Albrecht Dürer Stacey Bieler, 2017-12-06 The artist and entrepreneur Albrecht Dürer lived in Germany in the early 1500s when two storms were threatening the Holy Roman Empire First Suleiman the Magnificent and his army of Ottoman Turks were expanding from Constantinople to Vienna the doorstep of Europe Second Martin Luther a German monk and professor wrote his Ninety Five Theses identifying corruption within the Roman Catholic Church This challenged the authority of both Emperor Charles V and Pope Leo X who responded by accusing Luther of heresy Albrecht Dürer influenced art and media throughout Europe as strongly as Martin Luther influenced people's views of life death and their relationship with God Dürer's art and writing reveal how this creative and thoughtful man responded to the changes offered by Luther Why was Dürer so attracted to Luther's writings Why would he risk being accused of being a heretic Both of these men inspired changes in art religion and politics that still underlie the foundation of today's social structures and Western culture

Albrecht Dürer John Berger, Albrecht Dürer, 1994 Documents the works of this Medieval artist Realism and Invention in the Prints of Albrecht Dürer David R. Smith, 1995 *The History of the Life of Albrecht Dürer of Nürnberg* Mrs. Charles Heaton, 1870 Albrecht Dürer and artworks Victoria Charles, 2022-12-06 Dürer is the greatest of German artists and most representative of the German mind He like Leonardo was a man of striking physical attractiveness great charm of manner and conversation and mental accomplishment being well grounded in the sciences and mathematics of the day His skill in draughtsmanship was extraordinary Dürer is even more celebrated for his engravings on wood and copper than for his paintings With both the skill of his hand was at the service of the most minute observation and analytical research into the character and structure of form Dürer however had not the feeling for abstract beauty and ideal grace that Leonardo possessed but instead a profound earnestness a closer interest in humanity and a more dramatic invention Dürer was a great admirer of Luther and in his own work is the equivalent of what was mighty in the Reformer It is very serious and sincere very human and addressed the hearts and understanding of the masses Nuremberg his hometown had become a great centre of printing and the chief distributor of books throughout Europe Consequently the art of engraving upon wood and copper which may be called the pictorial branch of printing was much encouraged Of this opportunity Dürer took full advantage The

Renaissance in Germany was more a moral and intellectual than an artistic movement partly due to northern conditions The feeling for ideal grace and beauty is fostered by the study of the human form and this had been flourishing predominantly in southern Europe But Albrecht Dürer had a genius too powerful to be conquered He remained profoundly Germanic in his stormy penchant for drama as was his contemporary Matthias Grünewald a fantastic visionary and rebel against all Italian seductions Dürer in spite of all his tense energy dominated conflicting passions by a sovereign and speculative intelligence comparable with that of Leonardo He too was on the border of two worlds that of the Gothic age and that of the modern age and on the border of two arts being an engraver and draughtsman rather than a painter Albrecht Durer Stacey Bieler,2017-12-06 The artist and entrepreneur Albrecht Dürer lived in Germany in the early 1500s when two storms were threatening the Holy Roman Empire First Suleiman the Magnificent and his army of Ottoman Turks were expanding from Constantinople to Vienna the doorstep of Europe Second Martin Luther a German monk and professor wrote his Ninety Five Theses identifying corruption within the Roman Catholic Church This challenged the authority of both Emperor Charles V and Pope Leo X who responded by accusing Luther of heresy Albrecht Dürer influenced art and media throughout Europe as strongly as Martin Luther influenced people's views of life death and their relationship with God Dürer's art and writing reveal how this creative and thoughtful man responded to the changes offered by Luther Why was Dürer so attracted to Luther's writings Why would he risk being accused of being a heretic Both of these men inspired changes in art religion and politics that still underlie the foundation of today's social structures and Western culture **Albrecht Durer** Jane Campbell Hutchison,2003-08-29 Hutchison's book is a complete guide on Dürer and the research on his work his historical import and his aesthetic legacy **The Engravings of Albrecht Dürer** Lionel Cust,1897
