## **Book Of Jeremiah:**

The Book of Jeremiah Joy A. Schroeder, 2017 In this volume on Jeremiah part of the Bible in Medieval Tradition series Joy Schroeder provides substantial excerpts from seven noteworthy biblical interpreters who commented on Jeremiah between the ninth and fifteenth centuries Her translations of these texts are the first ever English renderings of medieval commentaries on Jeremiah After surveying early and medieval Christian authors and their interpretive approaches Schroeder offers original translations of medieval writings on twenty four chapters of Jeremiah In addition to her clear readable translations of works by such authors as Thomas Aquinas Nicholas of Lyra and Denis the Carthusian Schroeder provides an introduction to each author locating him within his historical and theological context The well chosen selections in this masterful volume together illustrate the rich diversity of medieval approaches to biblical interpretations Book jacket *The Message of Jeremiah* Christopher J. H. Wright, 2014-02-10 A replacement volume in the Bible Speaks Today Old Testament commentary series this book offers a new exposition on Jeremiah a book of the victory of God s love and grace The prophet s redemptive reconstructive work comprises the book s portrait of the future a future that we see fulfilled in the New Testament through the life death and resurrection of Jesus the Messiah **The Book of Jeremiah** John Goldingay, 2021-12-07 Of the Major Prophets Jeremiah is perhaps the least straightforward It is variously comprised of stories about the prophet Jeremiah exchanges between Jeremiah and Yahweh and messages directly from Yahweh meaning a consciousness of form is essential to the understanding of its content At times it is written in poetry resembling Isaiah while at other times it is written in prose more similar to Ezekiel And it is without doubt the darkest and most threatening of the Major Prophets inviting comparisons to Amos and Hosea John Goldingay a widely respected biblical scholar who has written extensively on the entire Old Testament navigates these complexities in the same spirit as other volumes of the New International Commentary on the Old Testament series rooted in Jeremiah s historical context but with an eye always trained on its meaning and use as Christian Scripture After a thorough introduction that explores matters of background composition and theology Goldingay provides an original translation and verse by verse commentary of all fifty two chapters making this an authoritative and indispensable reference for scholars and pastors as they engage with Jeremiah from a contemporary Christian standpoint *Jeremiah, Lamentations* F. B. Huey, 1993 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text The Message of Jeremiah Christopher J. H. Wright, 2023-08-17 The Prophet Jeremiah addressed the people of Judah and Jerusalem over a forty year period leading up to the destruction of Jerusalem in 587 BC The book of Jeremiah addressed the exiles especially those in Babylon in the years after the catastrophe First of all then says Chris Wright we must encounter Jeremiah the prophet who from his youth to old age delivered the word of God to the people of Israel at the most terrifying time in all their troubled history Understanding his times is essential to understanding his life and message Next we must strive to grasp how this enormous book the second

longest in the Bible after Psalms has been put together And finally if Jeremiah spoke in his day and if the book still speaks today in both cases it is because of the God who called the man to speak and commanded the book to be written So we must encounter the God of Jeremiah an encounter that should be both profoundly disturbing and ultimately reassuring as it was for him In the end Jeremiah is a book of the victory of God's love and grace His redemptive reconstructive work fills the book's future horizon a future that we see fulfilled in the New Testament through the life death and resurrection of Jesus the Messiah and ultimately in God's dwelling with his redeemed people forever in the new creation

**The Book of the Prophet Jeremiah, Together with the Lamentations**, 1952      **A Commentary on Jeremiah** Walter

Bruggemann, 1998-01-06 Jeremiah's poignant lament over Judah's social and religious disintegration reflects God's own pathos laden yearning for his disobedient covenant people In this widely praised expository commentary Walter

Brueggemann one of the premier Old Testament scholars of our time explores the historical setting and message of Jeremiah as well as the text's relevance for the church today Offering a fresh look at the critical theological issues in the Jeremiah tradition Brueggemann argues that Jeremiah's voice compels us to rediscern our own situation issuing an urgent invitation to faith obedience justice and compassion This combined edition of Brueggemann's original two volume work published until recently as part of the International Theological Commentary series is an essential resource for students pastors and general readers alike It is reprinted here with a new introduction by Brueggemann that surveys the current state of Jeremiah studies

**Jeremiah** William L. Holladay, 2012-03-01 In this careful reconstruction of the prophet Jeremiah's life and work Professor Holladay attempts to sort out Jeremiah's utterances chronologically and to hear them as closely as possible within the context of the events of their time Jeremiah is a model for us to understand the prophets of the Old Testament But more than that he alone of the prophets saw his relationship with God as a problem to be grappled with rather than an obligation to be taken for granted His willingness to question and to doubt was unique and Holladay suggests may put him more in step with our time than his own For while many of us are willing to undertake a life of faith lived under God's guidance few of us do not at some point question God's ways

Jeremiah William McKane, 1986-01-01 This volume completes the monumental work on the prophet Jeremiah by one of the world's most widely recognized scholars of the Old Testament Unequaled in scope and detail these volumes draw on textual and linguistic interpretation of the Hebrew Bible and its versions as well as on the work of later commentaries and scholars The completion of this work is a landmark event in Old Testament scholarship and will provide a rich source of information for students and researchers for many years to come

