The Tao of Dad Taro Gold, 2006-03 The Tao of Dad celebrates the nobility and courage of men the leaders the thinkers the teachers and the soldiers who shape our world today Real words about real life show us how we can be wiser and happier when we open our hearts and minds Taro Gold The Tao of Dad Author Taro Gold's life has been enriched by the guidance and comradeship of many great dads from his father and stepfather to his grandpa and great grandpa The Tao of Dad is a

fountain of insightful gems inspired by these men and many more dads around the world and across the ages Illustrated with bold and stunning watercolor art this compendium of wise words offers important lessons and hope filled visions from both Eastern and Western dads Physical force is temporary as the body is transitory But spiritual power is permanent as the spirit is everlasting Mahatma Gandhi Peace like charity begins at home Franklin D Roosevelt A day without laughter is a day wasted Grandpa The Chinese word tao means way and implies teachings or wisdom making The Tao of Dad the way to great wise fathers With more than 400 uplifting and thought provoking quotes with Eastern sensibilities The Tao of Dad will remind readers of the cherished moments important lessons and forward looking visions that they have shared with the dads in their lives

Wisdom of Our Fathers Tim Russert, 2006-05-23 What does it really mean to be a good father What did your father tell you that has stayed with you throughout your life Was there a lesson from him a story or a moment that helped to make you who you are Is there a special memory that makes you smile when you least expect it After the publication of Tim Russert's number one New York Times bestseller about his father Big Russ Me he received an avalanche of letters from daughters and sons who wanted to tell him about their own fathers most of whom were not superdads or heroes but ordinary men who were remembered and cherished for some of their best moments of advice tenderness strength honor discipline and occasional eccentricity Most of these daughters and sons were eager to express the gratitude they had carried with them through the years Others wanted to share lessons and memories and most important pass them down to their own children This book is for all fathers young or old who can learn from the men in these pages how to get it right and to understand that sometimes it is the little gestures that can make the big difference for your child For some in this book the appreciation came later than they would have liked But as Wisdom of Our Fathers reminds us it is never too late to embrace it From the father who coached his daughter in sports and life attending every meet game performance and tournament to the daughter who after a fifteen year estrangement learned to make peace with her difficult father just before he died to the son who came at last to appreciate the silent way his father could show affection Wisdom of Our Fathers shares rewarding lessons immeasurable gifts and lasting values Heartfelt humorous engaging irresistibly readable and bound to bring back memories of unforgettable moments with our own fathers Tim Russert's new book is not only a fitting companion to his own marvelous memoir but also a celebration of the positive qualities passed down from generation to generation

Augustine: On the Trinity Books 8-15

Saint Augustine (of Hippo), Agustín (Santo, Obispo de Hipona.), 2002-07-04 An appropriate motto for Augustine's great work *On the Trinity* is faith in search of understanding In this treatise Augustine offers a part theological part philosophical account of how God might be understood in analogy to the human mind *On the Trinity* can be fairly described as the first modern philosophy of mind it is the first work in philosophy to recognize the problem of other minds and the first to offer the argument from analogy as a response to that problem Other subjects that it discusses include the nature of the mind and the nature of the body the doctrine of illumination and thinking as inner speech This volume presents the philosophical section of the work and in a historical and philosophical introduction Gareth Matthews places Augustine's arguments in context and assesses their influence on later thinkers [The Book of Proverbs, Chapters 1-15](#) Bruce K. Waltke, 2004-10-14 Over twenty five years in the making this much anticipated commentary promises to be the standard study of Proverbs for years to come Written by eminent Old Testament scholar Bruce Waltke this two volume commentary is unquestionably the most comprehensive work on Proverbs available Grounded in the new literary criticism that has so strengthened biblical interpretation of late Waltke's commentary on Proverbs demonstrates the profound ongoing relevance of this Old Testament book for Christian faith and life A thorough introduction addresses such issues as text and versions structure authorship and theology The detailed commentary itself explains and elucidates Proverbs as theological literature Waltke's highly readable style evident even in his original translation of the Hebrew text makes his scholarly work accessible to teachers pastors Bible students and general readers alike **Fathers' Wisdom** American American Heritage, 2000 Whether witty wise or nostalgic the reflections of *Fathers' Wisdom* will be cherished by fathers and children alike Each page contains gems from famous Americans accompanied by biographical or historical information and illustrated with beautiful photos and illustrations [Wisdom Literature in Mesopotamia and Israel](#) Richard J. Clifford, 2007 This volume offers a rich collection of essays by distinguished Assyriologists and biblicists on the social intellectual and literary setting of Mesopotamian wisdom on specific wisdom texts and on key themes common to both Mesopotamian and biblical culture *The Ante-Nicene Fathers* Reverend Alexander Roberts, 2007-05-01 One of the first great events in Christian history was the Council of Nicaea in 325 AD convened to organize Christian sects and beliefs into a unified doctrine The great Christian clergymen who wrote before this famous event are referred to as the Ante Nicenes and the Apostolic Fathers and their writings are collected here in a ten volume set The Ante Nicenes lived so close to the time of Christ that their interpretations of the New Testament are considered more authentic than modern voices But they are also real and flawed men who are more like their fellow Christians than they are like the Apostles making their words echo in the ears of spiritual seekers In Volume VII of the 10 volume collected works of the Ante Nicenes first published between 1885 and 1896 readers will find the writings of Lactantius Venantius Asterius Urbanus Victorinus and Dionysius This volume also contains writing unattributed to any author but nonetheless considered of great value These writings include *The Teaching of the Twelve Apostles* *Constitutions of the*

