

PROSE  
SKETCHES  
AND POEMS  
WRITTEN IN  
THE WESTERN COUNTRY  
Albert Pike

EDITED BY DAVID J. WEBER

# Albert Pike Prose Sketches Poems Writt

**S Baum**

## **Albert Pike Prose Sketches Poems Writt:**

Prose Sketches and Poems, Written in the Western Country Albert Pike, 1987 Few copies of the original 1834 edition of this volume are known to exist today It is more than just a rare book though it is also a unique item of Southwestern Americana that defies classification as reminiscence fiction or poetry for it is all of these In these literary forms Albert Pike became New Mexico's first Anglo American short story writer and poet and the narrative portion of his book is one of the earliest American travel accounts from the Mexican borderland Pike's restless nature led him to follow the Santa Fe trail at a historic period only ten years after its opening and he made his return through an uncharted area of the Comanche country of Texas While not the first to explore the Taos Santa Fe area of New Mexico Pike gave the most detailed outsider's view of the area and its people at that time recording his impressions in both short stories and reminiscences This 1967 edition of *Prose Sketches and Poems* contains an illuminating introduction by David J Weber who gives a short biography of Pike's life and explanatory footnotes The editor also has taken from contemporary newspapers and appended here eight more of Pike's short stories which did not appear in the original book

**Prose Sketches and Poems** Albert Pike, 2015-07-17 Excerpt from *Prose Sketches and Poems Written in the Western Country* I have acquired by wild and desolate life a habit of looking steadily in upon my own mind and of fathoming its resources and perhaps solitude has been a creator of egotism Of this the public will judge By all whom I number as my friends the faults of this book will be forgiven and if there be in it no vatz spiritus those who knew me will At least recognise it as the breathings of one Who has departed from among them as the expression of his feeling and as such they will love them Fame is valueless to me unless I can hear it breathed by the lips of those I love To the world therefore and to my old Mother City I bequeath my last gift If unworthy of her let her remember that poor and weak though it be the tribute of the heart is not to be despised About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*Prose Sketches and Poems, Written in the Western Country* Albert Pike, 2000 *Bibliography of the Writings of Albert Pike: Prose, Poetry, Manuscript* William Llewellyn Boyden, 1921

**Prose Sketches and Poems** Pike Albert, 1901 *A Life of Albert Pike* Walter Lee Brown, 1997-07-01 *A Life of Albert Pike* originally published in 1997 is as much a study of antebellum Arkansas as it is a portrait of the former general A native of Massachusetts Pike settled in Arkansas Territory in 1832 after wandering the Great Plains of Texas and New Mexico for two years In Arkansas he became a schoolteacher newspaperman lawyer Whig leader poet Freemason and Confederate general who championed secession and fought against Black suffrage

During his tenure as Sovereign Grand Commander of the Scottish Rite a position he held for more than thirty years beginning in 1859 Pike popularized the Masonic movement in the American South and Far West In the wake of the Civil War Pike left Arkansas ultimately settling in Washington D C where he lived out his last years in the Mason s House of the Temple Drawing on original documents Pike s copious writings and interviews with Pike s descendants Walter Lee Brown presents a fascinating personal history that also serves as a rich compendium of Arkansas s antebellum history

**The Literature of the Ozarks** Phillip Douglas Howerton,2019-02-25 The job of regional literature is twofold to explore and confront the culture from within and to help define that culture for outsiders Taken together the two centuries of Ozarks literature collected in this ambitious anthology do just that The fiction nonfiction poetry and drama presented in The Literature of the Ozarks complicate assumptions about backwoods ignorance debunk the pastoral myth expand on the meaning of wilderness and position the Ozarks as a crossroads of human experience with meaningful ties to national literary movements Among the authors presented here are an Osage priest an early explorer from New York a native born farm wife African American writers who protested attacks on their communities a Pulitzer Prize winning poet and an art history professor who created a fictional town and a postmodern parody of the region s stereotypes The Literature of the Ozarks establishes a canon as nuanced and varied as the region s writers themselves

**An Essay Towards an Indian Bibliography** ,1873 [An Indian Bibliography](#) Warren Field Thomas Warren Field,Thomas Warren Field,2009-12-16

**An Essay Towards an Indian Bibliography being a Catalogue of Books** Anonymous,2025-08-22 Reprint of the original first published in 1873 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

**The American Elsewhere** Jimmy L. Bryan Jr.,2017-09-15 As important cultural icons of the early nineteenth century United States adventurers energized the mythologies of the West and contributed to the justifications of territorial conquest They told stories of exhilarating perils boundless landscapes and erotic encounters that elevated their chauvinism avarice and violence into forms of nobility As self proclaimed avatars of American exceptionalism Jimmy L Bryan Jr suggests in The American Elsewhere adventurers transformed westward expansion into a project of romantic nationalism A study of US expansionism from 1815 1848 The American Elsewhere delves into the adventurelogues of the era to reveal the emotional world of men who sought escape from the anonymity of the urban East and pressures of the Market Revolution As volunteers trappers traders or curiosity seekers they stepped into elsewheres distant and dangerous With their words and art they entered these unfamiliar realms that had fostered caution and apprehension and they reimagined them as regions that awakened romantic and reckless optimism In doing so Bryan shows adventurers created the figure of the remarkable American male that

generated a wide appeal and encouraged a personal investment in nationhood among their audiences Bryan provides a thorough reading of a wide variety of sources including correspondence travel accounts fiction poetry artwork and material culture and finds that adventurers told stories and shaped images that beguiled a generation of Americans into believing in their own exceptionality and in their destiny to conquer the continent      Sons of the South Clayton Rand,1978      **Captives and Cousins** James F. Brooks,2011-04-25 This sweeping richly evocative study examines the origins and legacies of a flourishing captive exchange economy within and among native American and Euramerican communities throughout the Southwest Borderlands from the Spanish colonial era to the end of the nineteenth century Indigenous and colonial traditions of capture servitude and kinship met and meshed in the borderlands forming a slave system in which victims symbolized social wealth performed services for their masters and produced material goods under the threat of violence Slave and livestock raiding and trading among Apaches Comanches Kiowas Navajos Utes and Spaniards provided labor resources redistributed wealth and fostered kin connections that integrated disparate and antagonistic groups even as these practices renewed cycles of violence and warfare Always attentive to the corrosive effects of the slave trade on Indian and colonial societies the book also explores slavery s centrality in intercultural trade alliances and communities of interest among groups often antagonistic to Spanish Mexican and American modernizing strategies The extension of the moral and military campaigns of the American Civil War to the Southwest in a regional war against slavery brought differing forms of social stability but cost local communities much of their economic vitality and cultural flexibility      **The North American Review** ,1835      Annual Report of the Ohio State Library Ohio State Library,1877      *The State Library of Ohio Annual Review* State Library of Ohio,1872      Report of the Commissioners of the Ohio State Library Ohio State Library,1871      *Annual Report* Ohio State Library,1858

## Decoding **Albert Pike Prose Sketches Poems Writt**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Albert Pike Prose Sketches Poems Writt**," a mesmerizing literary creation penned by a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
