Aleksandr Blok Release Of Harmony Vol:

The Life of Aleksandr Blok: The release of harmony, 1908-1921 Avril Pyman, 1979 **Singing Soviet Stagnation: Vocal Cycles from the USSR, 1964-1985** Richard Louis Gillies, 2021-12-09 Singing Soviet Stagnation Vocal Cycles from the USSR 1964 1985 explores the ways in which the aftershock of an apparent crisis in Soviet identity after the death of Stalin in 1953 can be detected in selected musical literary works of what has become known as the Stagnation era 1964 1985 Richard Louis Gillies traces the cultural impact of this shift through the intersection between music poetry and identity presenting close readings of three substantial musical literary works by three of the period s most prominent composers of songs and vocal cycles Seven Poems of Aleksandr Blok Op 127 1966 1967 by Dmitri Shostakovich 1906 1975 Russia Cast Adrift 1977 by Georgy Sviridov 1915 1998 Stupeni 1981 1982 1997 by Valentin Silvestrov b 1937 The study elaborates an interdisciplinary approach to the analysis of musical literary artworks that does not rely on existing models of musical analysis or on established modes of literary criticism thereby avoiding privileging one discipline over the other It will be of particular significance for scholars students and performers with an interest in Russian and Soviet music the intersection between music and poetry and the history of Russian and East European culture politics and identity during the twentieth century **The 20th Century A-GI** Frank N. Magill, 2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography **A History of Russian Symbolism** Avril Pyman, 2006-03-09 This book is the first detailed history of the Russian Symbolist movement from its initial hostile reception as a symptom of European decadence to its absorption into the mainstream of Russian literature and eventual disintegration It focuses on the two generations of writers whose work served as the seedbed of Existentialism in thought and of Modernism in prose and the performing arts and reassesses their achievements in the light of modern research At the centre of the study are the texts themselves with prose quoted in English translation and poetry given in the original Russian with prose translations There is a valuable bibliography of primary sources and an extensive chronological appendix This book will fill a long felt gap and will be invaluable to students and teachers of Russian and comparative literature Symbolism Modernism and pre revolutionary Russian culture **Boris Pasternak** Christopher Barnes, 2004-02-12 This authoritative new biography of the Russian poet and prose writer Boris Pasternak is the first part of a two volume set covering the period 1890 1928 Drawing on archives and many eyewitness accounts Barnes study sheds light on currently unexplored aspects of Pasternak s character and family background and his

artistic social and historical environment He combines biographical investigation with detailed textual analysis of translated quotations in verse and prose to reveal the source of Pasternak's extraordinary writings The book examines a wide range of topics that include his musical enthusiasm and relations with Scriabin his philosophical studies his activities in World War I and his response to the 1917 revolutions and his stance as a liberal artistic intellectual in the 1920s *Stalin and the Literary Intelligentsia, 1928-39* A. Kemp-Welch, 2016-07-27 Stalin's fascination with writers was fully reciprocated as the many Odes to Stalin show During the 1970s a hugely elaborated system was established for the regulation of belles lettres based on institutions ideas and individuals This original study ten years in preparation is based on extensive access to Soviet archives Much new evidence has been uncovered about the inner workings of cultural policy in the Stalin period and documents by Stalin himself are published for the first time **Blok, an Anthology of Essays and Memoirs** Lucy E. Vogel, 1982 Biography and literary analysis of Alexander Blok Russian lyrical poet writer publicist playwright translator literary critic **Unattainable Bride Russia** Ellen Rutten, 2010-03-08 Throughout the twentieth century and continuing today personifications of Russia as a bride occur in a wide range of Russian texts and visual representations from literature and political and philosophical treatises to cartoons and tattoos Invariably this metaphor functions in the context of a political gender allegory which represents the relationships between Russia the intelligentsia and the Russian state as a competition of two male suitors for the former's love In *Unattainable Bride Russia* Ellen Rutten focuses on the metaphorical role the intelligentsia plays as Russia's rejected or ineffectual suitor Rutten finds that this metaphor which she covers from its prehistory in folklore to present day pop culture references to Vladimir Putin is still powerful but has generated scarce scholarly consideration *Unattainable Bride Russia* locates the cultural thread and places the political metaphor in a broad contemporary and social context thus paying it the attention to which it is entitled as one of Russia's modern cultural myths **Nineteenth Century Prose**, 2011 *Memoirs and Madness* Frederick H. White, 2006-06-20 A critical study of Leonid Andreev as a mad literary genius **Russia's Rome** Judith E. Kalb, 2010-07-15 The first examination of Russia's self identification with Rome during a period that encompassed the revolutions of 1905 and 1917 and the rise of the Soviet state **The Life of Aleksandr Blok** Avril Pyman, 1979 *Russia and Eastern Europe, 1789-1985* Raymond Pearson, 1989 **Lyric Incarnate** Timothy Westphalen, 2013-11-05 *Lyric Incarnate* examines the plays of Aleksandr Blok the pre eminent poet of Russian Symbolism and one of the greatest poets of the twentieth century Blok's plays have received less attention than his poetry in the West and this book is the first and only English language monograph devoted to Blok the playwright In chronological succession each of Blok's major plays is examined in detail Special attention is accorded to Blok's relations with the major directors of his time particularly Meyerhold and Stanislavsky Blok's role for instance in Meyerhold's formulation of the theatre of the grotesque proved to be critical and his relation to the Moscow Art Theatre just before the October Revolution helped to define the future course of that theatre Blok's innovative dramatic technique is carefully