**The Book of the Prophet Jeremiah** Charles Rufus Brown, 1907      *Judgment and Promise* J. Gordon McConville, 1993 Two rival views dominate

contemporary Jeremiah scholarship One sees the book as essentially a Deuteronomistic product the other as stemming largely from the prophet himself Dr McConville begins by entering into dialogue with both sides of the debate and then sets out his own method of approach He sees Jeremiah as moving from hope that the people would repent to the realization that

they would not The so called Confessions are both the genuine experience of the prophet and part of his proclamation The theology of the new covenant permits calls to repentance and promises of unconditional redemption to be held together in creative tension Back cover

**The Book of the Prophet Jeremiah** Annesley William Streane,1881 *The Covenant Motif in Jeremiah's Book of Comfort* Tiberius Rata,2007 The Covenant Motif in Jeremiah s Book of Comfort Textual and Intertextual Studies of Jeremiah 30 33 examines Jeremiah s promise of a new covenant that God will interiorize his law into people s hearts This in depth syntactic semantic and pragmatic study of selected texts in Jeremiah 30 33 comprises the foundation for a superb biblical theology of the new covenant God s pledge that this covenant is not like the one I made with your fathers is explored in relation to the Abrahamic Mosaic and Davidic covenants Tiberius Rata makes a theologically and hermeneutically balanced incursion into Old Testament texts used in the New Testament and provides a springboard for further discussion on difficult yet important issues such as the Lord s Supper and the future of Israel

**The Book of Jeremiah: with Explanatory Notes and Appendices. Part I. Historical Chapters** Jeremiah (the prophet),Henry Linton (Incumbent of St. Paul's, Birkenhead.),1878 [Decoding the Prophet Jeremiah](#) Mark Biltz,2020-10-06 Could an ancient prophet hold a present key that will reveal the future Jeremiah was an Old Testament voice but he still speaks to our day Alone and living in a time of chaos he was a prophet and Levitical priest whose fellow priests and prophets wanted him dead In fact everyone wanted him dead the political leaders his neighbors and even his family At twenty three years old Jeremiah was told to speak truth to power and not to worry what the consequences may be God told him that people love to praise the Lord but refuse to do what He says In spite of the judgments cascading upon the heads of the inhabitants of Jerusalem the Lord promised a new covenant with Israel and Judah that would revolutionize their walk with Him In Decoding the Prophet Jeremiah you will discover the following The warnings from God in Jeremiah s day are for our generation as well Even when you feel betrayed by everyone there is still hope God keeps His covenant and will never leave you or forsake you This book is a clarion call to all believers We need to see the bigger picture it is not about us but about God s heart and God s kingdom God is looking for warriors who are about advancing His kingdom by storming the gates of hell and setting His sons and daughters free from the clutches of the greatest narcissist of all time Mark Biltz unpacks two books of the Bible written by the prophet Jeremiah the Book of Lamentations and the Book of Jeremiah Biltz has uncovered fascinating Hebraic codes within Lamentations making this a truly unique message for readers This book will encourage you to persevere in your faith despite cultural shifts and pressures much like what the prophet Jeremiah did

**Jeremiah and Lamentations (Teach the Text Commentary Series)** J. Daniel Hays,2016-03-29 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding

teaching and illustrating the text     Jeremiah Ronald E. Clements,1989-01-01 This critical assessment of the book of Jeremiah enables the reader to rediscover many of the most profound and relevant features of Jeremiah s message and of the agonies and fears of those to whom it was first given The picture that emerges of the prophet is an intensely moving one often at variance with the conventional image of earlier popular reconstructions Having witnessed the loss of most of the treasured and revered religious support of his day Jeremiah discovered that the only secure foundation of hope is in God Interpretation A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry     **Troubling Jeremiah** A.R. Pete Diamond,Kathleen M. O'Connor,Louis Stulman,1997-01-01 Troubling Jeremiah presents essays by Jeremiah scholars who are troubled by the biblical book and give the scholarship on Jeremiah trouble in turn Essays seek to move beyond the Duhm Mowinckel source criticism of the book to address matters of metaphor final form intertextuality and the relationship of the book to various audiences of readers Taken together the 24 essays in this volume press for an end to innocent readings of Jeremiah inasmuch as current models prove inadequate for troubling the very Jeremiah they have already helped to reveal     *Jeremiah* Robert Laha,2002-01-01 In this book Robert Laha leads a ten session study into the stories of suffering blame and ultimately hope found in the book of Jeremiah In an attempt to bring some clarity to this at times confusing book Laha discusses Jeremiah s world and God s judgement prophetic signs and false prophets unfaithfulness and lament and consolation and hope Interpretation Bible Studies IBS offers solid biblical content in a creative study format Forged in the tradition of the celebrated Interpretation commentary series IBS makes the same depth of biblical insight available in a dynamic flexible and user friendly resource Designed for adults and older youth IBS can be used in small groups in church school classes in large group presentations or in personal study     **Jeremiah and the Greatest Vision In the Bible** Gerald Flurry,Philadelphia Church of God,2013-10-17 The book of Jeremiah was written to the ancient Israelites over 100 years after they had gone into captivity Think about that Why would God cause Jeremiah to do such a thing Because the book of Jeremiah is primarily for Israel in the end time And there is an even greater emphasis on spiritual Israel or God s Church You urgently need to understand why In this booklet Jeremiah s Commission Laodicean Failure Christ s Bride Why Israel Failed Following Christ Laodicean Ministers A Blind Church No Hope in Man David s Throne Hope in Anathoth This ebook is offered completely free of charge by the Philadelphia Church of God However please not that Google Play will need a verified Google Wallet account which requires your credit card information In a small number of countries a temporary authorization of 1 will be charged to your account but will be refunded This refund can take up to 1 month to process
