NON-RELIGIOUS THOUGHTS ON CHRISTIAN SPIRITUALITY

Blue Like Jazz

Ben Witherington (III)

Blue Like Jazz:

Blue Like Jazz Donald Miller, 2012-04 Presents a collection of essays that expore the author s experiences and opinions on Christian spirituality *Blue Like Jazz: Movie Edition* Donald Miller, 2012-04-09 The runaway New York Times bestseller that became a cornerstone of Christian nonfiction *Blue Like Jazz* is a fresh and original perspective on life love and redemption I never liked jazz music because jazz music doesn t resolve Sometimes you have to watch somebody love something before you can love it yourself It is as if they are showing you the way I used to not like God because God didn t resolve But that was before any of this happened Donald Miller was raised in a strict Texas denomination where he was only vaguely familiar with a distant God When he grew older he ran all the way to the least religious university in the US Rice College in Portland Oregon Still God pursued him When he came to know Jesus he pursued the Christian life with great zeal However within a few years he had a successful ministry that ultimately left him feeling empty burned out and once again far away from God In this intimate non judgmental and soul searching account Miller describes his remarkable journey with and back to the infinitely loving God helping you discover how the Christian faith is still relevant in a postmodern culture learn how to have a genuine encounter with a God who is real and enjoy a renewed sense of passion for your life *Blue Like Jazz* is a gentle honest resource for those curious about the Christian faith or new to it and offers a fresh and original perspective on life love and redemption **Besides the Bible** Dan Gibson, Jordan Green, John Pattison, 2012-01-04 How do you decide what to read Dan Gibson Jordan Green and John Pattison have created this tool to make your choices easier *Besides the Bible* is a guide to the wide array of great books that they believe every Christian should read the ones that matter to the church and the world **Written Aforetime** David Dunlap, 2008-12-29 **The Routledge Companion to Religion and Popular Culture** John C. Lyden, Eric Michael Mazur, 2015-03-27 Religion and popular culture is a fast growing field that spans a variety of disciplines This volume offers the first real survey of the field to date and provides a guide for the work of future scholars It explores key issues of definition and of methodology religious encounters with popular culture across media material culture and space ranging from videogames and social networks to cooking and kitsch architecture and national monuments representations of religious traditions in the media and popular culture including important non Western spheres such as Bollywood This Companion will serve as an enjoyable and informative resource for students and a stimulus to future scholarly work Jazz Notes , 22 and Single Katie Kiesler, 2012-07-19 My name is Katie and Im twenty two years old and single Some people might say Whats the big deal Youre only twenty two I wish I could confidently reply Its not a big deal Im completely content and loving the single life But I cant This past year ten of my friends got married It was awesome to see them with the person God had so clearly planned for them but it was also hard not to envy their fairytale love stories Did God forget about me 22 Single is simply a collection of journal entries as well as reflective commentary throughout my quest to live a God honoring life in a time of discontentment **Generation Hex** Dillon Burroughs, Marla Alupoai, 2008 Wicca is

America's fastest growing religion By the year 2012 it's projected to be the third largest religion in the United States In Generation Hex Marla Alupoai and Dillon Burroughs explore the history culture and practices of Wicca As part of their research they interviewed travelers to historic Salem Massachusetts consulted practitioners of leading neopagan conferences in the Pacific Northwest and Canada and dialogued with several current and former adherents of Wicca and other forms of witchcraft to evaluate the past and present of this growing spiritual tradition The result is a compelling account that will inform and equip Christians especially parents to understand Wiccan and New Age teachings Readers will have confidence to explain this belief system to others and to communicate the gospel to those caught up in this practice Generation Hex identifies with the spiritual hunger of a generation seeking truth authenticity and hope in a fragmented world It's perfect for personal study or as a gift for anyone interested or involved in Wicca The Deconstructed Church Gerardo Marti, Gladys Ganiel, 2014 The Emerging Church Movement reacts against its roots in conservative evangelicalism by deconstructing contemporary Christianity Drawing on ethnographic observations from emerging congregations pub churches neo monastic communities conferences online networks and interviews in the US UK and Ireland Gerardo Marti and Gladys Ganiel provide a comprehensive social scientific analysis of the development and significance of the ECM **Searching for God Knows What** Don Miller, Donald Miller, 2023-08-22 With equal parts wit and wisdom New York Times bestselling author Donald Miller invites you to reconnect with your faith Miller shares what he's learned firsthand that our relationship with God is designed to teach us about redemption grace healing and so much more Searching for God Knows What weaves together timeless stories and fresh perspectives on the Bible to capture one man's journey to discover an authentic faith that's worth believing Along the way Miller poses his own questions about faith religion and community asking What if the motive behind our theology was relational What if our value exists because God takes pleasure in us What if the gospel of Jesus is an invitation to know God Maybe you're a Christian wondering what faith you signed up for Or maybe you don't believe anything and are daring someone to show you a genuine example of genuine faith Somewhere beyond the self help formulas fancy marketing and easy promises there is a life changing experience with God waiting for you it just takes a little bit of searching Praise for Searching for God Knows What Like a shaken snow globe Donald Miller's newest collection of essays creates a swirl of ideas about the Christian life that eventually crystallize into a lovely landscape He is one of the evangelical book market's most creative writers Christianity Today If you have felt that Jesus is someone you respect and admire but Christianity is something that repels you Searching for God Knows What will give you hope that you still can follow Jesus and be part of a church without the trappings of organized religion Dan Kimball author of The Emerging Church and Pastor of Vintage Faith Church Santa Cruz CA For fans of Blue Like Jazz I doubt you will be disappointed Donald Miller writes with the wit and vulnerability that you expect He perfectly illustrates important themes in a genuine and humorous manner For those who would be reading Miller for the first time this would be a great start Relevant **Imaginatio et Ratio: A Journal of**