studied at each stage in his career from his earliest lyric dramas such as *A Puppet Show* and *The Stranger* to his great tragedy *The Rose and the Cross* **The Battle of Kulikovo Refought** Kati M.J. Parppei,2017-01-05 The battle of Kulikovo fought between Muscovite and Tatar troops in 1380 has been considered as a crucial turning point in the national history of Russia In *The Battle of Kulikovo Refought* Kati Parppei examines the layers of contemporary meanings attached to the event from the Middle Ages to the present following the formation and establishment of the collective images and perceptions concerning the battle By utilizing a diverse set of sources she shows that the present image of the medieval battle was created in retrospect from the 15th century onwards by interpolating interpreting and simplifying The narrative themes emphasizing internal unity have been applicable to practically any political situation over the centuries especially to ones involving external threat Poetry & Money Peter Robinson,2020-09-04 *Poetry Money A Speculation* is a study of relationships between poets poetry and money from Chaucer to contemporary times It begins by showing how trust is essential to the creation of value in human exchange and how money can depending on conditions both enable and disable such trustfully collaborative generations of value Drawing upon a vast range of poetry for its exemplifications the book includes studies of poetic hardship religious verse and debt redeeming the South Sea Bubble and the economic revolution debates over metallic and paper currency in the eighteenth and nineteenth centuries as well as modernist struggles with the gold standard depression inflation and the realised groundlessness of exchange value With its practitioner s attention to the minutiae of poetic technique it considers analogies between words and coins and between poetic rhythm and the circulation of currencies in an economy Through its close readings of poems over many centuries directly or indirectly engaged with money it proposes ways in which while we cannot escape monetary economies we can resist to some extent being ensnared and diminished by them through a fresh understanding of values money may serve to enable but ones which are nevertheless beyond price **Maximilian Voloshin's Poetic Legacy and the Post-Soviet Russian Identity** M. Landa,2015-06-10 Famed and outspoken Russian poet Maximilian Voloshin s notoriety has grown steadily since his slow release from Soviet censorship For the first time Landa showcases his vast poetic contributions proving his words to be an overlooked solution both to the political and cultural turmoil engulfing the Soviet Union in the early twentieth century Plato and Jesus, Not Caesar Mateusz Stróżyński,2025-10-13 This book discusses the influence of ancient and medieval Platonism and Christian Platonism on the modern political concepts and experiences of freedom and tyranny in Central Eastern Europe The main claim of the book is that because the nations of Younger Europe were oppressed by the imperialism of Russia Germany and Austria they maintained a stronger connection to the premodern Christian Platonic tradition This tradition was experienced as a source of inspiration in the struggle for freedom and independence The book focuses on the life and work of selected philosophers poets and artists all of whom were both mystics and figures deeply engaged in their nations fight for freedom Russia and the Russians Geoffrey A. Hosking,2001 Chronicles the history of the Russian Empire from the Mongol

Invasion through the Bolshevik Revolution to the aftereffects of the Cold War **Diaghilev** Sjeng Scheijen, 2010-09-10

Featuring an eight page gallery of full color illustrations here is a major new biography of Serge Diaghilev founder and impresario of the Ballets Russes who revolutionized ballet by bringing together composers such as Stravinsky and Prokofiev dancers and choreographers such as Nijinsky and Karsavina Fokine and Balanchine and artists such as Picasso Matisse Bakst and Goncharova An accomplished flamboyant impresario of all the arts Diaghilev became a legendary figure Growing up in a minor noble family in remote Perm he would become a central figure in the artistic worlds of Paris London Berlin and Madrid during the golden age of modern art He lived through bankruptcy war revolution and exile Furthermore he lived openly as a homosexual and his liaisons most famously with Nijinsky and his turbulent friendships with Stravinsky Coco Chanel Prokofiev and Jean Cocteau gave his life an exceptionally dramatic quality Scheijen's magnificent biography based on extensive research in little known archives especially in Russia brings fully to life a complex and powerful personality with boundless creative energy A New York Times Editor's Choice
