A Financial Bestiary Ramin Charles Nakisa, 2010-09 This is an applied book using the bare minimum of mathematics to give a good understanding of finance It is ideal for people just starting out in their financial career or those who have some financial experience who want to broaden and refresh their knowledge A bestiary was a medieval book containing pictures and descriptions of mythical beasts each with its own moral tale to edify the reader This is a bestiary of finance and as such starts with a picture book of jobs and traded instruments in finance Then the Foundations section sets out the broad picture of who does what and why in financial markets Finally there are detailed chapters on financial instruments grouped into sections on Fixed Income Credit and Forwards Futures and Options The book contains many figures and fully worked exercises to clarify the concepts **Investment Industry Claims Debunked** Robert P. Kurshan, 2021-11-29 This book is

for people who want to know what to do with the money they save so that it's there when they need it to buy a home pay for college etc but also grows enough so they don't outlive it The investment industry is fixated on the importance of maintaining a balance of stocks and bonds shifting to more bonds as one ages This book challenges this belief by arguing that what's actually important is to have just enough bonds and cash to support spending needs from a stable source and to replenish these through the sale of stocks at propitious times when the stock market is not depressed It features simple mathematical calculations an explanation of basic financial objects like stocks bonds ladders CDs ETFs or annuities a discussion of how to evaluate financial risk examinations of insurance fraud deterrence dollar cost averaging benefits of a mortgage risks of a pension and general advice about healthcare Although the book is written to be accessible to those with little or no prior knowledge of finance the studies and conclusions presented here benefit a multitude of financial investors *Kiplinger's*
