The Book of Ezekiel, Chapters 25-48 Daniel I. Block, 1998-06-19 This work completes Daniel Block s two volume commentary on the book of Ezekiel The result of twelve years of studying this difficult section of Scripture this volume like the one on chapters 1 24 provides an excellent discussion of the background of Ezekiel and offers a verse by verse exposition that makes clear the message of this obscure and often misunderstood prophet Block also shows that Ezekiel's ancient wisdom and vision are still very much needed as we enter the twenty first century The book of Ezekiel, chapters 25-48 **Ezekiel: Chapters 25-48** Walther Zimmerli,1979 The Book of Ezekiel, Chapters 1 24 Daniel I. BLOCK, 1998 Daniel I. Block, 1997-08-26 Block s work on the Book of Ezekiel is part of The New International Commentary on the Old Testament This commentary devotes considerable care to achieving a balance between technical information and homiletic devotional interpretation **Ezekiel the Priest** Terry J. Betts, 2005 As one of the most significant figures in ancient Israel the priest had numerous responsibilities the most important of which was the exposition of the Mosaic T r The ministry of Ezekiel a prophetic priest offers a glimpse of how one priest carried out his duties as a custodian of T r Ezekiel the Priest provides the possibility of a deeper understanding of the pastoral ministry of priests as teachers of God's word during Old Testament times through the example of one ancient Israelite priest The Oxford Handbook of Ezekiel Corrine Carvalho, 2023 The current state of scholarship on the book of Ezekiel one of the three Major Prophets is robust Ezekiel unlike most pre exilic prophetic collections contains overt clues that its primary circulation was as a literary text and not a collection of oral speeches The author was highly educated the theology of the book is dim and its view of humanity is overwhelmingly negative In The Oxford Handbook of Ezekiel editor Corrine Carvalho brings together scholars from a diverse range of interpretive perspectives to explore one of the Bible's most debated books Consisting of twenty seven essays the Handbook provides introductions to the major trends in the scholarship of Ezekiel covering its history current state and emerging directions After an introductory overview of these trends each essay discusses an important element in the scholarly engagement with the book Several essays discuss the history of the text its historical context redactional layers text criticism and use of other Israelite and near eastern traditions Others focus on key themes in the book such as temple priesthood law and politics while still others look at the book s reception history and contextual interpretations including art Christian use gender approaches postcolonial approaches and trauma theory Taken together these essays demonstrate the vibrancy of Ezekiel research in the twenty first century The Book of Ezekiel, Chapters 1 24 Daniel I. Block, 1997-08-26 A study of the first half of the biblical book of Ezekiel with commentary on what his message could mean for the church in the Ezekiel (Catholic Commentary on Sacred Scripture) Daniel A. Keating, 2024-08-20 The 17 New twentieth century Testament volumes in the Catholic Commentary on Sacred Scripture series have been widely acclaimed The series now expands to include readable Old Testament commentaries that integrate the best of contemporary biblical scholarship with

the traditional understanding of the Old Testament books as prophesying and prefiguring Christ Written from a standpoint of faith in the Holy Spirit's inspiration of Scripture CCSS Old Testament commentaries are designed for preaching teaching and applying Scripture to Christian life today Accessibly written yet substantive they include quotes from Church documents Church Fathers and saints and are packed with features that make them particularly useful to those doing ministry in Catholic parishes General editors for the series are Mary Healy Sacred Heart Major Seminary Mark Giszczak Augustine Institute and Peter S Williamson Sacred Heart Major Seminary <u>Visualising the Vision</u> Konstantin Stijkel, 2024-06-24 In Visualizing the Vision the author presents a detailed analysis of Ezekiel's temple vision from an architectural linguistic and historical approach The study demonstrates that the vision was not meant as a building instruction but as a sign of hope for the exiles in Babylon showing the temple as it will be built in a distant future when it will never again be defiled and the Glory of the Lord will return to His house forever The author takes the reader on a fascinating journey through the description of the vision s temple and provides architectural drawings of its possible construction situating these within the Transforming Visions Michael A Lyons, William A larger framework of Ancient Near Eastern building styles Tooman, 2011-08-25 This volume includes nine essays that move Ezekiel's creative reuse of older materials to the foreground of discussion The essays highlight the transformation of earlier texts traditions and theology in Ezekiel They explore the diverse ways that Ezekiel reshapes Israel s legal texts rituals oracles against foreign nations royal ideology conception of the individual remembrance of the past and hope for the future The work concludes by noting the subsequent transformation of The Origins of Pauline Pneumatology Finny Philip.2005 Ezekiel inscribal transmission and in the New Testament Finny Philip inquires into Paul's initial thoughts on the Holy Spirit Paul's conviction that he was called to be an apostle to the Gentiles and that God bestowed the Spirit upon the Gentiles apart from Torah obedience is the basis for any inquiry on this subject Central to Philip's argument is Paul's conviction that God graciously endowed his Gentile converts with the gift of the Spirit an understanding that is rooted primarily in his conversion experience and secondarily in his experience with and as a missionary of the Hellenistic community in Antioch In examining the range of expectations of the Spirit that were present in both Hebrew scripture and in the wider Jewish literature the author comes to the conclusion that such a concept is rare and that it is usually the covenant community to which the promise of the Spirit is given Furthermore Paul s own pre Christian convictions about the Spirit a result of his own self perception as a Pharisee and persecutor of the church display continuity between his thought patterns and those of Second Temple Judaism Paul s Damascus experience was an experience of the Spirit His experience of the glory of God in the face of Jesus Christ 2 Cor 3 1 4 6 provided him with the belief that there was now a new relationship with God which was possible through the sphere of the Spirit In addition Paul was influenced by the Hellenists whose theological beliefs included the perception of the church as the eschatological temple in which the Spirit of God is the manifest presence of God It is in these notions that one may trace the origins of Paul's thoughts on the Holy Spirit

