Book Of Love Smitten Heart:

The Book of The Love-Smitten Heart Rene D'Anjou, 2013-01-11 Available only in Middle French and German translation until now this volume constitutes the first full length French English bilingual edition of Rene of Anjou's *Livre du cuers d'amours esprits* including all sixteen of the celebrated color plates a critical introduction notes on the translation and a comprehensive bibliography The book tells the tale of desire and adventure as Heart part of Rene torn from his body by Love travels a complex allegorical landscape in quest of the lady Mercy who is being held prisoner by a band of miscreants led by Refusal and Shame Rene begs the reader to help him determine which of three entities is responsible for his torment Fortune led him to the lady whom he loves once he arrived Love in the guise of his lady's gaze struck his heart and Destiny insists that he reflect upon her alone In addition to being a compelling courtly page turner *The Book of the Love Smitten Heart* represents the rare instance in which a medieval love story is told simultaneously in three frameworks autobiographical letter dream vision and quest romance This structure makes clear the multiple logics within which the author's psychology is reflected in the story and illustrates how the symbol of the heart as it travels through these shifting frameworks dramatizes vital relations linking self desire and writing

Medieval Crossover Barbara Newman, 2013-05-15 The sacred and the secular in medieval literature have too often been perceived as opposites or else relegated to separate but unequal spheres In *Medieval Crossover Reading the Secular against the Sacred* Barbara Newman offers a new approach to the many ways that sacred and secular interact in medieval literature arguing that in contrast to our own cultural situation the sacred was the normative unmarked default category against which the secular always had to define itself and establish its niche Newman refers to this dialectical relationship as crossover which is not a genre in itself but a mode of interaction an openness to the meeting or even merger of sacred and secular in a wide variety of forms Newman sketches a few of the principles that shape their interaction the hermeneutics of both and the principle of double judgment the confluence of pagan material and Christian meaning in Arthurian romance the rule of convergent idealism in hagiographic romance and the double edged sword in parody *Medieval Crossover* explores a wealth of case studies in French English and Latin texts that concentrate on instances of paradox collision and convergence Newman convincingly and with great clarity demonstrates the widespread applicability of the crossover concept as an analytical tool examining some very disparate works These include French and English romances about Lancelot and the Grail the mystical writing of Marguerite Porete placed in the context of lay spirituality lyric traditions and the *Romance of the Rose* multiple examples of parody sexually obscene shockingly anti-Semitic or cleverly litigious and Rene of Anjou's two allegorical dream visions Some of these texts are scarcely known to medievalists others are rarely studied together Newman's originality in her choice of these primary works will inspire new questions and set in motion new fields of exploration for medievalists working in a large variety of disciplines including literature religious studies history and cultural studies

Hybridity in Early Modern Art Ashley Elston, Madeline

Rislow,2021-09-15 This collection of essays explores hybridity in early modern art through two primary lenses hybrid media and hybrid time The varied approaches in the volume to theories of hybridity reflect the increased presence in art historical scholarship of interdisciplinary frameworks that extend art historical inquiry beyond the single time or material The essays engage with what happens when an object is considered beyond the point of origin or as a legend of information the implications of the juxtaposition of disparate media how the meaning of an object alters over time and what the conspicuous use of out of date styles means for the patron artist and or viewer Essays examine both canonical and lesser known works produced by European artists in Italy northern Europe and colonial Peru ca 1400 1600 The book will be of interest to art historians visual culture historians and early modern historians Learning to See: The Meanings, Modes and Methods of Visual Literacy Michael Heitkemper-Yates,Katarzyna Kaczmarczyk,2019-01-04 This volume was first published by Inter

Disciplinary Press in 2016 If indeed Vision is the art of seeing what is invisible to others as Jonathan Swift has so famously phrased it then visual literacy is the art of translating the seen through image word and gesture so that the invisible can be made visible to others In other words visual literacy specifies a process of articulation that employs both sight and insight in the service of interpreting the language of the image reading the narrative of the graphic and deciphering the codes and modes of the visual This volume represents an attempt to convey some of the many ideas surrounding visual literacy and advance the interdisciplinary field of visual literacy studies toward new areas of research and inquiry Narcissism and Selfhood in Medieval French Literature Nicholas Ealy,2019-09-30 This book offers analyses of texts from medieval France influenced by Ovid s myth of Narcissus including the Lay of Narcissus Alain de Lille s Complaint of Nature Ren d Anjou s Love Smitten Heart Chr tien de Troyes s Story of the Grail and Guillaume de Machaut s Fountain of Love Together these texts form a corpus exploring human selfhood as wounded and undone by desire Emerging in the twelfth century in Western Europe this discourse of the wounded self has survived with ever increasing importance informing contemporary methods of theoretical inquiry into mourning melancholy trauma and testimony Taking its cue from the moment Narcissus bruises himself upon learning he cannot receive the love he wants from his reflection this book argues that the construct of the wounded self emphasizes fantasy over reality and that only through the world of the imagination of literature itself can our narcissistic injuries seemingly be healed and desire fulfilled **The Book of Historic Fashion** Nicole Allen, Gregory D.

Mele,2014-12-31 The Late Middle Ages c 1350 1500 provides us with many of our stock childhood images of the Middle Ages the knight in shining armour the joust lords and ladies dressed in rich voluminous robes and elegant dresses Yet it is a paradox for at the start of the period Europe had endured the worst pandemic of recorded history the Black Death the climate was rapidly cooling causing massive crop failures and France and England were locked in the brutal dynastic struggle of the Hundred Years War Meanwhile in the second half of the period intrepid merchants became the new knighthood of Europe seeking new wealth in Asia and Africa and launching what has been called the Age of Discovery while a

new interest in Classical culture would give birth to the Renaissance All of these elements have long intrigued and inspired writers researchers and reenactors to take a trip through the looking glass to this lost world In the Book of Historic Fashion A Newcomer s Guide to Medieval Clothing 1300 1450 authors Allen and Mele provide a visual snap shot of the courtly elegance and common wear of the period Filled with hundreds of sketches taken from original sources mechanical drawings and detailed layer drawings demonstrating how the clothing was worn this entree both introduces the period and helps newcomers find their way forward in the study of primary and secondary sources Whether you are a teacher or professor who wants your students to understand what the clothing of the day really looked like a costume designers working in theater TV and film looking for visual reference or just new to medieval reenacting who wants guidance on what to wear in order to be appropriately dressed at events this volume is for you **Fifteenth-Century Studies 37** Barbara I.
