The True Story of Catch-22 Patricia Chapman Meder, 2012-08-21 The real life companion to the literary classic written and illustrated by the daughter of the 340th Bomb Group s commander Catch 22 s Col Cathcart After the publication of his bestselling novel Catch 22 Joseph Heller usually chose to deny that any of his richly drawn characters were based on his actual war mates However to those who served with Heller in the 340th Bomb Group the novel s characters were indeed recognizable the hard drinking vengeful and disillusioned Chief White Halfoat young sliced in half Kid Sampson shrieking frenzied Hungry Joe Col Cathcart Gen Dreedle Yossarian and that capitalist supreme Milo Minderbinder In this book written and colorfully illustrated by the daughter of the 340th Bomb Group s commander Col Willis Chapman we finally encounter the real men and combat missions on which the novel was based While Heller s fully developed characters stand solely solidly

and uniquely on their own merits The True Story of Catch 22 proves that any resemblance to persons living or dead is in fact actual This three part book blends fact fancy and history with full blown original illustrations and rare previously unpublished photos of these daring USAAF flyers and their Corsica based B 25 Mitchell Along with descriptions of the 340th s real wartime experiences the work includes twelve men of the Bomb Group relating richly told tales of their own In these pages it is a great pleasure to finally see the real story behind the fictionalized account and to be even more impressed Scott Carpenter NASA astronaut Heller s satiric caricatures are here shown to have stemmed from patriotic courageous highly decorated airmen who daily performed heroic wartime feats against overwhelming obstacles Library Journal

The Queen's Cadet and Other Tales James Grant,1874 **The Queen's Cadet** James Grant,1877 **The Queen's cadet, and other tales** James Grant,2023-07-10 In The Queen s Cadet and Other Tales James Grant crafts a vivid collection of narratives that delve into themes of loyalty adventure and the complexities of royal duty The stories are imbued with richly drawn characters and a keen sense of historical authenticity set against the backdrop of 19th century British society Grant s literary style combines romanticism with realism allowing readers to engage with the emotional depths of each protagonist while navigating the intricate webs of backstories entwined with the era s sociopolitical fabric making the collection both entertaining and thought provoking James Grant a Scottish author born in 1822 was deeply influenced by his experiences as a soldier and his interest in the British aristocracy His extensive travels and interactions with military life and nobility fueled his imagination and insight into the lives of those who serve under royalty This intrusion into both the romanticized and harsh realities of duty provides a nuanced perspective that resonates throughout the tales reflecting Grant s mastery of character development and situational irony I highly recommend The Queen s Cadet and Other Tales for readers who appreciate historical fiction rich in intrigue and character study This collection invites one to explore the profound implications of loyalty and sacrifice ensuring an engaging reading experience that lingers in the mind long after the final page