Jesusland Joelle Kidd, 2025-08-12 An empathetic funny and sharply critical collection of essays exploring the Christian pop culture of the 2000s and its influence on today's politically powerful evangelicalism Braiding relentless curiosity sharp argument and wry comedy Kidd offers a lucid critique of evangelicalism that is always attentive to and respectful of the mysteries of faith This is cultural criticism at its finest I'll read anything Kidd writes Tajja Isen author of *Some of My Best Friends* In 1999 after three years of secular living in Eastern Europe Joelle Kidd moved back to Canada and was enrolled in the strange world of an evangelical Christian school Immediately she found herself in a strange world of upbeat Christian pop music purity education and desperately trendy Bible redesigns trying to make sense of this unfamiliar preteen cultural landscape In *Jesusland* Joelle writes about the Christian pop culture that she was suddenly immersed in from perky girl bands to modest styling tips and draws connections between this evangelical subculture and the mainstream a tense yet reciprocal relationship that both disavows the secular while employing its media markers But none of this was just about catchy songs every abstinence quiz in a teen magazine was laying the foundation for what would become a conservative Christian movement that threatens women's healthcare attacks queer and trans rights and drives present day political division Through nine incisive honest and emotional essays *Jesusland* exposes the pop cultural machinations of evangelicalism while giving voice to aughts era Christian children and teens who are now adults looking back at their time measuring the length of their skirts and asking each other if their celebrity crush was Christian enough With care and generosity *Jesusland* shows us how the conservative evangelical movement became the global power it is today by exploring the pop culture that both reflected and shaped an entire generation of young people

Branded Faith Rajkumar Dixit, 2010-06-07 Christianity may be the greatest story ever told but in Western culture it is losing ground against the powerful forces of secularization In examining the root causes of this cultural shift does the church have anything to learn from secular society and the business sector For decades the church has resisted the idea of using business methodologies in the religious sphere Yet a closer look reveals that most church hierarchies have borrowed much of their organizational structure from the business sector But the church is not alone in its borrowing Today the lines between the church and the business sector are blurred as both entities influence each other interchangeably In *Branded Faith* Rajkumar Dixit enters an engaging and intellectually stimulating analysis of what the church can learn from the business practices of marketing branding and contextualization Using examples drawn from

widely recognized companies such as Nike Starbucks Coca Cola and Subway Dixit systematically builds a case for the power of a story and emphasizes the importance of seeking culturally relevant ways to spread it Those who care deeply about sharing Christianity powerfully and effectively will find in Branded Faith a thoughtful presentation of ideas on how to maintain the integrity of the gospel while exploring fresh methods of communicating the good news to a postmodern society

The Living Word of God Ben Witherington (III),2007 A provocative examination of the Bible in Christian tradition and contemporary culture **The Pastor's Bookshelf** Austin Carty,2022-04-05 Preaching Magazine Book of the Year 2022 Hearts Minds Best Books List 2022 Christianity Today Award of Merit in Church Pastoral Leadership 2023 It s time to give pastors permission to read books besides the Bible Six months into his first senior pastorate Austin Carty sat in his office reading not the Bible not a commentary not a theological tract but a novel by Fyodor Dostoevsky As the minutes turned to hours while he sat engrossed in this book he noticed something he began feeling uneasy And then anxious And then guilty What would someone think if they opened the door and caught him reading fiction For busy pastors is there any other kind time spent reading feels hard to justify especially when it s not for sermon prep But what if reading felt less like a luxury and more like a vocational responsibility a spiritual practice that bears fruit in every aspect of ministry from preaching to pastoral care to church leadership Austin Carty believes that this is exactly how pastors ought to think about reading The Pastor s Bookshelf shows how worthwhile reading is more about formation than information and how through reading a pastor becomes a fuller more enriched human being with a deeper capacity for wisdom and love better equipped to understand and work for God s kingdom **American Guy** Saul Levmore,Martha Craven Nussbaum,2014 This text examines American norms of masculinity and their role in the law with essays from legal academics literary scholars and judges Together these papers reinvigorate the law and literature movement by bringing a range of methodological and disciplinary perspectives to bear on the complex interactions of masculinity with both law and literature ultimately shedding light on all three
