Aristotle's Physics and Its Medieval Varieties Helen S. Lang, 1992-01-01 This book considers the concepts that lay at the heart of natural philosophy and physics from the time of Aristotle until the fourteenth century The first part presents Aristotelian ideas and the second part presents the interpretation of these ideas by Philoponus Albertus Magnus Thomas Aquinas John Buridan and Duns Scotus Across the eight chapters the problems and texts from Aristotle that set the stage for European natural philosophy as it was practiced from the thirteenth to the seventeenth centuries are considered first as they appear in Aristotle and then as they are reconsidered in the context of later interests The study concludes with an anticipation of Newton and the sense in which Aristotle's physics had been transformed

Literature on the Move Ottmar Ette, 2003 Literature on the Move formulates a new aesthetics for the altered conditions and challenges of the new century The point of departure for examining a bordercrossing literature on the move is travel literature from which the view opens up unto other spaces dimensions and patterns of movement which will shape the literatures of the 21st Century And these will become one needs no prophetic gift to see for a major part literatures with no fixed abode Signposts of this journey through literature proposed by this book are texts by among many others Balzac Barthes Baudrillard Borges Calvino Cond Cohen Diderot Goethe A v Humboldt Kristeva Reyes Rod or Stadler This book will specially appeal to an audience interested by comparative literature literary theory and travel literature and will be of interest to anybody who delights in literary journeys

Albert's Ark Fred Crampton, 2015-01-13 In 2014 ex marine and mercenary Albert Crowther has a vision to set up a floating island a modern day Ark He said he had had enough of those political fat cat bastards with their taxes rules and regulation He was sick of ever increasing violence shootings stabbings drug and alcohol abuse on Britains streets He convinced his long suffering wife Amy that they needed to get off the planet set up a group of like minded people and start a new life away from the corruption of modern day living Relationships developed on the Ark with friendships love and romance affairs steamy sex marital problems and friction Daily life was peppered with humour drama births deaths and marriages celebrations and surprises The dream was to live the good life on the Ark Little did the community know at the start of their new life together how elusive Utopia would be The characters from different backgrounds status and gender live together in close proximity interacting in a multicultural melting pot but seem unable to escape from corruption of external influence and attack let alone the unpredictability of the weather and human nature But ever the optimist as Albert often remarked You never know whats over the horizon
