Data Made Flesh Robert Mitchell, Phillip Thurtle, 2013-02-01 In an age of cloning cyborgs and biotechnology the line between bodies and bytes seems to be disappearing *DataMade Flesh* is the first collection to address the increasingly important links between information and embodiment at a moment when we are routinely tempted in the words of Donna Haraway to be raptured out of the bodies that matter in the lust for information whether in the rush to complete the Human Genome Project or in the race to clone a human being

Horsewords Maria Belknap, 1997 An ultimate reference book for the horse owner Jacket

The Horse as Cultural Icon Peter Edwards, Karl A. E.. Enenkel, Elspeth Graham, 2011-10-14 In spite of the importance of horses to Western society until comparatively recent times scholars have paid very little attention to them This volume helps to redress the balance emphasizing their iconic appeal as well as their utilitarian functions

Observations on Dew and Frost Francis Albert Rollo Russell, 1892

The Age of the Horse Susanna Forrest, 2017-05-02 A superb account of the enduring connection between humans and horses Full of the sort of details that get edited out of more traditional histories The Economist Fifty six million years ago the earliest equid walked the earth and beginning with the first known horse keepers of the Copper Age the horse has played an integral part in human history It has sustained us as a source of food an industrial and agricultural machine a comrade in arms a symbol of wealth power and the wild Combining fascinating anthropological detail and incisive personal anecdote equestrian expert Susanna Forrest draws from an immense range of archival documents as well as literature and art to illustrate how our evolution has coincided with that of horses In paintings and poems such as Byron's famous *Mazeppa* in theater and classical music including works by Liszt and Tchaikovsky

representations of the horse have changed over centuries portraying the crucial impact that we've had on each other Forrest combines this history with her own experience in the field and travels the world to offer a comprehensive look at the horse in our lives today from Mongolia where she observes the endangered takhi to a show horse performance at the Palace of Versailles from a polo club in Beijing to Arlington Virginia where veterans with PTSD are rehabilitated through interaction with horses For the horse addicted a book can get no better than this original cerebral and from the heart The Times London

The Big Book of Horse Trivia for Kids Bernadette Johnson, 2023-02-07 A Simon Schuster eBook Simon Schuster has a great book for every reader *Light in the Saddle, Practices and Principles for Horses and Humans* Sara Annon, 2018-07-31 Light in the Saddle is an eight volume series that starts with building a relationship with your horse on the ground and continues through developing the foundations of communication in the saddle Educating and conditioning the horse humanely along with exercises for the rider opens the doors step by step to both horse and rider enjoying the process of exploring their full potential Keywords Dressage Equine behavior Equine biomechanics Equine ethology Horse Training Humane horse training Rider exercises on the lunge Saddles Schooling your horse The natural aids **Emotions, Senses, Spaces:** Susan R. Hemer, Alison Dundon, 2016-09-15 This volume draws together three core concerns for the social sciences the senses and embodiment emotions and space and place In so doing these collected essays consider the ways in which these core concerns are mutually constitutive This includes how spaces evoke constrain or are composed by the senses and emotions the ways in which emotions are generated or transformed in certain spaces and through sensual engagement and the processes by which embodied senses create spaces and emotions *Gender and Equestrian Sport* Miriam Adelman, Jorge Knijnik, 2013-06-20 This volume brings together studies from various disciplines of the social sciences and humanities anthropology sociology cultural studies history and literary theory that shed light on the equestrian world as a historically gendered and highly dynamic field of contemporary sport and culture From high level international dressage and jumping polo and the turf to the rodeo world of the Americas and popular forms of equestrian sport and culture we are introduced to a range of issues that are played out at local and global national and international levels Students and scholars of gender culture and sport will find much of interest in this original look at contemporary issues such as engendered women's and men's identities subjectivities as equestrians representations of girls horses and the world of adventure in juvenile fiction the current feminization of particular equestrian activities and where boys and men stand in relation to this how broad forms of social inequality and stratification play themselves out within gendered equestrian contexts men and women and their relation to horses within the framework of current discussions on the relation of animals to humans which may include not only love and care but also exploitation and violence among others Singular contributions show how equestrian activities contribute to historical and current constructions of embodied femininities and masculinities reflecting a world that has been moving beyond the binaries while continuing to be enmeshed in their persistent and contradictory legacy *Horse J.*

Edward Chamberlin, 2007-01-01 Presents an account of how the horse has contributed to almost every aspect of human history from transport and war to agriculture sports and arts This book draws on archaeology biology art literature and ethnography to show the relationship between humans and horses throughout history from Alexander the Great to Genghis Khan

Agriculture of the Hidatsa Indians Gilbert Livingstone Wilson, Waheenee, 2022-05-29 Gilbert Livingstone Wilson's Agriculture of the Hidatsa Indians offers a meticulous ethnographic record of the agricultural practices of the Hidatsa a Native American tribe traditionally located in what is now North Dakota Crafted from the intimate and detailed narratives of Buffalo Bird Woman and her son the book transcends mere scholarly exposition to become a living document of a deeply intertwined relationship among people their culture and the land Wilson's literary style is both precise and narrative embedding the reader in the context of early 20th century ethnography and the larger socio-historical framework of the American indigenous experience in the face of expanding settler society The comprehensive depiction of the Hidatsa's techniques from crop selection to harvest festivals reflects a profound cultural understanding that eschews external interpretation in favor of indigenous voice and perspective Educated at Harvard University and devoted to the systematic study of Native American cultures Wilson's bond with the

Hidatsa through Buffalo Bird Woman and her son granted him unparalleled insights into their world This collaboration is a testament to Wilson s methodological innovation prioritizing authentic voice in ethnographic research His commitment captures the essence of the tribe s agricultural expertise presenting it as both a scientific account and a cultural testament Agriculture of the Hidatsa Indians will resonate with scholars of ethnography anthropology and agricultural history as well as with those interested in Indigenous knowledge systems and environmental studies This text is an indispensable resource offering readers an immersive experience into Hidatsa society serving not only as an academic reference but as a tribute to the resilience and ingenuity of the Hidatsa people and their harmonious agricultural traditions [The New York Times](#)
