The Medieval Culture of Disputation Alex J. Novikoff,2013-10-09 Scholastic disputation the formalized procedure of debate in the medieval university is one of the hallmarks of intellectual life in premodern Europe Modeled on Socratic and Aristotelian methods of argumentation this rhetorical style was refined in the monasteries of the early Middle Ages and rose to prominence during the twelfth century Renaissance Strict rules governed disputation and it became the preferred method of teaching within the university curriculum and beyond In The Medieval Culture of Disputation Alex J Novikoff has written the first sustained and comprehensive study of the practice of scholastic disputation and of its formative influence in multiple spheres of cultural life Using hundreds of published and unpublished sources as his guide Novikoff traces the evolution of disputation from its ancient origins to its broader impact on the scholastic culture and public sphere of the High Middle Ages Many examples of medieval disputation are rooted in religious discourse and monastic pedagogy Augustine s inner spiritual dialogues and Anselm of Bec s use of rational investigation in speculative theology laid the foundations for the medieval contemplative world The polemical value of disputation was especially exploited in the context of competing Jewish and Christian interpretations of the Bible Disputation became the hallmark of Christian intellectual attacks against Jews and Judaism first as a literary genre and then in public debates such as the Talmud Trial of 1240 and the Barcelona Disputation of 1263 As disputation filtered into the public sphere it also became a key element in iconography liturgical drama epistolary writing debate poetry musical counterpoint and polemic The Medieval Culture of Disputation places the practice and performance of disputation at the nexus of this broader literary and cultural context The Oxford Handbook of Charles Brockden Brown Philip Barnard,Hilary Emmett,Stephen Shapiro,2019 The Oxford Handbook of Charles Brockden Brown provides a state of the art survey of the life and writings of Charles Brockden Brown a key writer of the Atlantic revolutionary age and U S Early Republic The seven novels he published during his lifetime are now studied for their narrative complexity innovations in genre and social political commentaries on life in early America and the revolutionary Atlantic Through the late twentieth century Brown was best known as an author of political romances in the gothic mode that proved to be widely influential in romantic era and has generated large amounts of scholarship as a crucial figure in the history of the American novel **The Literary Utopias of Cultural Communities, 1790-1910** Margu  rite Corporaal,Evert Jan van Leeuwen,2010 This volume of essays by scholars in the field of English and American studies brings together a variety of perspectives on the utopian literature originating from cultural communities from 1790 1910 Ranging from the Lunar society to the Nationalist movement and from the Transcendentalists to the Indian Monday Club the fifteen peer reviewed articles examine a wide range of contexts in which utopian literature was written and will be of interest to scholars in the field of cultural and literary studies alike Moreover the volume presents the reader with a unique overview of developments in Utopian thinking and literature throughout the long nineteenth century Specific attention is paid to the transatlantic nature of cultural

communities in which utopian writings were produced and read as well as to the colonial contexts of nineteenth century utopian literature As such the collection offers a novel approach to a tradition of utopian writing that was essentially transcultural Margu rite Corporaal Radboud University Nijmegen and Evert Jan van Leeuwen Leiden University are lecturers in English and American literature in the Netherlands