**Seeing the Unseen** Florian Förg,2020 Vision reports occupy large space in the Book of Ezekiel and the texts put special emphasis on the details of receiving a vision In Thailand Buddhist monks or Hindu priests also have seen visions Mediums travel to distant places in visions and meet with spirits Christian churches set goals for the future and call them visions This study takes a closer look at visions both in the Book of Ezekiel and in the Thai context by focusing on the Thai translation of Hebrew terms for visions Besides that it compares the Hebrew concepts behind visions with the Thai understanding

**Tradition in Transition** Mark J. Boda, Michael Floyd, 2008-10-15 This book is an investigation of innovative uses of the Hebrew tradition in the early Persian period as represented by the prophetic corpora of Haggai and Zechariah 18 **Prophecy That Is Shaping History** Jon Mark Ruthven, Jon Ruthven, 2003 Millions of Jews Christians and Muslims believe that a 2 500 year old prophecy is about to be fulfilled a global apocalyptic jihad of many nations against the tiny state of Israel whose recent re emergence in its traditional land has sparked unrelenting rage and attack Repeated resolutions passed in the United Nations reflect world wide and nearly unanimous hostility against the so called Zionist entityeven to the point of denying its right to exist Most news media and political analysts seem unaware of the ancient prophecy that not only predicts this apocalyptic war but also amazingly how this prophecy by Ezekiel chapters 3644 provides the scenario for numerous best selling books in both the English speaking and Muslim worlds These best sellers not only describe this great conflagration but actually also motivate their readers to prepare for it The Prophecy That Is Shaping History represents a major advance in research and scholarship in examining the historical and contemporary impact of Ezekiel's prophecy on world events This academic monograph also offers a wealth of new evidence in tracing the identities origins and ultimate destinies of the key nations of Ezekiel's prophecy who are seen to participate in what millions believe will be the most horrific battle the world will ever witness Traditions at Odds John H. Choi, 2010-09-02 Explores the Pentateuch's literary influence on other biblical texts **Spirit and Reason** Dale Launderville, 2007 Ezekiel's symbolic thinking is an integrative rationality in which reason is regarded as operating within the heart through the empowerment and guidance of the Spirit

Ezekiel in Context Brian Neil Peterson, 2012-05-03 One of the most perplexing and misunderstood books of the Bible Ezekiel has left many scholars and exegetes scratching their heads regarding its message coherency and interpretation Brian Peterson s look at the book of Ezekiel as a unified whole set within an exilic context helps explain some of the more difficult symbolic aspects in the book and makes Ezekiel as a whole more intelligible Drawing on ancient Near Eastern concepts and motifs such as covenant and treaty curses the various gods that made up the Babylonian pantheon and the position that Israel held as the people of Yahweh Peterson enlightens readers by showing that Ezekiel can only be understood in its original context By placing the book first in its historical context Peterson demonstrates how the original hearers of its message would have understood it and how this message can be appreciated and applied by people today as well \*\*Literary Structure and Setting in Ezekiel\*\* Tyler D. California 2009 <u>Blood Ritual in the Hebrew Bible</u> William K. Gilders,2004-11-23 Publisher Description <u>Before the Scrolls</u> Nathan Mastnjak,2023 Before the Scrolls argues that books of the Bible were not originally books or even single continuous book scrolls Instead important works of the Hebrew Bible were originally archives or libraries that later scribes rendered onto single volume book scrolls By tracing the material history of the prophetic books of the Hebrew Bible Before the Scrolls gives a detailed insight into these processes and demonstrates how profoundly the transcription of archives into books transformed the biblical literature
