greco Roman views at that moment This subversion of ethnographic bias helped Luke s audience sustain a gospel centered critique against the devaluation of Black life *Great Invitations* David

Whitcomb,2016-03-10 Evangelists must be careful to maintain a delicate balance What devout Christian does not long to see sinners converted and brought into the Church It is hard to imagine a person who has been redeemed from the power and penalty of sin not desiring for other needy people to come to same salvation However it is possible for sincere Christians to be so zealous about soul winning that they virtually attempt to force sinners to embrace Jesus Christ as Savior In contrast there are Christians who have been so discouraged by soul winning failures that they have given up trying and are determined to let God save who He will without their help Both of these positions are out of balance and result in failure What does God say about evangelism What part does He play What does He expect His people to do The Bible records many wonderful invitations from God to needy people These invitations offer insight into God s plans and purposes The great invitations of the Bible demonstrate the great grace of God who offers them **God's Poetic Treasure's** Priscilla
