But while many books have been written about specific aspects of the VC and its recipients none have asked why so many brave men who deserved the medal were denied it and why no women have ever been awarded the VC even though they are entitled Military historian Gary Mead s vivid and balanced account of the VC s life and times exposes the hypocrisy behind one of the UK s last sacred cows and explores its role as a barometer for the shifting sands of political and social change during the last 150 years **Caledonia, or An account, historical and topographic, of North Britain** George Chalmers,1807 Caledonia, Or an Account, Historical and Topographic, of North Britain, from the Most Ancient to the Present Times George Chalmers,1807 The Political Animal Jeremy Paxman,2007-09-06 Jeremy Paxman knows every manoeuvre a politician will make to avoid answering a difficult question but here he seeks an answer to just one What makes politicians tick Embarking on a journey in which he encounters movers and shakers past and present he discovers that Prime Ministers have often lost a parent in childhood why Trollope is the politician s novelist of choice that Lloyd George once hunted Jack the Ripper how an Admiral s speech in parliament helped win WWII Where do politicians come from How do they get elected What do they do all day And why do they seek power All these questions and many more are addressed in Paxman s thrilling dissection of that strange and elusive breed the political animal Annual Index ,1997 Infamous Cheshire Bob Burrows,2006-09-21 Infamous Cheshire explores the darker side of this idyllic county where murders in sleepy villages royal scandals ancient and modern and the antics of showbiz personalities reveal that all is not as tranquil as it may seem In his new book Bob Burrows digs deep into forgotten tales of villainy and crime deceit and death as well as throwing new light on more recent and well remembered events including the Great Train Robbery s connections with the county Britain s biggest financial fraud the IRA attack in Warrington the plane that crashed in the centre of Stockport and even the story behind one of Cheshire s roads designated the most dangerous in Britain Infamous Cheshire will enthral and fascinate anyone who would like to discover more about the unexpected history of Cheshire
