Alejandro Y Cesar Vidas Paralelas:

Vidas Paralelas. Alejandro-César Plutarco, 2023-03-02 Las Vidas paralelas son la expresión más perfecta y rica de la personalidad de Plutarco. En esta amplia colección biográfica se funden el erudito, el filósofo, el moralista y el hombre interesado por el pasado que busca en las grandes virtudes de sus héroes una aplicación práctica de sus teorías. Por eso esta gran obra logra que los lectores penetren en el alma y no solo en los hechos de los grandes artífices de la historia griega y romana. Dentro de este conjunto las vidas de Alejandro Magno y Julio César constituyen una de sus parejas más célebres y también una de las más acertadas. En un punto capital se trata sin duda de los dos mayores conquistadores del mundo griego y de Roma. Con su prosa cuidada Plutarco sabe explorar y destacar algunos de los rasgos comunes a ambos, como la ambición desmedida, la resistencia extrema a la fatiga y las pretensiones de descender de dioses. Quienes no deseen gastar el breve tiempo de nuestra vida leyendo en novelas triviales las vacuidades de huecos personajes inventados por escritores de poco fuste, harán bien en dedicar algunos ratos a las Vidas paralelas de Plutarco, empezando quizá por peripecias asombrosas de Alejandro Magno y Julio César. Ignacio *Alejandro y César* Plutarco, 1982 **Alejandro y César** Plutarco, Eduardo Valentí Fiol, Carles Riba, 1982 **Vidas paralelas VI. Alejandro - César, Agesilao - Pompeyo, Sertorio - Éumenes**

Plutarco, 2016-08-05 En este volumen se presentan algunas de las vidas más célebres como las de Alejandro y César que comparten rasgos tan acusados como la audacia y el arrojo, la ambición, el genio militar y la crueldad ocasional. Contiene también las Vidas de Pompeyo y del gran jefe militar espartano Agesilao. En este volumen se presentan algunas de las Vidas más célebres como las de Alejandro y César, una auténtica obra maestra acerca de los dos grandes conquistadores de la Antigüedad que comparten rasgos tan acusados como la audacia y el arrojo, la ambición y la amplitud de miras, la genialidad militar y la crueldad ocasional. Las otras dos parejas, Pompeyo, Agesilao y Sertorio, Éumenes, no quedan atrás y en ellas se narran importantes episodios históricos como los últimos años de supremacía espartana, las guerras de los sucesores de Alejandro y los últimos años de la República romana a través de sus más importantes protagonistas. Pompeyo fue el rival optimo de César en la guerra civil que condujo al principado y al imperio de este quien le derrotó en la batalla de Farsalia. Agesilao fue un gran jefe militar espartano que aseguró durante varios años el predominio de su ciudad en la Hlade frente a las potencias de Atenas, Tebas y Corinto. Sertorio fue en el último tramo de la República romana un acerrimo adversario de Sila, mientras que Éumenes, general griego, uno de los diádocos que sucedieron a Alejandro Magno, por su origen no macedonio no logró obtener el apoyo de su ejército que le traicionó. ALEJANDRO y JULIO CÉSAR Plutarco, 2023-11-15 Plutarco 46-119 fue un filósofo y biógrafo griego nacido en la ciudad de Queronea. Estudió matemáticas y filosofía en la Academia de Atenas, la misma que fue estudiada por Platón y se dedicó a la política alcanzando altos cargos públicos. Alejandro y Julio César es uno de los volúmenes de Vidas Paralelas y presenta lado a lado a dos grandes nombres de la época helenística: Alejandro el Rey de Macedonia, unificador del occidente y conquistador de Asia, y Julio César, habil estratega militar y político. La obra escrita en el siglo I ofrece una

