The Fallen Angel Man Augustus M Brown II, 2021-02-15 People are suffering here in America and abroad Global warming mass conflicts increased domestic and foreign murders governmental corruptions starving nations global wars coupled with global warming the consciousness of the men attempting to turn into women and the consciousness of the woman falling from her place to be as a man all of these are threats against our survival of tomorrow Wars are now fought with computerized drones overseas Drugs gangs killings police shooting coupled with political protection are ravishing the land of equal rights under the symbol of the eagle These are biblical signs of the realities of the problems and conditions that should tell us all something is very wrong The major questions are can the human race avoid self destruction And if so does our salvation rest in relying on a higher power to insure future generations have a world that s worth living in under the laws of man For too long we the human family have collectively functioned like lost children but some as prodigal sons even as fallen angels However our earthly existence isn t random coincidences for it is not all of these conditions of the man that s upon this earth are a one chance to learn and understand what it is to live in equality under the original orders and commandments of God the creator and those of Jesus Christ the savior of all men Personally I believe that God is humanity s best hope for survival The book s title The Fallen Angel Man Egairram Not Marriage essentially refers to mankind s disconnect from his creator Within its pages you see vivid examples of among other things our moral decadences and I d dare say that only a willingly blind person would fail to see the consequences all around us from a severed spiritual bond So whether you believe in divine solutions or you prefer a more common sense approach to fixing society s problems in playing eternal death roulette feel free to criticize these books Even disagree with some of the subject material as presented These books explain the fallen consciousness of the man and that of those of the billions of rebellious and fallen angels that turned against the perfect laws and orders of God But don t be surprised to find the pages inside stroking your curiosity to read on into these six volumes A M Brown II

Fallen Angels Bernard Cornwell, 2005 A highly entertaining wonderfully colourful story now revealed to be written by one of our favourite historical novelists The gilded family had been the envy and the pride of England for centuries Never had the Lazenders seemed more powerful or more wealthy And never had the unseen means of their destruction seemed so close Yet the heir to the estate was absent Toby Lazender worked for the British in Revolutionary France where he hunted down the men who had murdered the innocent girl he loved It was his sister Campion who oversaw the family's affairs at the little kingdom of Lazen Castle But Lazen is unknowingly a house under siege The Fallen Angels among the most powerful and dangerous men in Europe are plotting to bring revolution to England To succeed they need money and the Lazender fortune can provide it The key to the fortune is control of Campion's future A web of deceit closes around Lazen drawing Campion ever closer to a subtle trap that has been laid just for her Her only hope for survival lies with the Gypsy her brother's broodingly aloof horse master a man whose loyalties are at best uncertain The Fallen Angels is a powerful blend of passion adventure and intrigue played out in the shadow of the guillotine and the sunlit splendour of an English estate It is a worthy successor to A Crowning Mercy the first chronicle of the Lazender family
