Natural and Herbal Remedies for Common Disorders Dr Vasant Patil,2024-02-24 Ayurveda the science of life holistic medicine offers a complete solution with medicines diet and lifestyle The radical shift occurred in defining health encourages the medical fraternity of modern times to look deeply into empirically evolved ayurvedic techniques for the maintenance of positive health The recent WHO report says that 70% of the world population is using herbal medicines for their primary health care In last decade the use of herbal medicines increased tremendously Many books have been written on Ayurveda medicine but most of them for health professionals There are few books which addresses the primary health care needs of layman To fulfill this demand I wrote this book containing simple and effective home remedies which are available in the local market and online stores These home remedies have been practiced since more than 2000 years I hope the readers will satisfy and will get perfect health by

adopting the remedies regime and diet described in this book Vaidya Vasant Patil Ayurvedic Cure for Common Diseases N. Anjneya Murthy, 1995 The book is written for the people who are interested in simple remedies to cure common diseases The treatments described in this book are based on the authors observations and clinical experiences for many years The preparations described here are from the ancient Ayurvedic texts Ayurveda is a science based on ancient Indian philosophy It can appropriately be called The Science of Living Ayurveda traces its etymology to Ayush meaning life and Veda which originates from vid or knowledge Popularly speaking Ayurveda can be defined as a medical science which helps the human body to keep fit while providing cures from indigenous plants animal products and minerals for ailments Thus being essentially a science of healing it concentrates on what is required to lead a healthy normal life It deals not only with what is to be done when one falls ill but also with what should be done to maintain one's health and vigour Ayurveda contains details about body care and the various foods and drinks which promote health Ayurveda is based on scientific principles of diagnosis and treatment It differs from conventional medicine in the basic principles of investigation and assigning causes to processes rather than specific areas of physiology This book comprises time tested concepts of regulated diet and a healthy lifestyle supported with remedies and treatments based on Ayurveda that are safe effective and affordable **Curing Arthritis Naturally with Chinese Medicine** Douglas Frank, 1997 Chinese medicine has been relieving arthritis for 2 000 years by balancing the body and allowing its healing powers to take over This guide provides a basic introduction to how Chinese medicine aids in the diagnosis and treatment of arthritis including Chinese self care and home remedies such as self massage magnet therapy and Chinese patent medicines *Back Pain - Natural Cures for Back Pain* M.