comparación detallada de sus orígenes, carreras y decisiones que influyeron en la historia. Alejandro y Julio César: vidas paralelas no solo proporciona un relato histórico rico sino también reflexiones sobre virtud, liderazgo y ambición brindando a los lectores una visión rica de dos líderes influyentes de la antigüedad. *Alejandro y César* Plutarco, Francisco López Estrada, Cristóbal de Monroy, 1920 **Alejandro y Cesar** Plutarchus, Eduard Valentí i Fiol, 1982 *Alejandro y Cesar* Plutarco, 1970 **Vidas paralelas** Plutarco, 2003 *Vidas paralelas, Alejandro-Julio Cesar* Plutarco, 1941 Vidas paralelas Plutarco, 1962 *Eso no estaba en mi libro de Julio César* Francisco Uría, 2024-11-05 Sabías que Julio César entró en Sevilla con la cabeza de uno de los hijos de Pompeyo derrotado en la decisiva batalla de Munda. Que plantó un árbol en el plátano de sombra en Córdoba. Que Pompeyo fue su yerno a pesar de ser mayor que él. Julio César, el nombre que designa a uno de los más grandes estrategas y políticos de la historia, sigue cautivando a las generaciones de nuestros días a pesar de los muchos siglos transcurridos. Este libro se adentra en la compleja figura de César presentando un relato accesible y cautivador que abarca tanto sus victorias militares como su fulgurante ascenso político y las múltiples facetas de su personalidad. Desde un enfoque divulgativo no exento de rigor, el autor nos muestra los avatares de la vida de César abordando sus insólitas hazañas en la guerra de las Galias, su papel decisivo en el ocaso de la República romana y su capacidad de seducir tanto en el ámbito personal como en el político. Lejos del tratado académico y solemne, este libro ofrece una visión rica y matizada que invita al lector a reflexionar sobre los éxitos y contradicciones de un hombre que moldeó la historia de Occidente. Para quienes desean conocer al ser humano que se esconde detrás del mito, esta obra presenta una oportunidad única de entender por qué Julio César sigue siendo una figura capital cuyo legado resuena aún en la política y la cultura de nuestro tiempo. *Vidas paralelas* Plutarch, 1950 *Las vidas paralelas* Plutarch, 1880 *Vidas semblantes. Versión aragonesa de las Vidas paralelas, patrocinada por Juan Fernández de Heredia* Plutarco, 2009-03-13 La versión herediana de las Vidas paralelas de Plutarco está integrada por un conjunto de 39 vidas extraídas de un total de 50 del original griego. La obra fue traducida por Dimitri Calodiqui del griego clásico al popular bizantino y de este al aragonés por el obispo italiano Nicolás. Los correctores heredianos culminaron la tarea perfeccionando la aragonesización del texto. La presente obra es una edición crítica en la línea neolachmanniana en la que se intenta reconstruir el texto primigenio. En el estudio que la acompaña se da cuenta del proceso traductorio, del grado de fidelidad y del tipo de lengua en que está escrita la obra. El aragonés de Vidas semblantes corresponde al llamado modelo occidental. Se destaca también su interés literario e histórico-cultural. **Bibliografía de los estudios clásicos en España, 1965-1984**, 1991 Remando al viento Rafael Chertá Puig, Teresa Garrido Bigorra, 2007

Artillería y poliorcética en el mundo grecorromano Rubén Sáez Abad, 2005 Este libro analiza la construcción, funcionamiento y empleo de la maquinaria bélica en la antigüedad grecorromana partiendo de la premisa de que la artillería y las máquinas de asedio jugaron un muy significativo papel en el desarrollo de las campañas militares de ese periodo. También se estudian las transformaciones que la introducción de las nuevas tecnologías provocó en las concepciones bélicas. Se han

manejado un amplio repertorio de recursos que incluye las fuentes documentales los restos arqueológicos las representaciones iconográficas así como las nuevas aportaciones de la arqueología experimental

Un calavera excepcional en tierra baldía Alfonso Rubio, 2024-02-01 En 1871 en tierras del Estado Soberano del Tolima Colombia se abre un expediente judicial por el crimen de Jos Mar a Cadavid En el sumario aparece un extenso y sorprendente documento escrito en la cárcel por el propio acusado que se titula Apología de Francisco Antonio Marulanda El homicidio tuvo su origen en el enfrentamiento que se había dado entre ambos por la propiedad de ciertos baldíos A partir de este expediente el propósito unificador que atraviesa Un calavera excepcional en tierra baldía es el deseo de comprender la ubicación de un letrado popular vinculado al pensamiento católico por la vertiente de un cristianismo igualitario en un ambiente rural y en la cotidianidad de la vida material en la que se desenvolvió el fenómeno de la colonización

The Visual Legacy of Alexander the Great from the Renaissance to the Age of Revolution Víctor Mínguez, Inmaculada Rodríguez-Moya, 2023-12-01 This is an analysis of the diverse facets of Alexander the Great's image from the Renaissance era through the Baroque into the nineteenth century Perceived as the first sovereign ruler of the world for centuries Alexander became an exemplar for the most ambitious kings and emperors This cultural phenomenon flourished above all in the Renaissance while extending into the nineteenth century Early modern monarchs' identification with Alexander associated them with ideas of kingly wisdom Yet this admiration waned on occasions Napoleon was Alexander of Macedonia's most ardent critic During the nineteenth century the Macedonian hero was viewed as an individual who won control of the Achaemenid empire but also underwent a progressive moral decline that converted him into a tyrant The book will be of interest to scholars working in art history and iconography
