Living to Prowl Samuel F. Pickering, 1997 Reading Pickering is like taking a walk with your oldest wittiest friend said Smithsonian magazine Living to Prowl Sam Pickering's ninth collection of essays finds the acclaimed author walking familiar paths taking time to enjoy family friends nature and other simple pleasures Like Pickering's earlier books this collection records in highly personal and idiosyncratic terms a year in the life of a man with a tenacious commitment to pausing and wondering Moving easily between humor and seriousness the mundane and the philosophical stark truth and evocative fictions his essays saunter through life and rummage through lives As Pickering himself puts it Living to Prowl is meant to make people turn away from the razzleum dazzleum of dream and abstraction to see the rich greens and blues at their doorsteps
