Sayyed,2019-07-23 There is no doubt that the events of 12 March 1993 which took place at Bombay were the ghastliest of events It is also wrong to directly connect the events of 12 March 1993 with the demolition of Babri Masjid on 06 December 1992 The events of 12 March 1993 took place only because of the partial treatment meted out to the Muslims of Bombay by the State during the riots which took place after the demolition of the Babri Masjid on 06 December 1992 In the name of investigations of the 12 March 1993 case the entire community was targeted We Indians were made to believe that the accused from 12 March 1993 were dealt with justice Being associated with the case as an accused made me wonder as to how the judiciary did all these things while delivering justice I would not have found all these wonders had I got a job as an Islamic Finance Consultant but for the need of a passport as it was outside of India Passports were granted by the State even to those who stood convicted in the same case for far more serious charges than mine I took it to be the desire of the Supreme Power to narrate the injustice done in this case **The Imperial and Asiatic Quarterly Review and Oriental**