Holy Apostles The Second Epistle of Clement The Nicene Creed and Early Liturgies **A Father'S Book Of Wisdom**
 Jackson H. Brown,2003-02 **A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: St. Augustin: On the Holy Trinity. Doctrinal treatises. Moral treatises** Philip Schaff,1887 **Wisdom Christology in the Gospel of John** Dustin R. Smith,2024-04-18 This volume contends that the Gospel of John presents the most thorough and robust Wisdom Christology of all the New Testament books Wisdom Christology the christological concept that applies the roles characteristics and functions of God s personified wisdom to the man Jesus Christ is displayed to be skillfully interwoven throughout all twenty one chapters of the Fourth Gospel starting with the famous prologue In response to the prevailing tendency among interpreters to project postbiblical understandings of Jesus from the fourth and fifth century church councils back into the Gospel of John this volume shows that a more fitting context emerges from Jewish Wisdom literature By situating the Johannine Jesus in his first century Jewish context readers can appreciate John s commitment to monotheism and Jesus role as the Father s highly empowered human agent fully embodying Lady Wisdom *A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: St. Augustin: On the Holy Trinity. Doctrinal treatises. Moral treatises* ,1887 **An Infinite God and a Father-Son God** Kenan Osborne OFM,2019-05-29 In this last work Kenan Osborne addresses the intersection between new scientific insights into the origin of the human species and the growing awareness of a multicultural and multi religious world with our contemporary understanding of God After a review of current presentations of Trinitarian theology he analyzes in detail the biblical record for the names of God and develops a cogent description of the thinking about God in the first six centuries Complementing his 2015 volume *The Infinity of God and A Finite World A Franciscan Approach* this present work challenges theologians and believers in two distinct ways Do the terms Father and Son have any essential meaning for divinity From a human standpoint God is essentially neither a Father nor a Son Nor do these two words have some exclusive meaning when they refer to divinity What then do we mean when we talk about God Second in many theological textbooks the term infinite is considered as an attribute of God Infinity is in no way an attribute even a divine attribute It is rather an essential description of God as the Franciscan philosophical theologian John Duns Scotus argues And if this is so can we really understand God or are all our views and descriptions of an infinite God partial insights into a transcendent infinite God who embraces all human creatures from the beginning of homo sapiens sapiens to the present **Wisdom in the World** Brian C. Hughes,2024-10-31 How can an ancient text written far from a contemporary Christian in time and space be taken up as life transforming Scripture today This book seeks to address that question in a study of Proverbs 8 a passage that was central to the Christological debates of the fourth century but for many contemporary Christians seems remote and irrelevant In the course of the study the instincts and insights of pre modern Christians and modern critical methods are taken up to understand the passage Additionally the text is placed in conversation with contemporary philosophical reflection on the nature of reading and meaning In this latter endeavor

Charles Taylor Paul Ricoeur Nicholas Lash and George Lindbeck are all drawn into engagement with the passage Emerging from this conversation is a sense of Wisdom in the world beckoning the Christian into a particular mode of being in the world
