God Is For The Alcoholic Jerry Dunn, 2009-06-01 I am an alcoholic I know what it is like to burn with a desire to drink that is so overpowering that family jobs and friends mean nothing compared to the desire for liquor I know what it is like to wake up on a hotel room not knowing where I am or how I got there I also know the joy of complete deliverance from the power of alcohol addiction and never cease to praise God for such deliverance Author Jerry Dunn discovered there is indeed hope for the alcoholic God provided his escape when he picked up a Bible in a Texas prison God Is for the Alcoholic is the product of that escape Jerry Dunn knows the road up from alcoholism is long and difficult but that it can be followed with God's help and through commitment patience and diligence In this revised edition of God Is for the Alcoholic the reader will find sections on understanding alcoholism ways to help the alcoholic and ways the alcoholic can help his or her self Discover release from the power of alcoholism *Finding My Way Home* Reddy Suzwe, 2010-03 I had asked the ultimate question what is Life before and so now my prayers were being answered I was about to find out for myself Never imagined this is how God was going to capture my heart but he did and so the journey begun This provided insight on how God healed my broken heart as he mended and repaired my being At first it felt like I went in for an open heart surgery and I was not on any medication so every single thing that was touched on I really felt it As painful as some of the things done to me in the past felt I came to understand that was the reason why my Lord was there so I chose to allow Him into my life for healing to begin It was in Him to give and so a new heart was provided for me to be able to live pain free As I accepted the gift I was given I felt the heart beat like never before A tear drop rolled down my cheek and I knew I was transformed I came to find out it was new life in me I was coming out a new person a new being who was no longer conformed to the world but renewed enlightened enriched I woke up and realized I was no longer sleeping beauty as I got the awakening To me that was healing from the house of heaven I was now free from heartache no longer day dreaming but living the dream The documentary touches on life experiences and showcases a woman's journey as she worked to free herself from oppression rebuilding her life to make it out of the wilderness alive It turned out to be a journey of a lifetime **Alcoholic Relationship Survival Guide** Doug Kelley, Tracy Kelley, 2006 The Alcoholic Relationship Survival Guide has been helping people resolve alcoholic relationships since 2001 and is no ordinary alcoholic relationship book It is a powerful and comprehensive resource that explains the dynamics of an alcoholic relationship from the perspective by people who have been through it successfully It explains the why's and how's of your situation in an easy to understand but no holds barred style that will encourage you comfort you anger you and then help you to resolve your difficult situation in the most healthy and beneficial way possible The Alcoholic Relationship Survival Guide will teach you healthy and effective ways to respond to alcoholic dysfunction and verbal abuse It will show you pitfalls to avoid and solutions that work including how to set healthy boundaries and reinvent yourself into a New You After reading this book you will not only understand your situation much more clearly but you will

**Back To Life By Subhash Chanana** Subhash Chanana,2023-01-13 Each one of us faces our own struggles and challenges in life Some are big and some are small The first reaction of most of us when we first met a challenge or have a struggle is to try to escape it or we are fearful or bitter Who wants to have any kind of struggle in life Everyone wants their lives to run smoothly But this is not how things work in life We all know that there is uncertainty at every step and nobody knows what is going to happen next This book is not my story only This book is written to spread a message We all have it within us to overcome the worst of challenges in life the only thing we need is to never lose hope and the courage to face every situation Hope we get when we see others overcome similar situations but the courage comes from within We just have to find it In my case I found the much needed courage when I started to have faith in my God I was pulled out of the worst possible situations by this faith Another source of my courage was my late mother whom I had seen bravely face the harshest of situations in life with utmost courage Unfortunately I learned her value only after she had left me But I am really grateful to her for showing me what the actual meaning of not losing hope ever is This is my first book so I am both thrilled as well as nervous But I am sure that my story would inspire many people to stand up and face life as it comes instead of running away from it If my story can help change the lives of even a few people I would think that my purpose of telling my story has been fulfilled and it will give me immense satisfaction

**Going Back for Our Future** Jon Pedersen, Kevin D. Finson, Barbara S. Spector, Paul Jablon, 2013-04-01 This book is the first volume of an attempt to capture and record some of the answers to these questions either from the pioneers themselves or from those persons who worked most closely with them We know there are many pioneers and early trailblazers who are not included in this volume but there are other volumes to follow As we have posed questions rummaged through files and oft neglected books and probed the memories of many individuals we have come to realize our list of true pioneers is ever growing There are names on the list that most of us readily recognize and there are names of whom few of us have heard yet who were significant in their roles as mentors or idea development and teaching We quickly discovered that the family tree showing connections between these people is not a neat clean simple branching tree but is more like spaghetti The connections are many are intertwined and all have their significance The stories in this volume demonstrate how vital this network was in supporting the individual pioneers during their journey in difficult times and continues to be for those of us today in our own enterprise

Alcohol Mark Holmes,2022-11-11 In my mind there was nothing stronger than me However that strength became my weakness and what gave that weakness such strength was the combination of selfishness denial self pity and stupidity This is a suicidal combination that many have fallen victim For most people attempting suicide occurs over an event or when some ongoing situation in their life becomes uncontrollable But if that person were to be asked if he or she could stop the source of what would be an irreversible act would they One can safely assume that their answer would be yes after all anyone in their right mind wants to live But for a person to choose death over life for some selfish reason can only be defined as a person not in their right mind I had to make a choice in my life which was to either continue my lifestyle of marijuana and alcoholism till death do we part or quit walk away and live free and alive I made that choice time after time and like the saying goes If you do the same thing you ll get the same results In my life the love for alcohol and marijuana was as strong as the love a mother has for her child and I was willing to die before I quit This is my story about my choices and all the craziness that went on in between that lead to my ultimate decision

**Medicine Wheel of My Recovery** Mickey M.,2012-12-14 This book is not only for Native American Indians its for all races but in the Native American way Nor is this book directed to any one particular recovering group The disease of addiction is not a prejudice disease neither is recovery Everything we do in recovery should be for self because everything we do effects our opinion of ourselves The results of sobriety should be used to help others in recovery The secret of success is consistency Thats why in recovery they keep saying Keep coming back To sacrifice is to gain in giving up the past for the future Wisdom is not what you put yourself through but what life puts you through Accepting recovery is accepting responsibility for ones actions This is why we must know where the ripples will go before we cast the stone into the pond To do so one must take a journey within the four directions in order to find the balance of their spiritual inner and outer self The results should be given away to help others in recovery so that we may keep what we have learned and earned so that we will be able to have a deeper yes and a much stronger no and realize that the message is in silence the deepest answer is in patience and a clear mind will precipitate patience Three River Ah ho
