Book Of Mormon Reader:

Book of Mormon Reader Church of Jesus Christ of Latter-day Saints, 1985 The Reader's Book of Mormon Robert A. Rees, Eugene England, 2008 There are many ways to approach scripture At times we search the sacred narratives for doctrinal understanding or theological insights Other times we might be interested in historical cultural and linguistic issues Another more common approach is to see ourselves in the narrative stories and interpret them based on our own personal journeys and intellectual and spiritual background to draw lessons for our own lives With this in mind literature and Mormon Studies scholars Robert A Rees UCLA and the late Eugene England BYU asked prominent LDS writers to offer their own personal views on the Book of Mormon followed by the scriptural text itself Their insights should enhance the enjoyment and understanding of all readers The text reprinted in this series comes from the first edition 1830 and retains its nineteenth century usage although a few glaring typesetting flaws have been corrected no attempt has been made to regularize grammar and spelling This should make reading the Book of Mormon a new adventure hopefully full of possibilities for deeper insights into the layers of meaning and messages contained therein The contributors are Claudia L Bushman Susan Elizabeth Howe Linda Hoffman Kimball Douglas Thayer Steven Walker and William A Wilson *The Reader's Book of Mormon: In the service of our fellow beings : the Book of Mosiah* Robert A.
