Alcohol And Public Policy Evidence And Issues:

Alcohol and Public Policy Harold D. Holder, Edwards Griffith, 1995 Alcohol and Public Policy provides a set of scientific reviews written by a distinguished team of international scientists and policy analysts which explore the scientific basis for policies on alcohol and alcohol problems Important contemporary issues are critically reviewed including a mapping of trends in world consumption and examination of the most recent evidence on how drinking is shared out within any given population Evidence on the relationship between quantity drunk and harm done is explored both as regards the individual drinking and population levels of consumption Suicide interpersonal violence and dependence risk are all considered as well as the physical harms of alcohol abuse Other chapters deal with the effect of pricing on consumption the population level impact on treatment the climate of public discourse and the alleged protective influence of moderate drinking Finally the application of economics to the determination of the best buy in a practical mix of policies is examined In an area often clouded by partisan and vested interests this book provides a clear objective approach to the subject Its comprehensive and balanced coverage of alcohol and public health issues will benefit anyone working in these areas *Alcohol Misuse* Timothy J. Peters, 1996-06-30 This book is based on a series of reports on the health and social consequences of alcohol misuse presented to the European Economic Community Each of the chapters is written by internationally acclaimed experts who have reviewed their own chosen fields and contributed possible future research directions A review of trends in consumption are followed by a report of the racial ethnic and gender differences in alcohol misuse The importance of alcohol as a nutritional source in the pathogenesis of tissue damage the role of malnutrition deficiencies in alcohol misusers is also discussed Chapters review organs which are damaged by misuse such as the liver pancreas brain muscle skin and bone The relationship between alcohol misuse and malignancy and the HIV disease completes the biomedical areas *Alcohol and Public Policy* Thom Brooks, 2016-03-17 Alcohol and its consumption is a major topic for public policy making Growing awareness of alcohol related health problems among the general public has led to high levels of interest in alcohol consumption and its impact on society This innovative collection of new perspectives on this critically important issue is informed by a leading group of international social scientists Topics covered include alcoholism the family minimum pricing paternalistic controls and Socially Responsible Investment programs Together these essays reveal illuminating new insights into how public policy might be improved This book was originally published as a special issue of Contemporary Social Science **Alcohol and Public Policy** National Research Council, Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Assembly of Behavioral and Social Sciences, Committee on Substance Abuse and Habitual Behavior, Panel on Alternative Policies Affecting the Prevention of Alcohol Abuse and Alcoholism, 1981-02-01 From Science to Action? 100 Years Later - Alcohol Policies Revisited Richard Müller, Harald Klingemann, 2007-05-08 Alcohol has been central to social religious and personal use throughout the history

Alcohol drinking goes back almost as far as the human race does A hundred years therefore may be seen as only a flash The past century however has witnessed a fundamental change in dealing with alcohol problems Hence to give an overview of a hundred years of alcohol policies is a rather ambitious task and the contributions to this book shed only some light on the way in which alcohol policy issues have changed in this period This authoritative volume is relevant to both scientists and policy makers providing a state of the art in alcohol policy from different perspectives covering both science research treatment and prevention practice and linking these areas
