Luther,2022-01-17 The apocalyptic end times have finally arrived What is coming to an end though is not what you have been led to believe Do you desire the truth about God our foremost religions the purpose of life and the future of our planet Are you ready to challenge the religious powers that be to learn what most would rather not know If so this revolutionary book will help you transcend the darkness on your eternal journey home to a God of pure unconditional love a God who has no cause or need to ever judge or condemn anybody Illuminating the Narrow Gate reveals the flaws of the mainstream Western religions as it guides and empowers its readers to embrace an enlightened spirituality Brimming

with astonishing insights and revelations it will shock the world by debunking the fire and brimstone theology of mainstream Christianity. It primarily accomplishes this by unraveling the apocalyptic prophecies of Daniel, the gospels, and Revelation in their entirety. In fact, they contain hidden spiritual messages that contradict what has been confidently preached for all these centuries. Like a challenging riddle that cannot be solved, the answer is obvious in hindsight. Only the blinding power of a paradigm can explain how we missed it for so long. The revelations will strike with devastating force because the book first arrives at the same conclusion through more traditional means. It convincingly describes how Jesus had come to uproot Judaism, but the version of Christianity that developed in his wake failed to make the paradigm shift. Erroneous tenets that should have been discarded were instead institutionalized in both theology and authority. The book also blazes a third independent trail to the same destination by showing how this ancient religious tree bore its poisonous fruit in both the Holocaust and the abomination of slavery that fathered the Civil War. Furthermore, the book illuminates the nature of evil and its well-cloaked ways, which is essential for unraveling the prophecies. This wisdom yields a new and astonishing interpretation of the Book of Job that delivers a quantum leap in insight over the prevailing understanding. As the first devout Christian to read this interpretation commented, "It rocked my apple cart to the core." In addition, it presents an array of scientific evidence for the spiritual realm's existence that complements its amazing demonstration that long-range prophecy is truly possible. It thus shows the atheistic religion of scientism is also doomed. Meanwhile, the book proves Jesus was the Anointed One, Messiah, with a telescoping trio of prophecies from Daniel that foretold the onset of his ministry to the reign of the Roman Empire to its first ten emperors in the 1st century CE and to 27-34 CE. Most Christians will thus either fearfully denounce the book as a satanic assault upon their religion or courageously embrace it as the inevitable completion of the Reformation. The great spiritual awakening will soon be kicking into high gear, which is exactly what the apocalyptic prophecies long ago foretold, and the spiritual realm has long been awaiting. As Jesus and a group of angels informed an atheist during his near-death experience in 1985: "The world is at the beginning of a major transformation. It will be a spiritual revolution that will affect every person in the world. Can you handle the truth? Are you ready to awaken? If so, this world-changing book is at your service. You only have to purchase Vol. I to get the book's core insights and revelations. A PDF document of the Endnotes, Bibliography, Index, et al. published in Vol. II can be downloaded for free from the book's website to make Vol. I a self-standing book."

Grounded Spirituality Jeff Brown, 2019-03-15. In this courageous groundbreaking book, Jeff Brown takes us on the spiritual ride of a lifetime. The book opens with the author's compelling journey through a variety of spiritual approaches. Through decades of dedicated exploration and discernment, Brown exposes the transcendent notions of spirituality that limit our human experience.
