My Criminal Memoir Louis Shalako, They say confession is good for the soul The author wouldn't know too much about that but there is such a thing as the Mirror of Eternal Truth where much may be revealed and much may be concealed and much may be left out An atheist doesn't actually have a soul but the principle remains the same The world's longest written confession My Criminal Memoir is not exactly an

apology It s not exactly an explanation It may be an act of contrition Consider it more of an acknowledgement a romp down memory lane as much as it is a history lesson Louis Shalako has made his peace with the Universe as he heads on to the next phase of his life
