**The Masters and Their Retreats** Marl L. Prophet, Elizabeth Clare Prophet, 2020-08-28 The great lights who have come out of all the world's spiritual traditions and graduated from earth's schoolroom have become widely known as masters They demonstrate that in the world of Spirit there is no division of race religion or philosophy there is simply oneness ineffable sweetness and love What is not so widely known is that these great masters have retreats temples and cities of light in the heaven world where we can go in spiritual meditation and while our bodies sleep at night In this comprehensive work Mark and Elizabeth Prophet talk about these great masters the stories of their lives and their magnificent spiritual retreats *The Retreat* Sherri Smith, 2025-09-23 Sherri Smith illuminates the dark side of the self care and wellness industry in a thrilling ride of revenge perfect for fans of Liane Moriarty's *Nine Perfect Strangers* The Retreat is a twisting bone chilling suspense that asks how well do you really know your friends Four women Four secrets A weekend that will change them forever if they survive Katie Manning was a beloved child star until her mid teens when her manager attacked and permanently scarred her face effectively ending her career and sending her on a path of all too familiar post Hollywood self destruction Now twenty seven Katie wants a better answer to those clickbait Where Are They Now articles that float around online An answer she hopes to find when her brother's too good to be true fiancé invites her to a wellness retreat upstate Together with Katie's two best friends one struggling with crippling debt and family obligations one running away from a failed job and relationship Katie will try to find the inner peace promised at the tranquil retreat But finding oneself just might dredge up more memories than Katie is prepared to deal with Each woman has come to the retreat for different reasons Each has her secrets to hide And at the end of this weekend only one will be left standing At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **Bali**, 2005 **Chaos and Retreat** Warwick Gibson, 2025-07-09 A sprawling epic across a number of alien races and planets each book is over 130k words in length A vastly superior alien race boils out of the galactic core bent on expansion into Human and Sumerian space Giant sun ships annihilate everything thrown against them Only Regent Cordez of the SouthAm trading block has any plans to stop the invaders He ferries in the agile minds of the Mersa from a previously isolated quarantine planet and makes contact with the Druani an ancient and elusive race that inhabits the fringes of the galaxy Cordez research teams leap generations in months to find the technology they need working out of the giant Prometheus base on one of the moons of Neptune But still the people of Earth are forced back until their planet is on fire from end to end until Prometheus discovers that humanity's ideas about its origins are all wrong It is the ultimate shock and the new beginning they need This book was first published at Amazon until their author support did crazy things once too often It had an average rating of 4.45/5 from 83 reviews when I unpublished all books at Amazon in early 2025 *Youth Retreats for Any Schedule* Maryann Hakowski, 2007 Retreats offer young people an opportunity to learn more about themselves build relationships with others and grow in their relationship with God Retreats
