novel In the autumn of 1938 Germany's Reichsführer Heinrich Himmler is growing frustrated at the British using their regional power in India to block passage of an SS expedition to Tibet. Determined to spite them, he plots to steal something the British hold dear and have failed for the seventh time that spring to achieve a first summit of Mount Everest. Seventy years later, seasoned mountain guide Neil Quinn's ninth visit to the top of the world's highest mountain, in the charge of the sixteen-year-old son of a Long Island billionaire, begins to unravel. As a desperate fight for their lives begins in the freezing air high above Tibet, Quinn stumbles across a clue to a story that questions everything he thinks he knows about the great mountain. When the bitter aftermath of Quinn's disastrous climb turns to violent tragedy in Kathmandu, his discovery pushes him into a relentless journey that takes him from the dangerous heights of Everest to the equally treacherous margins of a new Europe where history hungers to repeat itself. Amidst a rich and diverse cast of characters, each with their own reason to possess the mystery of his discovery, Neil Quinn has to fight increasingly desperately for order and the truth. In doing so, he reveals an older story of man and mountain to its shocking conclusion.

Sample Book Insights

- 1 On November 9, 1938, the synagogue was burned down. The SA burned it. The men who were there said they could hear the talk but not the words from the other room. The men who were upstairs with Schwenke and Kramer said they didn't care if they burned the synagogue, oil or not; it was duty.
- 2 The SA men went to the synagogue and took the floor oil, which they used to light the fires in the furnace room of the synagogue. The innkeeper of the Huntsmen's Rest called the Fire Department when he heard about the fire.
- 3 The groom's father, Sturmführer Schwenke, was against the marriage because the bride's father was not a Party member. The bride, who was always crying, was not a strong Party woman. The boy, who was a bed-wetter, hated his mother.
- 4 When Gustav was away from Kronenberg, he didn't feel so bad about spending something. He didn't feel so bad about anything. Away from Kronenberg, your bride didn't cry, your mother didn't talk, and your father didn't buy himself uniforms.

Tenzing and the Sherpas of Everest Tashi Tenzing, Judy

Tenzig, 2011-01-01 In 2003 the world will celebrate the 50th anniversary of Sir Edmund Hillary and Tenzing Norgay Sherpa's historic ascent of Mount Everest, an event which became the defining moment in 20th-century adventure and delivered fame and glory to the men who took part in the expedition. All perhaps except Tenzing, who, after a brief honeymoon period with the world's media and political leaders, returned to his humble home in the hill station of Darjeeling, India, and never properly received the credit and plaudits he so richly deserved. In 1986 he passed away, having touched the hearts of all those he came across and having done so much for his people. Tenzing and the Sherpas of Everest is the inspiring story of this poor and illiterate man who left his small ancestral village in a remote part of the Himalaya and, through grit, courage, and sheer determination, climbed the world's highest mountain and became a hero around the globe. But it is also a tribute to Tenzing's family and the Sherpa people who have contributed so much to exploration in the Himalaya over the last hundred years.
