Blue Beyond Blue Extraordinary Tales For Ordinary Dilemmas:

Grimm Legacies Jack Zipes, 2014-11-23 In *Grimm Legacies* esteemed literary scholar Jack Zipes explores the legacy of the Brothers Grimm in Europe and North America from the nineteenth century to the present Zipes reveals how the Grimms came to play a pivotal and unusual role in the evolution of Western folklore and in the history of the most significant cultural genre in the world the fairy tale Folklorists Jacob and Wilhelm Grimm sought to discover and preserve a rich abundance of stories emanating from an oral tradition and encouraged friends colleagues and strangers to gather and share these tales As a result hundreds of thousands of wonderful folk and fairy tales poured into books throughout Europe and have kept coming Zipes looks at the transformation of the Grimms tales into children s literature the Americanization of the tales the Grimm aspects of contemporary tales and the tales utopian impulses He shows that the Grimms were not the first scholars to turn their attention to folk tales but were vital in expanding readership and setting the high standards for folk tale collecting that continue through the current era Zipes concludes with a look at contemporary adaptations of the tales and raises questions about authenticity target audience and consumerism With erudition and verve *Grimm Legacies* examines the lasting universal influence of two brothers and their collected tales on today s storytelling world Relentless Progress Jack Zipes, 2013-02-01 Can fairy tales subvert consumerism Can fantasy and children s literature counter the homogenizing influence of globalization Can storytellers retain their authenticity in the age of consumerism These are some of the critical questions raised by Jack Zipes the celebrated scholar of fairy tales and children s literature In this book Zipes argues that despite a dangerous reconfiguration of children as consumers in the civilizing process children s literature fairy tales and storytelling possess a uniquely powerful even fantastic capacity to resist the relentless progress of negative trends in culture He also argues that these tales and stories may lose their power if they are too diluted by commercialism and merchandising Stories have been used for centuries as a way to teach children and adults how to see the world as well as their place within it In *Relentless Progress* Zipes looks at the surprising ways that stories have influenced people within contemporary culture and vice versa Among the many topics explored here are the dumbing down of books for children the marketing of childhood the changing shape of feminist fairy tales and why American and British children aren t exposed to more non western fairy tales From picture books to graphic novels from children s films to video games from Grimm s fairy tales to the multimedia Harry Potter phenomenon Zipes demonstrates that while children s stories have changed greatly in recent years much about these stories have remained the same despite their contemporary high tech repackaging *Relentless Progress* offers remarkable insight into why classic folklore and fairy tales should remain an important part of the lives of children in today s digital culture **Why Fairy Tales Stick** Jack Zipes, 2013-09-13 In his latest book fairy tales expert Jack Zipes explores the question of why some fairy tales work and others don t why the fairy tale is uniquely capable of getting under the skin of culture and staying there Why in other words fairy tales stick Long an advocate of the fairy tale as a serious genre with wide

social and cultural ramifications Jack Zipes here makes his strongest case for the idea of the fairy tale not just as a collection of stories for children but a profoundly important genre Why Fairy Tales Stick contains two chapters on the history and theory of the genre followed by case studies of famous tales including Cinderella Snow White and Bluebeard followed by a summary chapter on the problematic nature of traditional storytelling in the twenty first century **Playing House** Lauren Slater,2015-07-14 Acclaimed author Lauren Slater ruminates on what it means to be family Lauren Slater s rocky childhood left her cold to the idea of ever creating a family of her own but a husband two dogs two children and three houses later she came around to the challenges trials and unexpected rewards of playing house In these autobiographical pieces Slater presents snapshots of domestic life populating them with the gritty details and jarring realities of sharing home life and body in the curious institution called family She asks difficult questions and probes unsettling truths about sex love and parenting In these pages Slater introduces us to her struggles with her mother her determination to make a home of her own her compromises in deciding to marry her conflicts manifesting as an affair on the eve of her wedding her initial struggle to connect with her newborn child and the dilemmas of mothering with a mental illness She writes openly about her decision to abort her second pregnancy and her later decision to have a second child after all She tells us about the searing decision to have elective double mastectomy and how her love for her husband was magically rekindled after she saw him catch fire in a chemical accident It s not all mastectomies and chemical fires though Slater digs into the everyday challenges of family living from buying a lemon of a car and fighting back menacing weeds to gaining weight and being jealous of the nanny Beautifully written often humorous and always revealing these stories scrutinize the complex questions surrounding family life offering up sometimes uncomfortable truths Elle ,2005-06 *The Oxford Companion to Fairy Tales* Jack Zipes,2015-09-10 In over 1 000 entries this acclaimed Companion covers all aspects of the Western fairy tale tradition from medieval to modern under the guidance of Professor Jack Zipes It provides an authoritative reference source for this complex and captivating genre exploring the tales themselves the writers who wrote and reworked them and the artists who illustrated them It also covers numerous related topics such as the fairy tale and film television art opera ballet the oral tradition music advertising cartoons fantasy literature feminism and stamps First published in 2000 130 new entries have been added to account for recent developments in the field including J K Rowling and Suzanne Collins and new articles on topics such as cognitive criticism and fairy tales digital fairy tales fairy tale blogs and websites and pornography and fairy tales The remaining entries have been revised and updated in consultation with expert contributors This second edition contains beautifully designed feature articles highlighting countries with a strong fairy tale tradition covering Britain and Ireland France Germany Italy Japan North America and Canada Portugal Scandinavian countries Slavic and Baltic countries and Spain It also includes an informative and engaging introduction by the editor which sets the subject in its historical and literary context A detailed and updated bibliography provides information about background literature and further reading material In addition the A to Z

