military service allowed the Pawnees to fight their tribal enemies with weapons furnished by the United States as well as to resist pressures from the federal government to assimilate them into white society According to the author it was the tribe's martial traditions deeply embedded in their culture that made them successful and allowed them to retain these time honored traditions The Pawnee style of warfare based on stealth and surprise was so effective that the scouts commanding officers did little to discourage their methods Although the scouts proudly wore the blue uniform of the U S Cavalry they never ceased to be Pawnees The Pawnee Battalion was truly a war party in blue **Lottery News** ,2004 Lead On!
