Weingarten,2025-06-17 The Weather and the Words The Selected Letters of John Newlove 1963 2003 gathers hundreds of never before seen letters from the poet John Newlove s archives and sheds light on an author who was to many Canadian writers a literary master Despite his stature during his lifetime Newlove has been largely forgotten and these

letters remind readers of what an influential compelling and combative figure he was in Canadian literary history Newlove lived and wrote during a time when Canadian writers were well funded widely read and members of thriving literary communities By the time he died in 2003 that culturally prosperous era had ended Something else had changed too the practice of letter writing began to disappear as email replaced mailed correspondence Telling the story of Newlove s life *The Weather and the Words* pays tribute not just to this one remarkable poet but also to a remarkable era in Canadian history and the lost art of letter writing the medium through which writers politicians and other public figures fought collaborated conferred and philosophized about art and culture throughout the twentieth century In Newlove s correspondence readers will find a compelling story about the incredible difficulty of establishing a literary career and raising a family while struggling with poverty addiction and mental health issues Through colourful letters Newlove exchanged with Canadian writers such as Margaret Atwood Susan Musgrave Michael Ondaatje Al Purdy and numerous others *The Weather and the Words* gives readers a ground level view of Newlove s life and era The book includes a foreword by Lorna Crozier an introduction by editor J A Weingarten and an afterword by Laura Cameron **Paperbound Books in Print 1995** Reed Reference Publishing, R5ference Reed, 1995-12
