**Procreation** Steven Schafer,2019-09-09 The contemporary church s debate on the inclusion of same sex individuals and their relationships has devolved into diametrically opposed positions Rather than resolving the argument the conversation between the two sides reflects the impasse that is taking place in denominations across the West It is clear that the dispute cannot be resolved while couched in these terms In this timely work Steven Schafer invites the reader to move beyond the terms of the current debate toward the underlying doctrinal concerns so often glossed over by that discussion This book is a work of hermeneutics that engages the contemporary discussion on the legitimacy of same sex relationships with the grand theological narrative handed down by the church By placing four contemporary revisionists in dialogue with the work of Augustine the book provides language and theological avenues to reframe the debate and contributes to the church s ongoing discernment A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: Saint Augustine:

**Anti-Pelagian Writings** Philip Schaff,2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume V of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will discover Saint Augustines rebuke of Pelagianism This doctrine undermined Augustines beliefs because it claimed that original sin did not exist Since there was no original sin humans were saved or lost based solely on their own will This further meant that Jesus while a great teacher and model human being did not die to save humanity negating a large portion of Christian doctrine Augustine believed that salvation was available only by the grace of God working in conjunction with mans decision to live a good life Spiritual seekers and students of history will find this work a thorough defense of Catholic theology Shakespeare's Religious Language R. Chris Hassel Jr.,2015-03-26 Religious issues and discourse are key to an understanding of

Shakespeare's plays and poems This dictionary discusses over 1000 words and names in Shakespeare's works that have a religious connotation Its unique word by word approach allows equal consideration of the full nuance of each of these words from abbe to zeal It also gradually reveals the persistence the variety and the sophistication of Shakespeare's religious usage Frequent attention is given to the prominence of Reformation controversy in these words and to Shakespeare's often ingenious and playful metaphoric usage of them Theological commonplaces assume a major place in the dictionary as do overt references to biblical figures biblical stories and biblical place names biblical allusions church figures and saints

*The Future of Christian Marriage among the Igbo vis-a-vis Childlessness* Augustus Chukwuma Izekwe,2015-08-06  
Marriage was ordained by God for the good of spouses and for procreation But how often does marriage turn out to bring unhappiness to partners And how often do even happy marriages end up childless Among the Igbo of South eastern Nigeria to whom offspring is the chief goal of marriage childlessness leads often to unhappiness in marriage and not less often to the break up of marriages or to polygamy In this work the author expounds the importance of marriage and its practice among the Igbo He explains the importance of children in Igbo understanding of marriage and identifies childlessness as the key factor which could endanger and sometimes do endanger the Igbo acceptance of the Catholic doctrine of the indissolubility of marriage Using the relevant clauses of the Code of Canon Law the author explains in detail the Catholic understanding of marriage and the goals of the catholic doctrine on marriage He writes of the possibility of marriage impediments due to impotence and sterility that lead to childlessness and recommends not only a thorough pre marriage preparation but also a continual formation of marriage couples as efforts that could check the increasing rate of divorce and polygamy due to childlessness But the author knows that childlessness can still occur despite all precautions He therefore recommends adoption instead of polygamy as the ultimate panacea to childlessness in marriage The author condemns in unmistakable terms the mentality among the Igbo which blames and traumatizes the woman in cases of childlessness      **The Doctrine and Law of Marriage, Adultery, and Divorce;** Hector Davies Morgan,1826
