**Signs of Love** Jeraldine Saunders,1995 Everything you need to know to find love and make it last forever Determine whether or not you are compatible with a potential partner through the character deciphering tools of astrology numerology handwriting analysis palmistry and face and aura reading Written by noted mystic and creator of *The Love Boat* television series     **MR. SPICE'S LOVE NOTES** MR. SPICE,2007-05-23 In this book are long overdue remnants of what lovers would say With passion and concern these poems express my sentiments What I wish I had enough time to say to my special lady is presented here in a limited way My heart felt moments didn t have chance to join the emotions desired to share Thus still kindling passion found homage to women in form of writing Boredom was hoped to be replaced with literature of interest Humor and affectation mixed with fantasy was combined for purer pleasure Every poem is intended to stir curiosity and pacify intimate cravings Henceforth these love poems were meant to soothe arouse passion and entertain What men could should and would say is for women on the verge of love Since women often can t wait they need not to hear what they want Some poems are personal and others women may find too provocative All in all love is what women want and love is what I

intend to give I wish all women the best in receiving true love These writings are prelude to loving mannerisms I d give if able Love has many forms I choose these poems In essence time gives you a chance this book will give some romance These words specifically for the pleasure of women have many purposes For reason for arousal from depression focus is to evoke absolute thrill Daily pleasures are not often obtained these writings will keep a woman entertained Women have assisted men to establish and be their prime interest When men couldn t find men to help accomplish women filled in When other pleasures did not satisfy a woman always could This book is an appeal to women who serve in support of all men s desires So accommodation is intended to comfort women in an intimate mood Too often females are lonely going years to find someone concerned Females don t always have someone to talk to them lovingly They need someone to learn about and understand them sentimentally Each female needs a specialist to sensually excite moments that are bland So this literature provides a personal form of passion Attention need not be on grief neglect abuse or suffering Boredom and pitying one s self has been escaped reading about affections Too many times people don t have time to console a special someone In short words of this book are meant to arouse as solace to love action eluded females This book is a temporary substitute for a woman s dream man It represents the bouquet of flowers a man intends to give It is a sample of what could be said in a fantasy that may soon be real Thus it is what women could and should be told by a lover on hold      The Instant Horoscope Predictor Julia Lupton Skalka,1997 Want to know if the planets will smile favorably upon your wedding day Wondering when to move ahead with a new business venture Perhaps you ve been accident prone lately According to author Julia Lupton Skalka it s time to look at your transits This easy to use guide deciphers the symbols on your transit chart into clear usable predictions Charts tables
