Megivern,1997 A comprehensive history of the death penalty in the West that provides more material on capital punishment in Western Christian history than is available in any other work in English **Fighting for the United States, Executed in Britain** Simon Webb,2021-07-21 This book relates a chapter of American military history which many people would rather forget When the United States came to the aid of Britain in 1942 the arrival of American troops was greeted with unreserved enthusiasm but unfortunately wartime sometimes brings out the worst as well as the best in people A small number of the soldiers abused the hospitality they received by committing murders and rapes against British civilians Some of these men were hanged or shot at Shepton Mallet Prison in Somerset which had been handed over for the use of the American armed forces Due to a treaty between Britain and America those accused of such offences faced an American court martial rather than a British civilian court which gave rise to some curious anomalies Although rape had not been a capital crime in Britain for over a century it still carried the death penalty under American military law and so the last executions for rape in Britain were carried out at this time in Shepton Mallet Fighting For the United States Executed in Britain tells the story of every American soldier executed in Britain during the Second World War The majority of the executed soldiers were either black or Hispanic reflecting the situation in the United States itself where the ethnicity of the accused person often played a key role in both convictions and the chances of subsequently being executed Madame Tussaud Pamela Pilbeam,2006-08-10 Tussaud s catered for the public s fascination with monarchy whether Henry VIII and his wives or Queen Victoria as well as for their love of history acting as an accessible and enjoyable museum This work looks at Madame Tussaud herself and her exhibition as part of the

wider history of wax modelling and of popular entertainment **Hanging Captain Gordon** Ron Soodalter,2010-05-11 On a frosty day in February 1862 hundreds gathered to watch the execution of Nathaniel Gordon Two years earlier Gordon had taken Africans in chains from the Congo a hanging offense for more than forty years that no one had ever enforced But with the country embroiled in a civil war and Abraham Lincoln at the helm a sea change was taking place Gordon in the wrong place at the wrong time got caught up in the wave For the first time Hanging Captain Gordon chronicles the trial and execution of the only man in history to face conviction for slave trading exploring the many compelling issues and circumstances that led to one man paying the price for a crime committed by many Filled with sharply drawn characters Soodalter s vivid account sheds light on one of the more shameful aspects of our history and provides a link to similar crimes against humanity still practiced today **Woman at the Devil's Door** Sarah Beth Hopton,2018-06-01 The true story of a woman in Victorian London who murdered her lover s wife and how her crime led some to believe she was Jack the Ripper On October 24 1890 a woman was discovered on a pile of rubbish in Hampstead North London Her arms were lacerated and her face bloodied her head was severed from her body save a few sinews Later that day a blood soaked stroller was found leaning against a residential gate and the following morning the dead body of a baby was found hidden underneath a nettle bush So began the chilling story of the Hampstead Tragedy Eventually Scotland Yard knocked on the door of No 2 Priory Street home to Mary Eleanor Pearcey the pretty 24 year old mistress whose dying request was as bizarre and mysterious as her life Woman at the Devil s Door is a thrilling look at this notorious murderer and the webs she wove *Public Executions* Nigel Cawthorne,2006-09-28 The sentence of this court is that you be taken from this place to whence you came and from there to a place of lawful execution there to be hanged by the neck till you be dead and may the Lord have mercy on your soul Extract from judicial death sentence England c 16th 20th century Societies throughout history have adopted many and varied methods of meting out the ultimate sanction of capital punishment to their more unruly members Although a number of countries across the globe still execute their own citizens on occasion in public the modern world in general views execution with distaste and public execution doubly so Public Executions documents the phenomenon of state sanctioned killing from the ancient world to modern times and in doing so shows that although we regard the ancient practices with horror they would have been equally bemused by our modern scruples and would have regarded execution behind closed doors as little short of murder Public Executions is a gruesomely enthralling account of public executions down through the ages and from around the world **Maternity and Romance Narratives in Early Modern England** Karen Bamford,Naomi J. Miller,2016-05-06 Though recent scholarship has focused both on motherhood and on romance literature in early modern England until now no full length volume has addressed the notable intersections between the two topics This collection contributes to the scholarly investigation of maternity in early modern England by scrutinizing romance narratives in various forms considering motherhood not as it was actually lived but as it was figured in the fantasy world of romance by

authors ranging from Edmund Spenser to Margaret Cavendish Contributors explore the traditional association between romance and women both as readers of fiction and as tellers of old wives tales as well as the tendency of romance plots with their emphasis on the family and its reproduction to foreground matters of maternity Collectively the essays in this volume invite reflection on the uses to which Renaissance culture put maternal stereotypes the virgin mother the cruel step dame as well as the powerful fears and desires that mothers evoke assuage and sometimes express in the fantasy world of romance