entries are accompanied by over 60 beautiful and carefully selected black and white illustrations Already renowned in its field the second edition of this unique work is an essential companion for anyone interested in fairy tales in literature film and art and for anyone who values the tradition of storytelling New American Essays Conger Beasley,2006 A selection of 20 literary essays originally published in NEW LETTERS magazine of writing and art between 1985 and 2005 Provided by publisher **Mad Muse** Jeffrey Berman,2019-09-03 Many of the well respected scholarly studies of autobiographical writing have little or nothing to say about mental illness This book uncovers the mysterious relationship between mood disorders and creativity through the lives of seven writers demonstrating how mental illness is sometimes the driving force behind creativity Between the Covers Margo Hammond, Ellen Heltzel,2008-11-11 With wit and wisdom the bibliophile s Ebert Roeper recommend more than 600 books based on what women care about most Between the Covers is organized around their wide ranging curiosity about themselves friends and family the larger world and their concerns from health to sex to managing their finances With such sections as Babes We Love Role Models Real and Imagined The Babe Inside Focusing on Body and Soul and Love Sex Second Chances this unique collection of fiction and nonfiction reflects how women really read **Library Journal** Melvil Dewey, Richard Rogers Bowker, L. Pylodet, Charles Ammi Cutter, Bertine Emma Weston, Karl Brown, Helen E. Wessells,2005 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately *The Drugs That Changed Our Minds* Lauren Slater,2018-03-22 The messy history and brave future of psychotropic drugs O Magazine Vivid and thought provoking Harper s Magazine Ambitious Slater s depictions of madness are terrifying and fascinating USA Today Vigorous research and intimate reflection highly compelling Kirkus As our approach to mental illness has oscillated from biological to psychoanalytical and back again so have our treatments With the rise of psychopharmacology an ever increasing number of people throughout the globe are taking a psychotropic drug yet nearly seventy years after doctors first began prescribing them we still don t really know exactly how or why they work or don t work on what ails our brains In *The Drugs that Changed Our Minds* Lauren Slater offers an explosive account not just of the science but of the people inventors detractors and consumers behind our narcotics from the earliest Thorazine and Lithium up through Prozac Ecstasy magic mushrooms the most cutting edge memory drugs and neural implants In so doing she narrates the history of psychiatry itself and illuminates the signature its colourful little capsules have left on millions of brains worldwide and how these wonder drugs may heal us or hurt us *Coach* Andrew Blauner,2007-09-03 Twenty five celebrated writers share the inspiring words and timeless wisdom of the athletic coaches who changed and influenced their lives and pass on the sage advice they received **The Publishers Weekly** ,2005 Library Journal ,2005 **Blue Beyond Blue** Lauren Slater, Stephanie Knowles,2006-08-01 A collection of original fairy tales for adults explores contemporary family dynamics moral conundrums and romantic love as well as the role of stories in providing healing and

illumination Book Review Index ,2006 Every 3rd issue is a quarterly cumulation **American Book Publishing Record** ,2003 **Amazing Tales Volume 177** Mark Clifton,2024-03-18 Prepare to be transported into worlds of wonder and imagination with Amazing Tales Volume 177 a captivating collection that explores themes of individuality societal expectations and the intricate dance of human relationships Each story in this anthology invites you to ponder the delicate balance between order and chaos tradition and innovation and the eternal quest for identity In Mark Clifton s The Kenzie Report enter the eccentric universe of Kenzie MacKenzie whose fascination with ants goes far beyond hobby When Robert Pringle arrives the lab s equilibrium is upended leading to unexpected revelations in this charmingly chaotic tale of obsession and discovery Transitioning from the microscopic to the cosmic Progress Report takes you inside a tense Nevada bunker where the heat is matched only by the mounting pressure on Colonel Jennings and his team As they prepare to launch a pivotal space mission the story captures the global anticipation and the personal stakes of venturing into the unknown From the vastness of space to the confines of a lifeboat A Woman s Place offers a witty exploration of gender roles and identity Miss Kitty s space bound journey alongside two young men reveals the layers of her character through conversations that challenge societal norms and celebrate the resilience of the human spirit Finally in Do Unto Others by The End Hapland Graves finds himself on Capella IV a planet where philosophy reigns supreme and the Golden Rule is the highest law With humor and heart Hapland s misadventures under his Aunt Mattie s stern gaze weave a tale of self discovery and moral contemplation Each story in Amazing Tales Volume 177 invites you to contemplate the complexities of life offering a rich tapestry of narratives that celebrate the diversity of human experience The Washington Post Index ,1989 *Technical Report* ,1979
