## **Bonanza Rich Lifestyles Of The Western Mining Entrepreneurs:**

**Bonanza Rich** Richard H. Peterson,1991      The Global Life of Mines Antonio Maria Pusceddu,Filippo M. Zerilli,2024-07-01 Resource extraction exists in diverse settings across the world and is carried out through different practices The Global Life of Mines provides a comprehensive framework examining the spatial and temporal relationships between mining and postmining as interrelated and coexisting features within the global minescape The book brings together scholars from various fields such as anthropology geography sociology and political science examining ethnographic case studies throughout the Americas Bolivia Brazil Peru USA Africa Democratic Republic of Congo and Europe Italy Arctic Norway and Spain      *Mining Tycoons in the Age of Empire, 1870-1945* Raymond E. Dumett,2016-12-05 The years of the late nineteenth and early twentieth centuries aptly described by Mark Twain as the Gilded Age witnessed an unprecedented level of technological change material excess untrammled pursuit of profit and imperial expansion Within this dynamic and often ruthless environment many colorful characters strode across the world stage among them the great mining tycoons who with the thousands of prospectors diggers shift bosses timbermen blastmen and muckers in mining enterprise constituted one of the major spearheads of global capitalistic expansion and colonial exploitation This volume which carries the epic story to the mid twentieth century provides a truly international perspective on the role of mining entrepreneurs investors and engineers in shaping the economic and political map of the globe in testing management techniques and in setting a vogue for extravagant displays of wealth among the world s rich Each chapter is loosely focussed on a biographical account of a particular mining tycoon that allows for broad and comparative accounts to be made about the individuals their business interests the technologies they employed and the national and international political considerations under which they operated Furthermore this structure also allows for consideration of the effect that these tycoons had on the countries and territories in which they worked particularly the often long lasting impact on indigenous populations the environment transport links and economic development By approaching the subject matter through this stimulating mix of cultural social economic business and colonial history many intriguing and thought provoking conclusions are reached that will reward any scholars with an interest late nineteenth and early twentieth century history      **A Companion to the Literature and Culture of the American West** Nicolas S. Witschi,2014-02-03 A Companion to the Literature and Culture of the American West presents a series of essays that explore the historic and contemporary cultural expressions rooted in America s western states Offers a comprehensive approach to the wide range of cultural expressions originating in the west Focuses on the intersections complexities and challenges found within and between the different historical and cultural groups that define the west s various distinctive regions Addresses traditionally familiar icons and ideas about the west such as cowboys wide open spaces and violence and their intersections with urbanization and other regional complexities Features essays written by many of the leading scholars in western American cultural studies      **Phoebe Apperson Hearst** Alexandra M.

Nickliss,2018-05 In *Phoebe Apperson Hearst A Life in Power and Politics* Alexandra M Nickliss offers the first biography of one of the Gilded Age's most prominent and powerful women A financial manager businesswoman and reformer Phoebe Apperson Hearst was one of the wealthiest and most influential women of the era and a philanthropist almost without rival in the San Francisco Bay Area Hearst was born into a humble middle class family in rural Missouri in 1842 yet she died a powerful member of society's urban elite in 1919 Most people know her as the mother of William Randolph Hearst the famed newspaper mogul and as the wife of George Hearst a mining tycoon and U S senator By age forty eight however Hearst had come to control her husband's extravagant wealth after his death She shepherded the fortune of the family estate until her own death demonstrating her intelligence and skill as a financial manager Hearst supported a number of significant urban reforms in the Bay Area across the country and around the world giving much of her wealth to organizations supporting children health reform women's rights and well being higher education municipal policy formation progressive voluntary associations and urban architecture and design among other endeavors She worked to exert her ideas and implement plans regarding the burgeoning Progressive movement and was the first female regent of the University of California which later became one of the world's leading research institutions Hearst held other prominent positions as the first president of the Century Club of San Francisco first treasurer of the General Federation of Woman's Clubs first vice president of the National Congress of Mothers president of the Columbian Kindergarten Association and head of the Woman's Board of the Panama Pacific International Exposition Phoebe Apperson Hearst tells the story of Hearst's world and examines the opportunities and challenges that she faced as she navigated local national and international corridors of influence rendering a penetrating portrait of a powerful and often contradictory woman      *Precious Dust* Paula Mitchell Marks,1998-04-01 Material culled from letters diaries and other firsthand accounts reconstructs the experiences of people involved in the Gold Rush showing not only what propelled them westward but how they met the challenges of their journey      **Encyclopedia of American Social Movements** Immanuel Ness,2015-07-17 This four volume set examines every social movement in American history from the great struggles for abolition civil rights and women's equality to the more specific quests for prohibition consumer safety unemployment insurance and global justice      *Saving Europe* Tammy M. Proctor,2025 *Saving Europe* offers a transnational and intersectional history of American intervention in Europe between 1914 and 1924 a period when the United States simultaneously tightened its borders and expanded its reach I argue that in the crucial decade following the outbreak of World War I Americans saw themselves in a novel role abroad as protectors of European cultural heritage and as rescuers of vulnerable populations This experience had important long term implications for later US and United Nations humanitarian aid programs      *Mining the American West* David J. Whittaker,British Library,1996 This bibliography provides a basic guide to the printed materials on this important topic in American history as reflected in the holdings of the British Library Preface      **The Roar and the Silence** Ronald M. James,2012-05-30 Nevada's Comstock Mining District has been

the focus of legend since it first burst into international prominence in the late 1850s and its principal settlement Virginia City endures in the popular mind as the West's quintessential mining camp But the authentic history of the Comstock is far more complex and interesting than its colorful image Contrary to legend Virginia City spent only its first few years as a ramshackle mining camp The mining boom quickly turned it into a thriving urban center at its peak one of the largest cities west of the Mississippi replete with most of the amenities of any large city of its time The lure of the area's fabulous wealth attracted a remarkably heterogeneous population from around the world and offered employment to dozens of trades and thousands of people both men and women representing every one of the region's diverse ethnic groups Ronald James's brilliant account of the Comstock's long and eventful history the first comprehensive study of the subject in over a century examines every aspect of the region and employs information gleaned from hundreds of written sources interviews archeological research computer analysis folklore gender studies physical geography and architectural and art history as well as over fifty rare photographs many of them previously unpublished *Bibliographic Index*, 1994 **Capital Elites** Kathryn Allamong Jacob, 1995 *Southern California Quarterly*, 1993 **CURRENT CONTENTS: Arts & Humanities -- Volume 15, Number 6, March 15, 1993.**, 1993 *Essays and Monographs in Colorado History*, 1983 *Essays in Colorado History*, 1995 *Colorado, a History of the Centennial State* Carl Abbott, Stephen J.
