443 Questions and Answers on New Age Giovanni A. Orlando,2011 Remarkable Healings Shakuntala Modi,2025-09-12 Psychiatry remains an emerging discipline Many people suffer from ailments that have no apparent cause no obvious cure Quite by accident while using hypnotherapy Dr Modi discovered that pastlife regression can be a beneficial treatment Many of these patients under hypnosis claimed to have spirits attached to their bodies and energy fields creating psychological and physical problems Based on years of experience Dr Modi describes techniques that release these spirits revealing how patients can sometimes recover within a few sessions While most doctors would agree that emotional states affect our health few would give credence to spiritual influences In this truly groundbreaking book Dr Modi presents evidence that something beyond the physical affects the health of many people and urges medical scientists to objectively assess this revolutionary approach to mental and often physical illness Pioneers have the courage to put aside the status quo and evaluate what the evidence shows even if it defies the prevailing logic of the time Both physicians and the general public should explore the pioneering work of Dr Modiwork which no doubt has produced many remarkable healings Eagles Of The New Dawn Patricia Pereira,2011-03-15 In 1987 Patricia Pereira started receiving telepathic communications from the star Arcturus and was requested to begin a series of galaxy inspired manuscripts The mission of this series of books is to awaken us to our individual and collective spiritual obligation for the health and well being of our planet and all creatures who live upon her Philosophical in scope the essays in these books provide pragmatic practical suggestions for emotional mental physical and spiritual transformation They remind readers of humans relationships to the beings of light who inhabit the great star nations The books are like cosmic flash cards they can be opened and read at any part or in their entirety Patricia Pereira was called to write through telepathic communications from the star Arcturus begins with the definitions of the sky warriors also called eagles of the new dawn The book focuses on information regarding the Arcturians and their role with humans earth as a planet seeded by stars and humans as starseeds and includes a fascinating rewrite of history featuring extraterrestrial

involvement The author s work encourages readers not to fear extraterrestrial contact realize their telepathic ability and awaken to proper stewardship of the earth **Hope, Help, Healing with Archangel Raphael and the Angels** Mary LaSota, Harriet Sternberg, 2007-05 In this book Hope Help Healing with Archangel Raphael and The Angels many comments and much information is given which is extremely important at this time in terms of very much needed hope both in the present and for the future Planet Earth and the individuals living on it need to know about Angels Archangels Spirit Guides and Ascended Masters in order to avail themselves of all the helpful hopeful healing protecting and guiding ways they have given in the past and about how all these offerings can be utilized now The Emerald Joy Healing Ceremonials the attunements and the messages are valuable because they come directly from Archangel Raphael himself his contributions benefiting us all The authors intensive and extensive research about past Golden Ages and the predicted Golden Age to come culminates in a last chapter which shows the cosmic role Planet Earth has played in the past and needs to play again This book has come forth at this time to offer words of hope help and healing to a world in its transformational period **Hidden Fields** Charles Ford, 2008-02 Poetry can give the readers a chance to make better choices in their lives Hidden Fields prepares them to examine their self religion and philosophy by the spirit of poetry Charles Ford wants to share his many life experiences with readers and invite them into his home by his every thought word and action So they may know him and discover something special and unique about themselves He wrote poems for people throughout history rather than to them Poems offer for people even for readers who know little poetry All are unique alive or dead In Hidden Fields Charles brings to readers his experiences and his individuations which he expresses wonderfully by his ever deepening imagination and understanding that he has about poetry These poems about self embodied metaphysics of his faith hope and love Charles writes poems about religion and philosophy they are also in the vein of metaphysics These poems reveal his profound spiritual growth that he achieved in his life He experienced a religious conversion at three He shares this experience and many others with readers so they may know he writes poems from his heart by inspiration and love he has for God and man

Channeling Jon Klimo, 1998-04-17 In this study of channeling earlier called spirit communication or mediumship Klimo who teaches at Rosebridge Graduate School in the San Francisco Bay Area writes with clarity about the communication of information to or through a physically embodied human being from a source on some other level or dimension of reality other than the physical as we know it He profiles recent channels and their sources goes back to preliterate societies and the advent of monotheism and identifies as channels such figures as Moses Solomon Muhammad Merlin Nostradamus Swedenborg and Edgar Cayce He discusses the sorts of people who are channels kinds of information channeled sources of information channeled and varieties of channeling like clairvoyance and automatic writing According to Klimo few people tap into their abilities to perform channeling and for those who think they can he serves as guide **Dodging Energy Vampires** Christiane Northrup, M.D., 2018-04-17 Highly sensitive people or empaths see life through the eyes of compassion and caring

They were born that way As a result they carry a tremendous amount of inner light But they re also the favored prey of vampires who feed off empath's energy and disrupt their lives on every level physical emotional and financial In *Dodging Energy Vampires* Christiane Northrup M D draws on the latest research in this exciting new field along with stories from her global community and her own life to explore the phenomenon of energy vampires and show us how we can spot them dodge their tactics and take back our own energy You ll delve into the dynamics of vampire empath relationships and discover how vampires use others energy to fuel their own dysfunctional lives Once you recognize the patterns of behavior that mark these relationships you ll be empowered to identify the vampires in your life too In these pages Dr Northrup opens up a toolbox full of techniques you can use to leave these harmful relationships behind heal from the darkness they ve cast over your mind body and spirit and let your own light shine In the end you may find yourself healthier happier wealthier and more vibrant than you ever believed possible *Connecting Link* , **The Art of Alchemy in Metalworking** Barrett
